Look Out A Selection Of Writings:

Michael Oakeshott Selected Writings Collection Michael Oakeshott,2014-08-26 A collection of 6 volumes of Oakeshott s work Notebooks 1922 86 Early Political Writings 1925 30 The Concept of a Philosophical Jurisprudence Vocabulary of a Modern European State Lectures in the History of Political Thought and What is History **Select Practical Writings of David Dickson** David Dickson,2024-04-27 Reprint of the original first published in 1845 *The Only Writing Series You'll Ever Need* Lesley Bolton,Lea Wait,2006-10-30 A Simon Schuster eBook Simon Schuster has a great book for every reader *Readercentric Writing for Digital Media* David Hailey,2016-12-05 This book presents an altogether new approach to writing and evaluating writing in digital media It suggests that usability theory provides few tools for evaluating content because usability theory assumes only one kind of writing on the Internet The author suggests three models user centric usability model persuasion centric encouraging the reader to linger and be persuaded Canon camera ads and quality centric encouraging the reader to linger and learn or be entertained because of the quality of the writing NASA gov and YouTube Designed for professional writers and writing students this text provides a rubric for writing in digital media but more importantly it provides a rubric and vocabulary for identifying and explaining problems in copy that already exists The Internet has become a pastiche of cut and paste content often placed by non writers to fill space for no particular reason or by computers with no oversight from humans e g Amazon com Because these snippets are typically on topic but often for the wrong purpose or audience professional writers have difficulty identifying the problems and an even harder time explaining them Finding an effective tool for identifying and explaining problems in digital content becomes a particularly important problem as writers increasingly struggle with growing complications in complex information systems systems that create and manage their own content with little human intervention Being able to look at a body of copy and immediately see that it is problematic is an important skill that is lacking in a surprising number of professional writers

The Greatest Children's Books - E.

Nesbit Collection: Fantastical Adventures, Tales of Magical Creatures & Journeys into Enchanting Worlds

(Illustrated) Edith Nesbit, 2024-01-15 In *The Greatest Children's Books* E Nesbit Collection Edith Nesbit weaves a rich tapestry of fantastical adventures transporting readers to realms filled with magical creatures and whimsical journeys. Characterized by her signature conversational style, Nesbit deftly blends humor with poignant moments offering a narrative experience that seamlessly invites both children and adults into enchanting worlds. This illustrated collection showcases her ability to explore themes of imagination, childhood innocence, and moral lessons against a backdrop of vivid prose, making it a seminal work in children's literature during the early 20th century. Edith Nesbit, a pioneering figure in the genre of modern children's literature, drew inspiration from her own tumultuous childhood and a profound belief in the power of imagination. Living in a time of significant social change, she traced elements of her own experiences into her fantastical narratives, allowing children to encounter adventures that reflect their desires and fears. Her innovative approach significantly influenced not only her contemporaries but also generations of writers who followed in her footsteps. This collection is a delightful invitation to both young readers and those young at heart. It encourages exploration of creativity and adventurous spirit while also preserving the timeless lessons inherent in Nesbit's storytelling. Whether you are revisiting childhood favorites or discovering them for the first time, this beautifully illustrated anthology promises to captivate and inspire.

Dynamics of Media Writing Vincent F. Filak, 2025-07-22 *Dynamics of Media Writing* gives students transferable skills that can be applied across all media platforms from traditional mass media formats like news, public relations, and advertising to emerging digital media platforms. A Rhetoric for Writing Program Administrators Rita Malenczyk,2013-07-15 Influenced by

Erika Lindemann's *A Rhetoric for Writing Teachers* and *A Rhetoric for Writing Program Administrators* delineates the major issues and questions in the field of writing program administration and provides readers new to that field with theoretical lenses through which to view those issues and questions. In brief and direct though not oversimplified chapters *A Rhetoric for Writing Program Administrators* explains the historical and theoretical background of such concepts as academic freedom, first-year composition, basic writing, writing across the curriculum, placement, ESL, general education, and transfer. Its thirty-nine contributors are seasoned writing program and center administrators who, in a range of voices, map the discipline of writing program administration and guide readers toward finding their own answers to solving problems at their own institutions.
