Visual Subjectivity in Chinese and American Thought and Literature Guozhong Duan, Ming Dong Gu, 2025-10-15 Providing the reader with a systematic study of visual subjectivity in comparative thought and literature this book analyses the role that vision and visuality especially interpersonal visuality plays in the constitution of subject and subjectivity in Chinese and American traditions Examining the formation of visual subjectivity in the philosophical works by major Chinese and Western thinkers this book provides a comparative study of four masterworks of Chinese and American fiction focusing on *The Plum in the Golden Vase* *The Story of the Stone* *Moby Dick* and *The Scarlet Letter* It demonstrates that there are both psychologically universal and culturally specific factors and features in the visual constitution and representation of self identity subject and subjectivity Offering fresh insights for cross cultural studies of intellectual thought literature ideology and culture through the visual lens this book will appeal to students and scholars engaged in comparative studies of Chinese and American thought literature and narrative theory

Tapestry Jerry Carrier, 2014-08-01 American culture is a rich and complex tapestry of colorful threads from at least five continents and in recent decades increased immigration has meant that the pace of change is accelerating It's time for us to get to know ourselves and really appreciate this rich vast and rapidly expanding culture This book explores the contributions of Hispanic Black Native American Oriental Jewish and other cultures to a nation where many people still focus on the influences of

Christian capitalist and ethnically European particularly British heritage Written for a general audience Tapestry explores the myths of American culture and reveals surprising cultural roots including the fact that American democracy and representative government were inspired more by Native American ways than by the ancient Greeks and Romans Capitalism has become an unchallenged idea a cultural universal and so dogmatic that coupled with Christianity it has become America's dominant religion However capitalism is a 19th century concept created for the bygone industrial era Now the system is showing decay Unfortunately America is an ethnocentric country whose jingoistic belief in its own exceptionalism may prevent needed change American culture has been both inclusive and intolerant Today it stands at a crossroad and must decide what road to take Are we to enter a renaissance or a dark age *Resources in Education* ,1999 **In the Know in Mexico & Central America** Jennifer Phillips,2003-04-15 Be IN THE KNOW BEFORE YOU GO Doing business across borders is very different from doing business across town subtle and not so subtle differences in attitudes and etiquette play a big role Did you know Flowers are so inexpensive and plentiful in Mexico they are more likely to tell you what you want to hear In the Know in Mexico Central America helps you Fit right in by understanding local manners etiquette and behaviors Navigate through everyday life with tips for the whole family Get an insider's perspective on the social and business environment The book includes a FREE 60 minute CD with the key phrases you need to make a great impression From the Package edition
