Looking at Japan Frederic Di Monte, 2016-12-07 In this street photography book travel photographer Frederic Di Monte tries to capture the essence of the Japanese landscapes and society looking for traditions and modernity colors and forms calm and beauty and always keen to capture unusual sights Now relax open your eyes and start your visual dream Looking at Japan **Unbeaten Tracks in Japan** Isabella L. Bird, 2019-11-19 In *Unbeaten Tracks in Japan* Isabella L Bird presents a vivid and captivating narrative that chronicles her adventurous journeys through the less traveled paths of Japan during the late 19th century Written in an engaging style that combines detailed observation with personal reflection Bird's work is a testament to her keen eye for both the natural landscapes and the intricate cultural tapestries she encounters The book emerges from the literary context of travel writing and cross cultural encounters demonstrating how the genre can simultaneously entertain and inform while challenging the Victorian era perceptions of the East Isabella L Bird was an intrepid traveler and a pioneering female explorer whose experiences were shaped by her unconventional background and adventurous spirit Born in 1831 in Yorkshire England she defied societal norms by traversing remote territories often as one of the few women among her contemporaries Her travels were not only a means of escape from the constraints of Victorian society but also a way to explore her fascination with other cultures which deeply influenced her descriptive and empathetic writing style *Unbeaten Tracks in Japan* is a remarkable exploration that deserves a place on the shelf of every travel literature enthusiast Bird's personal anecdotes and acute observations will resonate with readers seeking an authentic account of Japan's rural charm and cultural richness As a historical document it not only invites readers to immerse themselves in a bygone era but also inspires a deeper appreciation for the complexities of cultural exchanges Look Japan, 1993 *Marketing in Japan* Ian Melville, 2012-05-23 *Marketing in Japan* is ideal for executives wanting a hands on guide to entering the Japanese market If you are already operating any kind of business venture either in Japan or with Japan or if you hope to do so in the future this book is for you It provides business people with all the necessary information about business including marketing and distribution in Japan Few Westerners have as thorough and distinguished a background in different

areas of Japanese trade as Ian Melville in addition to several years of exporting to Japan he teaches Japanese business at Tokyo Sophia University completing a PhD in the subject at Tokyo University Marketing in Japan is an important book that will ensure that readers become well equipped to deal with increasing their business in Japan

Marriage and Marriageability Chigusa Yamaura, 2020-07-15 How do the Japanese men and Chinese women who participate in cross border matchmaking individuals whose only interaction is often just one brief meeting come to see one another as potential marriage partners Motivated by this question Chigusa Yamaura traces the practices of Sino Japanese matchmaking from transnational marriage agencies in Tokyo to branch offices and language schools in China from initial meetings to marriage the visa application processes and beyond to marital life in Japan Engaging issues of colonial history local norms and the very ability to conceive of another or oneself as marriageable Marriage and Marriageability rethinks cross border marriage not only as a form of gendered migration but also as a set of practices that constructs marriageable partners and imaginable marriages Yamaura shows that instead of desiring different others these transnational marital relations are based on the tactical deployment of socially and historically created conceptions of proximity between Japan and northeast China Far from seeking to escape local practices participants in these marriages actively seek to avoid transgressing local norms By doing so on a transnational scale they paradoxically reaffirm and attempt to remain within the boundaries of local marital ideologies

Japan in East Asia Wendy Dobson, 1993 The organization of this study reflects the importance of such strategic factors as determinants of trade and investment Chapter 2 focuses on the home environment of Japanese firms and with comparisons drawn with the US economy illustrate how as the economy has restructured and modernized in the post war period firm behaviour has evolved too Chapter 3 is an assessment of the concept of strategic behaviour of governments and firms what it might look like and how it matters to trade and investment Chapter 4 focuses on an examination of East Asian trade patterns with Japan and their evolution while Chapter 5 focuses through firm level comparisons and surveys on patterns of FDI in particular on production networks in the region Regression analysis is used in Chapter 6 to test for the significance of strategic behaviour by governments as a determinant of FDI

Entrepreneurship and Elections in Japan Takashi Oka, 2011-04-22 Ozawa Ichir is one of the most important figures in Japanese politics having held the positions of Chief Secretary of the Liberal Democrat Party and after defection from the LDP President of the Democratic Party of Japan Ozawa has distinctive ideas that set him apart from the average Japanese politician he believes in the concept of the independence of the individual as opposed to the importance of the group and as a policy entrepreneur he has had a huge impact on political change not only advocating but precipitating institutional change in a key political area the election system Using extensive interview data from key players in the political arena this book examines Ozawa s struggle to normalize alternation in office between two competing political parties particularly significant given the results of the 2009 election which handed over power to the Democratic Party of Japan and how he has used his entrepreneurial talents to precipitate and carry out institutional change Not only a political biography but also an in depth analysis of the Japanese political and electoral systems this book will be of huge interest to anyone interested in Japanese politics and electoral systems The Japanese Today Edwin Oldfather Reischauer, Marius B. Jansen, 1995 Japan like the rest

of the world has undergone enormous changes in the last few years The impact of the end of the Cold War has combined with a worldwide recession to create a fluid situation in which long held assumptions about politics and policies no longer hold A classic short history of Japan this book has been brought up to date by Marius Jansen now our most distinguished interpreter of Japanese history Jansen gives a lucid account and analysis of the events that have rocked Japan since 1990 taking the story through the election of Murayama as prime minister About the previous edition With the two thousand year history of the Japanese experience as his foundation Edwin O Reischauer brings us an incomparable description of Japan today in all its complexity and uniqueness both material and spiritual His description and analysis present us with the paradox that is present day Japan thoroughly international depending for its livelihood almost entirely on foreign trade its products coveted everywhere yet not entirely liked or trusted still feared for its past military adventurism and for its current economic aggressiveness Reischauer begins with the rich heritage of the island nation identifying incidents and trends that have significantly affected Japan s modern development Much of the geographic and historical material on Japan s earlier years is drawn from his renowned study *The Japanese* but the present book deepens and broadens that earlier interpretation our knowledge of Japan has increased enormously in the intervening decade and our attitudes have become more ambivalent while Japan too has changed often not so subtly Moving to contemporary Japanese society Reischauer explores both the constants in Japanese life and the aspects that are rapidly changing In the section on government and politics he gives pithy descriptions of the formal workings of the various organs of government and the decision making process as well as the most

contentious issues in Japanese life pollution nuclear power organized labor and the elusive matter of political style In what will become classic statements on business management and organization Reischauer sketches the early background of trade and commerce in Japan contrasts the struggling prewar economy with today s assertive manufacturing and brilliantly characterizes the remarkable postwar economic miracle of Japanese heavy industry consumer product development and money management In a final section Japan and the World he attempts to explain to skeptical Westerners that country s growing and painful dilemma between neutrality and alignment between trade imbalance and fair practices and the ever vexing issue of that embodiment of Japanese specialness a unique and difficult language that affects personal and national behavior

Looking At Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Looking At Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Looking At Japan has opened up a world of possibilities. Downloading Looking At Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Looking At Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Looking At Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Looking At Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Looking At Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Looking At Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
