The Bookseller ,1981 **Walking the Streets of Eighteenth-Century London** Clare Brant,Susan E. Whyman,2009-01-15 Walking the Streets of Eighteenth Century London will entertain and inform all who are interested in literature history and the city of London This unique book invites the reader to walk along the dirty crowded and fascinating streets of eighteenth century London in an unusual way Nine leading experts from the fields of literature history classics

gender biography geography and costume offer different interpretations of John Gay's poem *Trivia or the Art of Walking the Streets of London* 1716 The poem a lively funny and thought provoking statement about urban life accompanies the essays in a new edition with comprehensive notes The introduction paints a vibrant picture of London in 1716 depicting Gay's fascinating life and literary world offering an invaluable guide to the poem Together these elements allow the heat grime and smells of the underbelly of eighteenth century London come alive in new ways *Walking Cities: London* Jasper Joseph-Lester, Simon King, Amy Blier-Carruthers, Roberto Bottazzi, 2020-05-12 *Walking Cities* London second edition brings together a new interdisciplinary field of artists writers architects musicians human geographers and philosophers to consider how a city walk informs and triggers new processes of making thinking researching and communicating In particular the book examines how the city contains narratives knowledge and contested materialities that are best accessed through the act of walking The varied contributions take the form of short stories illustrated essays personal reflections and accounts of walks both real and fictional While artist and RCA tutor Rut Blees Luxemburg and philosopher Jean Luc Nancy recount a nocturnal journey from Shoreditch to the City of London architect Peter St John of the practice Caruso St John offers a detailed and personal reflection on the Holloway Road and architect and author Douglas Murphy examines what he calls London's more politically charged locations in his account of a solitary walk through an area of South London Ultimately *Walking Cities* London seeks to understand the wider significance of changing geographies to generate critical questions and creative perspectives for navigating the social and political impact of rapid urban change *The Illustrated London News*, 1921 *Transport, Climate Change and the City* Robin Hickman, David Banister, 2014-02-05 Sustainable mobility has long been sought after in cities around the world particularly in industrialised countries but also increasingly in the emerging cities in Asia Progress however appears difficult to make as the private car still largely fuelled by petrol or diesel remains the mainstream mode of use Transport is the key sector where carbon dioxide CO2 emissions seem difficult to reduce *Transport Climate Change and the City* seeks to develop achievable and low transport CO2 emission futures in a range of international case studies including in London Oxfordshire Delhi Jinan and Auckland The aim is that the scenarios as developed and the consideration of implementation and governance issues can help us plan for and achieve attractive future travel behaviours at the city level The alternative is to continue with only incremental progress against CO2 reduction targets to sleepwalk into climate change difficulties oil scarcity a poor quality of life and to continue with the high traffic casualty figures The topic is thus critical with transport viewed as central to the achievement of the sustainable city and reduced CO2 emissions *RIBA Journal* Royal Institute of British Architects, 1978 **Avery Index to Architectural Periodicals. 2d Ed., Rev. and Enl** Avery Library, 1993 *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Benesch, François Specq, 2016-08-31 This book gathers together an array of international scholars critics and artists concerned with the issue of walking as a theme in modern literature philosophy and the arts Covering a wide array of authors and media from eighteenth century fiction writers and travelers to contemporary film digital art and artists books the essays collected here take a broad literary and cultural approach to the art of walking which has received considerable interest due to the burgeoning field of mobility studies Contributors demonstrate how walking far from constituting a simplistic naïve or transparent cultural script allows for complex visions and reinterpretations of a human's relation to modernity introducing us to a world of many different and changing realities Walking London's Medical History Second Edition Nick

Black, 2021-09-01 Highly Commended BMA Medical Book Awards 2013 The history of health care is complex confusing and contested It involves more than just the creation of hospitals and dispensaries infirmaries and health centers There are also royal colleges trades unions medical schools nurses homes coroners courts nursing sisterhoods ambulance stations patients organizations and medical missions Usually to enhance our understanding we sit and read books or nowadays surf the Internet But it's more fun to go out visit the buildings where events unfolded and transport yourself back in time The story of how health care has developed from medieval times to the present day is told through seven walks in central London each with a key theme such as Competition between the church crown and city for control Changing fortunes of particular districts Radical reform between 1840 and 1880 Individual creativity and entrepreneurship Hospitals unavoidable choice between merger or migration Transformation of health care trades into professions Development of primary care The book takes as much interest in one of the six ambulance stations built in 1915 by the London County Council as it does in the grandest teaching hospital Although some important buildings have been destroyed and others are threatened many remain The walks aim to help preserve our legacy as increasingly former health care buildings are converted into hotels offices homes and shops Awareness of their original functions is in danger of being lost The book also aims to increase our understanding of the current challenges we face in trying to improve health care For there are many lessons to be learnt from the past Packed full of curious and surprising facts about medicine and beautifully illustrated with maps photographs and images this is the perfect guide book for anyone with a passion for urban walks the history of London and of course medicine Country Life ,1904 **The City: Or, the Physiology of London Business; with Sketches On'Change, and at the Coffee Houses. [By David Morier Evans.]** London, 1845 Illustrated London and Its Representatives of Commerce ,1893
