Hayes,2025-11-04 Your shoes are trying to tell you something and it's not just about fashion Every slip ache or loosened lace is a message from the ground up a signal that something in your setup could be smarter simpler and more effective Shoelace Engineering transforms one of life's most ordinary habits into a small daily art form blending biomechanics design thinking and simple tricks to make every step smoother If you've ever paused mid run to retie your laces felt pressure on your toes or ended a day with sore arches this book is for you Written in a practical conversational tone Shoelace Engineering reveals how tiny changes in how you lace tie and tension your shoes can dramatically improve comfort posture and endurance without buying anything new The Moments in Between Anthony M. Pesola,2015-02-06 This book was originally a blog

diary I decided to bring it together as a story not quite exactly my story but bits and pieces of it so other people living with these emotions of obsession and devotion obliteration etc can know they are not alone Very few people know how to deal with these feelings especially if they are feeling them for the first time This story was definitely my first time feeling this and I was definitely lost I poured my heart out into this book and wrote most of it while I was having these emotions not out of memory They are very raw pure and I did my best not to censor my thoughts so the reader can feel the pureness of the mind I definitely exaggerated but only where I felt necessary Nothing is exact Characters may or may not have actually existed and

may have been invented to provide for the plot All of this situations in this book even though they may be based on real life events are entirely fictional Any and all emotions may have been exaggerated The obsessive feelings and thoughts have definitely been exaggerated for the drama and tension of the book This book does not contain advice It is merely an experience Something I feel everyone should go through that no one deserves Its a whole other kind of pain from physical
