Louis Süe Susan Day,1986      Louis Sue Susan Day,1986      **Louis I. Kahn's Jewish Architecture** Susan G. Solomon,2015-05-01 In 1961 famed architect Louis I Kahn 1901 1974 received a commission to design a new synagogue His client was one of the oldest Sephardic Orthodox congregations in the United States Philadelphia s Mikveh Israel Due to the loss of financial backing Kahn s plans were never realized Nevertheless the haunting and imaginative schemes for Mikveh Israel remain among Kahn s most revered designs Susan G Solomon uses Kahn s designs for Mikveh Israel as a lens through which to examine the transformation of the American synagogue from 1955 to 1970 She shows how Kahn wrestled with issues that challenged postwar Jewish institutions and evaluates his creative attempts to bridge modernism and Judaism She argues that Kahn provided a fresh paradigm for synagogues one that offered innovations in planning decoration and the incorporation of light and nature into building design      *Encyclopedia of Interior Design* Joanna Banham,1997-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company      Archives d'architecture du XXe siècle Institut français d'architecture,1991      **1st International Symposium 'Education in Interior Architecture' in the Year of German-Turkish Research, Education and Innovation** Pelin Yildiz,2016-06-22 This volume presents a multifaceted analysis of joint collaboration in German and Turkish institutes in the field of interior architecture It explores the importance of increasing and diversifying such joint endeavours and of ensuring the long term collaboration of the governments in both countries by giving support to high quality young scientists It also stresses the pivotal role to be played by binary collaboration between science and education As such the book will serve to build and strengthen the cooperative facilities between Germany and Turkey on behalf of research education and innovative studies In addition it discusses how future studies in this area can attract potential students through integrated studies hosted by both Germany and Turkey      **The Visual Dictionary of Interior Architecture and Design** Michael Coates,Graeme Brooker,Sally Stone,2009-01-29 A guide to the many and varied terms used frequently within interior architecture and design      The Architects: Louis Kahn Charles L. Mee Jr.,2018-03-21 Louis Kahn s monolithic buildings defied convention and defined an era Like the architect himself his structures were both complex and simplistic expressing an underlying strength while displaying a singularly bold vision Here in this short form book by award winning author Charles L Mee Jr is Kahn s extraordinary story      **The Musical Work of Nadia Boulanger** Jeanice Brooks,2013-04-25 Nadia Boulanger composer critic impresario and the most famous composition teacher of the twentieth century was also a performer of international repute Her concerts and recordings with her vocal ensemble introduced audiences on both sides of the Atlantic to unfamiliar historical works and new compositions This book considers how gender shaped the possibilities that marked Boulanger s performing career tracing her meteoric rise as a conductor in the 1930s to origins in the classroom and the salon Brooks investigates Boulanger s promotion of structurally motivated performance styles showing how her ideas on performance of historical repertory and new music relate to her

teaching of music analysis and music history The book explores the way in which Boulanger s musical practice relied upon her understanding of the historically transcendent masterwork in which musical form and meaning are ideally joined and shows how her ideas relate to broader currents in French aesthetics and culture      **Journal of the American Institute of Architects** ,1920
