Louis Rose San Diego's First Jewish Settler And Entrepreneur:

Louis Rose, San Diego's First Jewish Settler and Entrepreneur Donald H. Harrison, 2005 Louis Rose an Old World immigrant came to San Diego in 1850 and was one of the key figures who helped to shape the region This comprehensive biography addresses not only the founding of Jewish institutions in San Diego but how Rose helped to develop secular institutions as well Exodus from the Alamo Phillip Thomas Tucker, 2020-01-10 The award winning historian provides a provocative new analysis of the Battle of the Alamo including new information on the fate of Davy Crockett Contrary to legend we now know that the defenders of the Alamo during the Texan Revolution died in a merciless predawn attack by Mexican soldiers With extensive research into recently discovered Mexican accounts as well as forensic evidence historian Phillip Tucker sheds new light on the famous battle contending that the traditional myth is even more off base than we thought In a startling revelation Tucker uncovers that the primary fights took place on the plain outside the fort While a number of the Alamo's defenders hung on inside most died while attempting to escape Capt Dickinson with cannon atop the chapel fired repeatedly into the throng of enemy cavalry until he was finally cut down The controversy surrounding Davy Crockett still remains though the recently authenticated diary of the Mexican Col Jos Enrique de la Pe a offers evidence that he surrendered Notoriously Mexican Pres Gen Antonio Lopez de Santa Anna burned the bodies of the Texans who had dared stand against him As this book proves in thorough detail the funeral pyres were well outside the fort that is where the two separate groups of escapees fell on the plain rather than in the Alamo itself *San Diego* Iris Wilson Engstrand, 2005 A comprehensive history of San Diego from the time of the indigenous people to the controversial mayoral election of 2004 Chapters cover the Spanish Mexican Victorian WWI and WWII eras and the post war boom Includes a 25 page chronology of events plus bibliography and index **The Jews' Indian** David S. Koffman, 2019-02-08 Winner of the 2020 Jordan Schnitzer Book Award in Social Science Anthropology and Folklore Honorable Mention 2021 Saul Viener Book Prize The Jews Indian investigates the history of American Jewish relationships with Native Americans both in the realm of cultural imagination and in face to face encounters These two groups exchanges were numerous and diverse proving at times harmonious when Jews and Natives people's economic and social interests aligned but discordant and fraught at other times American Jews could be as exploitative of Native cultural social and political issues as other American settlers and historian David Koffman argues that these interactions both unsettle and historicize the often triumphant consensus history of American Jewish life Focusing on the ways Jewish class mobility and civic belonging were wrapped up in the dynamics of power and myth making that so severely impacted Native Americans this book is provocative and timely the first history to critically analyze Jewish participation in and Jews grappling with the legacies of Native American history and the colonial project upon which America rests The War Criminal's Son Jane Singer, 2019-05 The War Criminal's Son brings to life hidden aspects of the Civil War through the sweeping saga of the firstborn son in the infamous Confederate Winder family who shattered family ties to stand

with the Union Gen John H Winder was the commandant of most prison camps in the Confederacy including Andersonville When Winder gave his son William Andrew Winder the order to come south and fight desert or commit suicide William went to the White House and swore his allegiance to President Lincoln and the Union Despite his pleas to remain at the front it was not enough Winder was ordered to command Alcatraz a fortress that became a Civil War prison where he treated his prisoners humanely despite repeated accusations of disloyalty and treason because the Winder name had become shorthand for brutality during an already brutal war John Winder died before he could be brought to justice as a war criminal Haunted by his father's villainy William went into a self imposed exile for twenty years and eventually ended up at the Rosebud Reservation in South Dakota to fulfill his longstanding desire to better the lot of Native Americans In The War Criminal's Son Jane Singer evokes the universal themes of loyalty shame and redemption in the face of unspeakable cruelty **Southern California Quarterly** ,2006 *Western States Jewish History* ,2006 **Born a Slave, Died a Pioneer** Seth

Mallios,2019-11-01 Spectacular recent discoveries from the Nathan Harrison cabin site offer new insights and perspectives into the life of this former slave and legendary California homesteader In many ways it is a quintessential American story because of the fact that slavery was the American story Julia A King St Mary's College of Maryland Few people in the history of the United States embody ideals of the American Dream more than Nathan Harrison His is a story with prominent themes of overcoming staggering obstacles forging something from nothing and evincing gritty perseverance In a lifetime of hard won progress Harrison survived the horrors of slavery in the Antebellum South endured the mania of the California Gold Rush and prospered in the rugged chaos of the Wild West From the introduction According to dozens of accounts Harrison would routinely greet visitors to his remote Southern California hillside property with the introductory quip I'm Nate the first white man on the mountain This is by far the most common direct quote in all of the extensive Harrison lore If it is possible to get past current day shock and outrage over the inflammatory racial epithet one can begin to contextualize and appreciate the ironic humor ethnic insight and dualistically crafted identities Harrison employed in this profound statement
