Washington Post as one of fashion's brainiest women. Derided by some as frivolous even dangerous and celebrated by others as art, fashion is anything but a neutral topic. Behind the hype and the glamour is an industry that affects all cultures of the world. A potent force in the global economy, fashion is also highly influential in everyday lives even amongst those who may feel impervious. This handy volume is a one-stop reference for anyone interested in fashion: its meaning, history and theory. From Avedon to Codpiece, Dandyism to the G String, Japanese Fashion to Subcultures, Trickle down to Zoot Suit, The Berg Companion to Fashion provides a comprehensive overview of this most fascinating of topics and will serve as the benchmark guide to the subject for many years to come. *USA Photography Guide*, 1999. The Fashion Lover's Guide to Milan. Rachael Martin, 2022-10-04. Milan is the European fashion capital with one of the world's most unique luxury fashion districts where the leaders of some of the most exclusive fashion houses are still living and working today. It's the Italian city whose skyline has changed more than any and whose fashion industry has extended to encompass the worlds of design, restaurants, bars, exhibition spaces, hotels and more. Whether you're looking for designer labels within the city's luxury fashion district, prefer to browse the city's boutiques or pick up some quality vintage at the city's vintage shops and markets, this is the guide that will tell you where to go. Split into geographical sections along with relevant maps, cultural highlights and suggestions for where to eat and drink, it places Milan as the city of fashion within the context of Italian fashion history and a city that brings the stories of its people to life. Why did Milan become Italy's fashion capital? And what does it offer the fashion lover as a city today? Oral History and Photography. A. Freund, A. Thomson, 2011-10-24. This book collects original research essays to explore the diverse uses of photographs and photography in oral history from the use of photos as memory triggers to their deployment in the telling of life stories. The book's contributors include both oral historians and photography scholars and critics.
