Love & Tradition Egon Mayer, 2013-11-11      **Love and Tradition** Egon Mayer, 1985      Introduction to Jewish-Christian Relations Michael Shermis, Arthur E. Zannoni, 2003-12-19 In recent decades Christians and Jews are beginning to ask questions about one another's traditions to break down centuries old barriers of prejudice and to explore not only our differences but our similarities of faith as well. This book walks the reader through rich but controversial terrain: the Bible, the Holocaust, the state of Israel, anti-Judaism, theology, Christology, intermarriage, feminism, and approaches to education. In each area the reader is asked to listen, to be open, to stretch, and to wrestle with the deeply felt beliefs that unite as well as divide us. The authors representing Jewish, Protestant, and Catholic traditions introduce the reader to the terms, content, and intricacies of interreligious dialogue, the quest for better relations among all those who worship the God of Abraham and Sarah.

**Interfaith Marriage in America** E. Seamon, 2012-11-09 Seamon explores the historical, theological, and societal dynamics of religious intermarriage as a way to introduce scholars to the myriad of factors that have contributed and will continue to contribute to the complete transformation of religion and Christianity in the twenty-first century.

**The Jews of the United States, 1654 to 2000** Hasia R. Diner, 2006-05-30 Annotation: A history of Jews in America that is informed by the constant process of negotiation undertaken by ordinary Jews in their communities who wanted at one and the same time to be good Jews and full Americans.

**Teaching Jewish Life Cycle** Barbara Binder Kadden, Bruce Kadden, 1997 Background information on every stage of life covers every Jewish life cycle event from birth to death; insights from Jewish tradition; hundreds of creative activities for all ages.

**The A-Z of Intermarriage** Denise Handlarski, 2020-01-29 Most Jewish communities continue to cite intermarriage as the most serious threat to Jewish continuity. Contrary to this view, *The A-Z of Intermarriage* reveals that intermarriage is a force for good in the lives of Jewish families and communities. Written by Rabbi Denise Handlarski, an intermarried rabbi, *The A-Z of Intermarriage* is part story, part strategy, and all heart. Fun to read and full of helpful and practical tips and tools for couples and families, this book is the perfect how-to manual for living a happy and balanced intermarried life.

Making Our Way to Shore Eileen O'Farrell, 2004 Since 1991 members of the Jewish Catholic Couples Dialogue Group in Chicago have celebrated a combination Hebrew Baby Naming and Baptism ceremony as they welcome their children into the world with the support and participation of a Catholic Priest and Reform Rabbi. These ceremonies are spiritual moments created in the spirit of finding new pathways for interfaith families to share in their religious traditions. For some couples, their ceremony makes a statement about the religious identity of their child, either in one tradition or another. For others, it is an expression of thanks to God for new life and the wish to ask for God's blessing on their family. In either case, the celebration is an authentic manifestation of a Divine presence in their new family. In addition to the ceremony, this text includes an overview of the current literature regarding Catholic-Jewish families, a review of Hebrew Rites of Initiation, as well as a short course on Catholic sacramentality and Baptism, commonly asked questions, and answers.

facing Catholic Jewish couples a lively conversation between a Rabbi and a Priest regarding rites of initiation a resource section of books and websites and a closing chapter on topics of family faith formation      **Continuity and Change** Steven T. Katz, Steven Bayme, 2012-07-10 This collection of essays was inspired by the desire to create a suitable tribute to Dr Irving Greenberg Dr Greenberg has been one of the truly major figures in the American Jewish community for the past forty years A community activist and a theologian of distinction he has influenced not only the practical direction of Jewish life especially through his work with the leadership of Jewish Federations throughout the country but also the shape of contemporary Jewish thought through his writings on the Holocaust the State of Israel and traditional Jewish themes The outstanding list of authors who have contributed to this volume writing on central issues in traditional and modern Jewish thought and history are a testimony to Dr Greenberg s repercussive presence and theological contribution Those interested in the contemporary American Jewish community and the nature and shape of modern Jewish thought at the beginning of the new millennium will find this a valuable thought provoking addition to their libraries      *From Jewish Prophet to Gentile God* Maurice Casey, 1991-01-01 In *From Jewish Prophet to Gentile God* Maurice Casey suggests a new theory as to why New Testament Christology developed as it did In making his argument Casey pays particular attention to the culture of Jesus and the earliest Christians
