Love At Last:

Making Love Last Laura Taggart, 2017-07-04 With thirty years of experience as a licensed marriage and family therapist Laura Taggart understands the unique struggles of newly married couples who find marriage much more difficult than they imagined. Failed expectations, unanticipated conflict and disagreements about money, sex, children and more have many young couples assuming they made a mistake, married the wrong person or just weren't ready. As a result, one third of all married couples divorce before their ten year anniversary. In this practical and hopeful book Taggart offers the wisdom and help she would share as a counselor with a couple beginning their marriage. She helps couples examine their true expectations for marriage, provides six action steps for improving the way couples relate and gives couples a new picture of what it means to enjoy marriage for a lifetime. Each chapter includes discussion questions for couples or small groups as well as additional questions for personal reflection.

Love's Last Pledge Jo Spencer, 2013-02-22 Dr. Drake happily finished med school and moved home to Texas, accepting a job at the hospital. Life was good until his parents die in a tragic car accident. He meets the love of his life as he is contemplating suicide. Life became good again now that he had a reason to live and love again. That is until she dies suddenly and he loses all grip on reality and making a promise to fix everything and only in his own mind is she still alive. That's when his sadistic behaviors began to reveal themselves.

Can Love Last? Stephen A. Mitchell, 2003-02-17 A beautiful and brilliant reexamination of love and its perils. Barbara Fisher, Boston Globe. Common wisdom has it that love is fragile but leading psychoanalyst Stephen A. Mitchell argues that romance doesn't actually diminish in long term relationships; it becomes increasingly dangerous. What we regard as the transience of love is really risk management. Mitchell shows that love can endure if only we become aware of our self-destructive efforts to protect ourselves from its risks. Those who read this book will love more wisely because of it. Andrew Solomon, author of *The Noonday Demon*. A work on romance that is rich and multi-layered. Publishers Weekly. Cheerful, open and humane, you'd definitely have wanted him as your analyst. Judith Shulevitz, *The New York Times Book Review*. Thoughtful, compassionate and profoundly optimistic. JoAnn Gutin, *Salon.com*.

How to Make Love Last Forever Norman E. Lyons, 2022-01-11 Love, a word that is so commonly used but yet so elusive and seldom found or experienced by many people. True love accomplished is something that has been worked on constantly. It takes total commitment by two people to attain and maintain a loving, happy, healthy, fulfilling relationship. To keep the passionate, fervent romance that you experienced in the beginning takes a great deal of work. The keys that I've found that work for me are commitment, communication, trust, honesty and a willingness to compromise and to value your spouse. And as

the old adage goes treat others as you would like to be treated if we would do that to one another many relationships will be able not too only survive but thrive I saw this type of relationship with my mother in law and father in law They were married for seventy two happy and blessed years before the passing of my father in law It is my relationship with my wife that has inspired me to write this short but direct book We have experienced so far forty two years of a beautiful loving relationship and looking forward to many more God s will Marriage is a beautiful institution established and blessed by God and is honorable in all For more information or to book for speaking engagements and seminars please contact me [Four Songs](#)
