Victorian era to the present day The Magician Colm Toibin, 2021 The Magician opens at the turn of the twentieth century in a provincial German city where the young boy Thomas Mann grows up with a conservative conventional father and a Brazilian mother exotic and unpredictable who will never fit in He hides both his artistic aspirations and his homosexual desires from this father and his sexuality from everyone He longs for the charismatic beautiful rich cultured young Jewish man but marries his twin sister He longs for a boy he sees on a beach in Venice and writes a novel about him He has six children He is the most successful novelist of his time He wins the Nobel Prize and is expected to lead the condemnation of Hitler His oldest daughter and son share lovers They are leaders of Bohemianism and of the anti Nazi movement This stunning combination of German propriety and Bohemian revolution goes hand in hand for decades We see the rise of Hitler the forced exile of a swath of German writers and artists Mann's narrow escape to America his sojourn at Princeton along with fellow exile Einstein and his final move to LA in the late 40s where he presided over an astonishing community of writers artists and musicians including Brecht and Schoenberg even as his children court tragedy To call this a portrait of an artist is both reductive and true it is a novel about a character and a family fiercely engaged by the world profoundly flawed and as flamboyant as it's possible to be Vinegar Hill Colm Tóibín, 2022-04-12 From the New York Times best selling author of Brooklyn Colm Tóibín's first collection of poetry explores sexuality religion and belonging through a modern lens Fans of Colm Tóibín's novels including The Magician The Master and Nora Webster will relish the opportunity to re encounter Tóibín in verse Vinegar Hill explores the liminal space between private experiences and public events as Tóibín examines a wide range of subjects politics queer love reflections on literary and artistic greats living through COVID and facing mortality The poems reflect a life well traveled and well lived from growing up in the town of Enniscorthy wandering the streets of Dublin and crossing the bridges of Venice to visiting the White House readers will travel through familiar locations and new destinations through Tóibín's unique lens Within this rich collection of poems written over the course of several decades shot through with keen observation emotion and humor Tóibín offers us lines and verses to provoke ponder and cherish *The Novel* Michael Schmidt, 2014 With contributions from Great Britain Ireland America Canada Australia India and Southern Africa influenced by great novelists working in other languages and encompassing a range of genres the story of the novel in English unfolds like a richly varied landscape that invites exploration rather than a linear journey *Reading the Contemporary Author* Alison Gibbons, Elizabeth King, 2023-12 Readers literary critics and theorists alike have long demonstrated an abiding fascination with the author both as a real person an artist and creator and as a theoretical concept that shapes the way we read literary works Whether anonymous pseudonymous or trending on social media authors continue to be an object of critical and readerly interest Yet theories surrounding authorship have yet to be satisfactorily updated to register the changes wrought on the literary sphere by the advent of the digital age the recent turn to autofiction and the current literary climate more generally In Reading the Contemporary Author the contributors look back on the long history of
