Wandering and Welcome Joseph Grant, 2019-10-30 Feeling unsettled or searching for peace Looking for a new way to find hope Every searching heart needs this book Times are difficult Joseph Grant's meditative delivery wraps his reader in hope tenderness and gratitude Wandering and Welcome is a beacon of poetic kindness rooted in honesty Scripture and truth You'll want to call loved ones and read pieces to them aloud Some pages will make you sigh in astonishment some will cause you to pause in revelation and others will bring tears of joy and appreciation If a book could be both giant reality check and tender hug all wrapped in one this would be it Amid the tumult of these frenzied times contemplative living does not propose an escape from our very real practical and sometimes intractable problems On the contrary it suggests a way of being still while still being in the storms that rage all around and within us Seasoned by tears of joy and lament prayer centered presence invites us to welcome the whole world by drawing it into our heart center Here theology mixes with theater and prophetic action with poetry as walls come tumbling down making way for wonder woe and well being from the introduction

The Soul of an Educator David H. Maxwell, 2015-12-18 In 1 Corinthians 13 4 7 Love is defined This is a real applicable and genuine definition of love As a public school administrator I have learned that relationships are crucial for students to be successful in school especially for those students for whom school has been challenging If educators use love as the guiding force when teaching interacting working with and disciplining students that can often be the deciding factor that keeps a student returning to a school or engaged in a class The Soul of an Educator is intended for anyone who works with or comes into contact with children on a regular basis teachers counselors janitors custodians bus drivers administrators and parents This book explains how to use love when building relationships with students and the positive results that occur Won't He Do It? God Can Do It Just Like That! Ellis O. Henderson EdD MDiv, 2020-10-19 This book is not for everyone It is important that I say that because there is a notion that we are monolithic and everyone has to agree This book is for those who know who HE is I am watching Deon Cole who is an actor on the show Black ish and a comedian He was doing his stand up and he was joking about Black folk saying Won t He do it During the show he asked a white attendee who was HE and the boy didn t know Brilliantly he explained to the white doer who HE he was and told him to reply appropriately When Black people hear Won t He do it immediately they reply YES HE WILL Cole explained this to the white gentlemen and spoke into the mic and said Won t HE do it and the white man replied YES HE WILL The audience laughed and applauded Therefore this book is for those who know who HE is This book is for those who know how to reply YES HE WILL More importantly this book is for those who want to know who HE is and why is that HE to many people is God Not that God has to be a man or masculine but God as the Ultimate authority The authority in which Mom would say Wait until you Daddy gets home He is that authoritative figure that would make things wrong right He is a Creator and the God of the Universe and God of all Gods Won t HE do it is a phrase born out of the experience of the African American Church The African American Church is the parent of the current Church worship and style in America Enslaved African created their own worship culture and fellowship that has stood the test of time
