Love 31 Reflections On Christian Virtue:

Love Carl Koch, 1996 If we believe in God's love for us perhaps we will believe in our own ability to love We pray to accept the grace to love May each of these thirty one days of prayer for love challenge invite inspire and inform us to love more fully wisely and well Humility Robert Morneau, 1997-01-01 This book of 31 days of reflections opens a door giving readers entrance for a moment into how some fellow pilgrims encounter the grace of humility It may be through their sharing of this virtue that readers may befriend it and wake up one day to find their feet walking down the humble path of God's love and mercy The Democratic Virtues of the Christian Right Jon A. Shields, 2009-02-02 The Christian Right is frequently accused of threatening democratic values But in The Democratic Virtues of the Christian Right Jon Shields argues that religious conservatives have in fact dramatically increased and improved democratic participation and that they are far more civil and reasonable than is commonly believed Shields interviewed leaders of more than thirty Christian Right organizations observed movement activists in six American cities and analyzed a wide variety of survey data and movement media His conclusions are surprising the Christian Right has reinvigorated American politics and fulfilled New Left ideals by mobilizing a previously alienated group and by refocusing politics on the contentious ideological and moral questions that motivate citizens Shields also finds that largely for pragmatic reasons the vast majority of Christian Right leaders encourage their followers to embrace deliberative norms in the public square including civility and secular reasoning At the same time Shields highlights a tension between participatory and deliberative ideals since Christian Right leaders also nurture moral passions prejudices and dogmas to propel their movement Nonetheless the Christian Right's other democratic virtues help contain civic extremism sharpen the thinking of activists and raise the level and tenor of political debate for all Americans

Virtue and the Moral Life William Werpehowski, Kathryn Getek Soltis, 2014-07-22 The scope of interest and reflection on
virtue and the virtues is as wide and deep as the questions we can ask about what makes a moral agent s life decent or noble
or holy rather than cruel or base or sinful or about the conditions of human character and circumstance that make for good
relations between family members friends workers fellow citizens and strangers and the sorts of conditions that do not
Clearly these questions will inevitably be directed to more finely grained features of everyday life in particular contexts
Virtue and the Moral Life Theological and Philosophical Perspectives takes up these questions In its ten timely and original
chapters it considers the specific importance of virtue ethics its public significance for shaping a society s common good the
value of civic integrity warfare and returning soldiers sense of enlarged moral responsibility the care for and agency of
children in contemporary secular consumer society and other questions involving moral failure humility and forgiveness

Reflections for Daily Prayer: Advent 2016 to Christ the King 2017 Steven Croft, Joanna Collicutt , Paula Gooder, Helen-Ann
Hartley, Libby Lane, Graham James, Helen Orchard, Angela Tilby, 2016-05-30 *Reflections for Daily Prayer* is a highly valued
daily Bible companion based on the Common Worship Lectionary Each day Monday to Saturday some of the very best writers
from across the Anglican tradition offer insightful informed and inspiring reflections on one of the day s readings for Morning
Prayer Their reflections will appeal to anyone who values both the companionship of daily Bible notes and the structure of
the Lectionary For every day excluding Sundays of the 2016 17 church year there are full references and a quotation from
the day s set of Scripture readings a concise but challenging commentary on the readings and a collect In addition the book
includes a simple order for morning and night prayer an introduction to the practice of daily prayer by Bishop John Pritchard
and a guide to reading the Bible reflectively by Bishop Stephen Cottrell *Imperial Visions of Late Byzantium* Florin
Leonte, 2019-11-27 Explores a Byzantine emperor s construction of authority with the help of his rhetorical texts Examines
the changes in the Byzantine imperial idea by the end of the fourteenth century with a particular focus on the
instrumentalization of the intellectual dimension of the imperial rule Integrates late Byzantine imperial visions into the bigger
picture of Byzantine imperial ideology Provides a fresh understanding of key pieces of Byzantine public rhetoric and
introduces analytical concepts from rhetorical literary and discursive theories Offers translations of key passages from late
Byzantine rhetoric Manuel II Palaiologos was not only a Byzantine emperor but also a remarkably prolific rhetorician and

theologian His oeuvre included letters treatises dialogues short poems and orations Florin Leonte deals with several of his texts shaped by a didactic intention to educate the emperor's son and successor John VIII Palaiologos He argues that the emperor constructed a rhetorical persona which he used in an attempt to compete with other contemporary power brokers While Manuel Palaiologos adhered to many rhetorical conventions of his day he also reasserted the civic role of rhetoric With a special focus on the first two decades of Manuel II Palaiologos rule 1391-1417 Leonte offers a new understanding of the imperial ethos in Byzantium by combining rhetorical analysis with investigation of social and political phenomena

The Priority of Love Timothy P. Jackson, 2021-06-08 This book explores the relation between agape or Christian charity and social justice Timothy Jackson defines agape as the central virtue in Christian ethical thought and action and applies his insights to three concrete issues political violence forgiveness and abortion Taking his primary cue from the New Testament while drawing extensively from contemporary theology and philosophy Jackson identifies three features of Christian charity unconditional commitment to the good of others equal regard for others well being and passionate service open to self sacrifice for the sake of others Charity prescribed by Jesus for his disciples and named by Saint Paul as the greatest theological virtue is contrasted with various accounts of justice Jackson argues that agape is not trumped by justice or other goods Rather agape precedes justice without the work of love society would not produce persons capable of merit demerit and contract the elements of most modern conceptions of justice Jackson then considers the implications of his ideas for several questions the nature of God the relation between Christian love and political violence the place of forgiveness and the morality of abortion Arguing that agapic love is to be construed as a gift of grace as well as a divine commandment Jackson concludes that love is the eternal life that makes temporal existence possible and thus the first Christian virtue Though foremost a contribution to Christian ethics Jackson's arguments and the issues he takes up will find a broader readership
