Love Hope Recovery:

Love, Hope & Recovery Joann E. Breeden, 1993-11-01 A former alcoholic describes her treatment and recovery offers encouragement to addicts to seek help and discusses rebuilding relationships and finding inner peace *Reconnected* Janine Stirling, 2019-04 Fragmented memories flashbacks emotional reactivity and somatic complaints are common features in the lives of trauma survivors These symptoms often leave one feeling disconnected and alone Sexual assault trauma leaves scars that frequently go unseen by the general public The effects however are lasting for the survivor and frequently impact a person's ability to engage fully in life and to navigate intimate relationships with ease Recovery from such experiences is challenging I sought treatment for two decades before stumbling upon a treatment approach that worked pelvic floor physiotherapy In my experience it was through this unconventional treatment approach that I was able to completely resolve all the post traumatic stress disorder symptoms I had lived with for decades This book is unique in that it details the ingredients that went into enabling my recovery In my experience it was a combination of the physiotherapist's person centred skills together with the muscle release approach we adopted that enabled success *Reconnected* offers hope to survivors It is written as a mix of a personal story combined with the many therapeutic approaches I tried prior to discovering the physiotherapy approach that worked The neuroscience explaining how and why trauma can be treated through the body already exists This research has been incorporated in the book to explain the success of the approach described This makes it appealing to academics healthcare professionals and people with experiences similar to my own To my knowledge very few people recover completely from the effects of complex trauma It is exciting to find a treatment approach that not only works but is a first of its kind in treating trauma of this nature in this way *Loving Through Addiction* Amberly White, 2025-02-19 *Loving Someone Through Addiction* Finding Strength Hope and Healing Loving someone who struggles with addiction is an emotional rollercoaster one filled with pain hope fear and deep unconditional love You may feel helpless lost or unsure of how to support them without losing yourself in the process This book is a guide for those who love an addict whether it's a spouse parent child sibling or friend Through personal stories practical advice and heartfelt encouragement you'll learn how to Love them without enabling destructive behavior Set healthy boundaries while maintaining compassion Find peace even when addiction creates chaos Prioritize your own mental and emotional well being Hold onto hope without unrealistic expectations Written with the insight of someone who has walked this path *Loving Someone Through Addiction* offers a message of strength understanding and resilience You are not alone in this journey Healing is possible not just for your loved one but for you as well Because loving them shouldn't mean losing yourself *Weight Wisdom* Kathleen Burns Kingsbury, Mary Ellen Williams, 2004-06 In this powerful guide Kingsbury and Williams equip readers with simple reflections vignettes and everyday analogies that they have successfully used with their own clients to counter destructive feelings and shatter distorted ideas of food and weight Pithy and positive statements replace
