The Loved One Evelyn Waugh, 2002 British expatriate Dennis Barlow is an aspiring poet who composes by day and works by night at the Happier Hunting Ground a local pet cemetery By chance he is called on to arrange a funeral for a fellow Brit a victim of the movie industry at the resplendent Whispering Glades Cemetery where he meets Aim e Thanatogenos the beautiful junior cosmetician and Mr Joyboy the senior mortician and the plot shifts into hilarious high gear **The Loved One** Evelyn Waugh, 2012-12-11 A work of art as rich and subtle and unnerving as anything Waugh has ever done satirizing 1940s California and the Anglo American cultural divide New Yorker Following the death of a friend the poet and pets mortician Dennis Barlow finds himself entering the artificial Hollywood paradise of the Whispering Glades Memorial Park Within its golden gates death American style is wrapped up and sold like a package holiday and Dennis gets drawn into a bizarre love triangle with Aim e Thanatogenos a naive Californian corpse beautician and Mr Joyboy a master of the embalmer's art Waugh's dark and savage satire depicts a world where reputation love and death cost a very great deal Fiendishly entertaining New York Times As a piece of writing it is nearly faultless as satire it is an act of devastation The New Republic Mr Waugh's treatment of his macabre material is uninhibited and wickedly funny as sadistic playful and decisive as a cat's paw on a mouse Alice S Morris New York Times Book Review *The Loved One, an Anglo-american Tragedy, by Evelyn Waugh. Illustrated by Stuart Boyle. [3rd Edition.].* Evelyn Waugh, 1950 *The Loved One, an Anglo-American Tragedy ; And, A Handful of Dust* Evelyn Waugh, 1976 The Loved One Following the death of a friend the poet and pets mortician Dennis Barlow finds himself entering the artificial Hollywood paradise of the Whispering Glades Memorial Park Within its golden gates death American style is wrapped up and sold like a package holiday and Dennis gets drawn into a bizarre love triangle with Aim e Thanatogenos a naive Californian corpse beautician and Mr Joyboy a master of the embalmer's art A Handful of Dust A novel that satirizes a certain stratum of English life where all the characters have money but lack practically every other credential The Loved One Evelyn Waugh, 1980 **The Loved One. An Anglo-American Tragedy....** Evelyn Waugh (romancier.), 1965 The Novel Michael Schmidt, 2014-05-12 With contributions from Great Britain Ireland America Canada Australia India and Southern Africa influenced by great novelists working in other languages and encompassing a range of genres the story of the novel in English unfolds like a richly varied landscape that invites exploration rather than a linear journey **Evelyn Waugh** Michael G. Brennan, 2013-02-14 Evelyn Waugh Fictions Faith and Family is a wide ranging survey of the prolific literary career of one of the most popular English writers of the 20th century Michael G Brennan here identifies three major themes as central to any understanding of Waugh's work Catholicism society and the concept of family From Decline and Fall published in 1928 to his final writings this book draws not only on the major novels and short stories but also Waugh's substantial journalistic output his private journals and correspondences and unpublished draft manuscripts Through this comprehensive and systematic exploration Brennan demonstrates the sustained creative importance of

Catholicism to Waugh's literary work In addition the book goes on to consider how Evelyn Waugh's descendants his son Auberon and his grandson Alexander Waugh have echoed and developed these literary concerns in their own writing

Complete Works of Evelyn Waugh: the Loved One EVELYN. POOLE WAUGH (PROF ADRIAN. POOLE, PROF ADRIAN.), Adrian Poole, 2024-04-23 This volume is part of the Complete Works of Evelyn Waugh critical edition which brings together all Waugh's published and previously unpublished writings for the first time with comprehensive introductions and annotation and a full account of each text's manuscript development and textual variants The edition's General Editor is Alexander Waugh Evelyn Waugh's grandson and editor of the twelve volume Personal Writings sequence A wicked book one reviewer called it Evelyn Waugh's eighth novel The Loved One 1948 represents a return to the pungent satirical manner from which its predecessor Brideshead Revisited three years earlier had deviated The prospect of Brideshead being turned into a film took its author to Los Angeles where he became more interested in Forest Lawn Memorial Park and its funeral rites than in Hollywood and its dreams of immortality Or rather obsessed his word about the relations between them Around these twin industries he spun a macabre fiction about an English poet and failed scriptwriter an ingenuous young American beautician and the master mortician for whom she works A strong supporting cast features the English ex-patriate community and the Hollywood Cricket Club the movie moguls and their henchmen and the devotees serving the fictional Whispering Glades The resulting story is one of Waugh's funniest yet it harbours an underlying gravity about the way the world or the West was going in the aftermath of global war The Loved One is deeply coloured by memories of war It may be concerned with the world of appearances to which Hollywood and Forest Lawn were dedicated but this does not make it superficial On the contrary Waugh subtitled it An Anglo American Tragedy but it can be just as well understood as the most mordant of comedies closer to the world of Samuel Beckett than of P G Wodehouse Or better an improbable combination of the two

mortality *Funeral Festivals in America* Jacqueline S. Thursby, 2021-11-21 When Evelyn Waugh wrote *The Loved One* 1948 as a satire of the elaborate preparations and memorialization of the dead taking place in his time he had no way of knowing how technical and extraordinarily creative human funerary practices would become in the ensuing decades In *Funeral Festivals in America* author Jacqueline S Thursby explores how modern American funerals and their accompanying rituals have evolved into affairs that help the living with the healing process Thursby suggests that there is irony in the festivities surrounding death The typical American response to death often develops into a celebration that reestablishes links or strengthens ties between family members and friends The increasingly important funerary banquet for example honors an often well lived life in order to help survivors accept the change that death brings and to provide healing fellowship At such celebrations and other forms of the traditional wake participants often use humor to add another dimension to expressing both the personality of the deceased and their ties to a particular ethnic heritage In her research and interviews Thursby discovered the paramount importance of food as part of the funeral ritual During times of loss individuals want to be consoled and this is often accomplished through the preparation and consumption of nourishing comforting foods In the Intermountain West Funeral Potatoes a potato cheese casserole has become an expectation at funeral meals Muslim families often bring honey flavored fruits and vegetables to the funeral table for their consoling familiarity and many Mexican Americans continue the tradition of tamale making as a way to bring people together to talk to share memories and to simply enjoy being together *Funeral Festivals in America* examines rituals for loved ones separated by death frivolities surrounding death funeral foods and feasts post funeral rites and personalized memorials and grave markers Thursby concludes that though Americans come from many different cultural traditions they deal with death in a largely similar approach They emphasize unity and embrace rites that soothe the distress of death as a way to heal and move forward [Ready for My Closeup](#) David M.
