of God's attraction to humanity and why he loves us so much. We will hopefully learn how the story of Elisha's Bones fit into the belief of another life beyond this one. It also informs us that one day there will be a resurrection of the righteous and unrighteous saved and unsaved. Proverbs chapter 7 reveals an interesting view on the Mistress Deception and helps us to realise that she always has ulterior motives. In the chapter of The Bell and the Pomegranate we will find from God's mirror that there is more to discover from the ordinary fruits and bells. Let these stories and more whet your appetite to desire to know more about the God of the whole earth who waits to enlighten your soul with his light and salvation through his Son Jesus Christ.

Dreams of the Son Tawanda Chingombe, 2017-06-07. The story focuses on the protagonist Mwana Mutota who is a descendant of an ancient bloodline of kings of the Great Stone Empire. The son is in constant conflict with his conscious and subconscious mind since in his dreams he finds solace and peace and this is embodied in the first scene The Castle in the Sky. This is unlike when he awakens and finds life futile and existential as evidenced by the second scene Return to the Earth Realm. Dreams therefore present the highest form of existence as one is in their truest form and bound by no rules sin or flesh and present the only peace in the protagonist's life. Life therefore revolves around the conflict of the internal the soul that is only free in dreams and the external the body that is trapped on earth that drives the protagonist to the brink of insanity as the plot unfolds. The Great Stone Empire presents an empire that through colonialism and corruption is economically and socially depleted to the point of widespread unemployment and poverty. Mwana Mutota or rather The Son as he prefers to call himself on the request of Chaminuka the guardian spirit of Nubian empires is crowned king under the wings of the premiere of the empire the last defiant Nubian leader against the west. The underlying battle of the story is of the sons of light versus the sons of darkness a story that began from the dawn of time and is still ongoing. This is embodied in Mwana Mutota the son of light and his battle with Adam the son of darkness the deadly assassin hell bent on ending Mwanas life. Gladys is Mwana Mutotas love and yet they have not seen in each other in years. The platonic relationship presents the struggle of pure love in a corrupted world and the desire to once more be together is Mwanas ultimate hope in life. Gladys is the descendant of the Mojaji queen who in a past life was married to the Mutota king and they were separated through conspiracy and treachery. Gladys Mojaji and Mwana Mutota therefore represent mediums of the greatest spirit of the empire which is Chaminuka and form part of his trinity and their reuniting in the Earth realm represents a return to a lost virtue in the universe of the highest form which is love. The last scene is called Return to Eden as it captures a pure and lost Nubian love as the bodies and souls of the Mutota and Mojaji king and queen once more reunite. A perfect harmony is restored in the universe and the two souls reunite in the spirit world. They walk hand in hand in the full allure of a spiritual garden full of the beauty of nature and the two embrace in the earth realm. And the story reaches an end for now.
