**Lovers in Essence** Sharon Krishek, 2022 Romantic love is a defining phenomenon in human existence and an object of heightened interest for literature art popular culture and psychology But what is romantic love and why is it typically experienced as so significant to our existence Using central ideas from the philosophy of S ren Kierkegaard as well as engaging with contemporary discussions in the philosophy of love this book explores the nature of romantic love and philosophically substantiates its meaningfulness to an individual s life It does so by developing a connection between love and selfhood here explained in terms of one s distinct individuality To be a self it is claimed is to possess a name that is an individual essence Further the book argues it is when we love that we regard people by their names we respond to who they truly are Accordingly the idea anchoring the book is that love is a correspondence between essences if Jane loves Edward she responds to him being who he is by virtue of her being who she is The conception of being thus correspondent has important implications as to the moral and spiritual value of romantic love Relying on Kierkegaard s analysis of the self of faith and of love even if sometimes in a

way that departs from Kierkegaard's explicit position the book explores these implications. By doing this it construes romantic love as a desirable phenomenon emotionally, morally, and spiritually. Giovanni Boccaccio: The Most Pleasant and Delectable Questions of Love Giovanni Boccaccio, 2017-12-06 This is a translation of Boccaccio's *Il libro di Difinitioni* first translated into English by H. G. probably Henry Grantham in London 1566. Giovanni Boccaccio 1313-21 December 1375 was an Italian author and poet, a friend, student, and correspondent of Petrarch, an important Renaissance humanist, and the author of a number of notable works including the *Decameron*, *On Famous Women*, and his poetry in the Italian vernacular. Boccaccio is particularly notable for his dialogue of which it has been said that it surpasses in verisimilitude that of virtually all of his contemporaries since they were medieval writers and often followed formulaic models for character and plot. *The Psychology of Love* Michele A. Paludi, 2012-03-09 From arranged marriages to online dating, this four-volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world. The field of biology views love as a hard-wired mammalian drive akin to thirst and hunger. In contrast, psychology views love from a social and cultural perspective where our drive to find love and our responses to it are highly dependent on societal norms. In *The Psychology of Love*, esteemed author and educator Michele A. Paludi examines love through all lenses, thereby providing readers a deeper understanding of the ways we can express caring, sensitivity, empathy, and respect toward one another. Each chapter in this comprehensive four-volume work includes a scholarly overview of empirical research and theories about the psychology of love. In addition, individuals' own definitions of love are included. Special attention is paid to accepted standards of love across a variety of cultures, the ways individuals express liking and love across the lifecycle, and patterns in dissolutions of friendships and romantic relationships, making note of gender and race differences.

**Chambers's Papers for the People**, 1851 **Chambers's papers for the people** Chambers W. and R., Ltd, 1851

**Chambers's Papers for the People** William Chambers, 1854 **Chaucer's Queer Poetics** Susan

Schibanoff, 2006-01-01 Geoffrey Chaucer was arguably fourteenth-century England's greatest poet. In the nineteenth century, readers of Chaucer's early dream poems, the *Book of the Duchess*, *House of Fame*, and *Parliament of Fowles*, began to detect a tripartite model of his artistic development from a French to an Italian and finally to an English phase. They fleshed out this model with the liberation narrative, the inspiring story of how Chaucer escaped the emasculating French house of bondage to become the generative father of English poetry. Although this division has now largely been dismissed, both the tripartite model and the accompanying liberation narrative persist in Chaucer criticism. In *Chaucer's Queer Poetics*, Susan Schibanoff interrogates why the tripartite model remains so tenacious even when literary history does not support it. Revealing deeply rooted Francophobic, homophobic, and nationalistic biases, Schibanoff examines the development paradigm and demonstrates that liberated Chaucer depends on antiquated readings of key source texts for the dream trilogy. This study challenges the long-held view that Chaucer fled the prison of effete French court verse to become the natural English father poet and charts

a new model of Chaucerian poetic development that discovers the emergence of a queer aesthetic in his work

**Dangerous Love** Michelle Howard, Zanica would do anything to escape her sadistic leader Even if it meant fleeing the only home she knew and mating with a total stranger The problem Fate dropped her into the path of one of the most ruthless males in the land with a reputation as dark and deadly as his eyes Pazir Catharte hadn t planned on mating when he left that morning for the final hunt of the season Stumbling upon a beautiful female at the edge of his territory changed everything He was the new leader of an unruly lot and problems had plagued him from the start Then the female leaped into his arms and bit him What else was he supposed to do

**Questions on Love and Charity** Thomas Aquinas,2016-04-26 A fresh translation of quaestiones from the Summa theologiae of Thomas Aquinas edited by Robert Miner This volume provides direct access to the medieval theologian s deepest thinking about the supreme goal of human life blessedness and the virtue most intimately related to this goal charity The edition also contains Aquinas s treatment of charity s effects love joy peace and mercy and the vices opposed to them such as hatred envy and war Featuring five supplementary essays by noted Aquinas scholars the volume will enable readers to engage more thoroughly with the thought of Thomas Aquinas

The Love of David and Jonathan James E. Harding,2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged

*Midsummer Night's Dream, A: Side by Side* William Shakespeare,2003 Presents the original text of Shakespeare s play side by side with a modern version

Lamentations, Song of Songs Wilma Bailey,Christina Bucher,2015-02-09 Lamentations Song of Songs by Wilma Ann Bailey and Christina Bucher covers the full emotional register of biblical literature from the anguished sorrow songs of ancient Israel to the passionate lyric poems of lovers Wilma Bailey plumbs the interpretive depths of Lamentations including questions about authorship images of God and depiction of a community s response to exile and its development of an identity in the wake of catastrophe Christina Bucher then offers multiple perspectives on the Song of Songs and its imagery characters and allegorical and literal interpretations by readers and communities across the centuries Both scholars build sturdy theological scaffolding to help lay readers pastors and scholars understand and apply the wisdom contained by these Hebrew writings of desire and exile love and lament Volume 27 in the BCBC series About Believers Church Bible Commentary Series Accessible

to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God's will

**Theo-Logic** Hans Urs Von Balthasar, 2013-07-31 Theo Logic is the third and crowning part of the great trilogy of the masterwork of theologian Hans Urs von Balthasar following his first two parts The Glory of the Lord and Theo Drama Theo Logic is a variation of theology it being about not so much what man says about God but what God speaks about Himself Balthasar does not address the truth about God until he first reflects on the beauty of God Glory of the Lord Then he follows with his reflections on the great drama of our salvation and the goodness and mercy of the God who saves us Theo Drama Now in this work he is ready to reflect on the truth that God reveals about Himself which is not something abstract or theoretical but rather the concrete and mysterious richness of God's being as a personal and loving God
