Love, Inc. Laurie Essig, 2019-02-05 The notion of happily ever after has been ingrained in many of us since childhood meet someone date have the big white wedding and enjoy your well deserved future But why do we buy into this idea Is love really all we need Author Laurie Essig invites us to flip this concept of romance on its head and see it for what it really is an ideology that we desperately cling to as a way to cope with the fact that we believe we cannot control or affect the societal economic and political structures around us From climate change to nuclear war white nationalism to the worship of wealth and conspicuous consumption as the future becomes seemingly less secure Americans turn away from the public sphere and find

shelter in the private Essig argues that when we do this we allow romance to blind us to the real work that needs to be done building global movements that inspire a change in government policies to address economic and social inequality Love at First Spite Anna E. Collins,2022-01-04 Falling in love is the ultimate payback in this delightful breezy romcom about an interior designer who teams up with an enigmatic architect at her firm to get revenge on her ex the only way she knows how by building a spite house next door Filled with sizzling chemistry and delicious revenge Love at First Spite had me smiling from start to finish This is one debut you don t want to miss Kate Bromley author of Talk Bookish to Me They say living well is the best revenge But sometimes spreading the misery seems a whole lot more satisfying That s interior designer Dani Porter s justification for buying the vacant lot next to her ex fianc s house the house they were supposed to live in together before he cheated on her with their Realtor Dani plans to build a vacation rental that will a mess with his view and his peace of mind and b prove that Dani is not someone to be stepped on Welcome to project Spite House That plan quickly becomes complicated when Dani is forced to team up with Wyatt Montego the handsome haughty architect at her firm and the only person available to draw up blueprints Wyatt is terse and stern the kind of man who eats his sandwich with a knife and fork But as they spend time together on and off site Dani glimpses something deeper beneath that hard veneer something surprising vulnerable and real And the closer she gets to her goal the more she wonders if winning revenge could mean losing something infinitely sweeter Rollickingly fast paced Fans of Emily Henry s tales will enjoy Collins imaginative rom com Booklist Wyatt is the perfect grumpy romance hero with a heart of gold An enemies to friends to lovers story that s sure to delight rom com fans Kirkus Reviews **Semiotics of Drama and Theatre** Herta Schmid,Aloysius Van

Kesteren,1985-01-01 The volume presents perspectives in the theory of drama and theatre that are new for the following reasons 1 the contributions reflect the international cooperation in developing drama and theatre as well as its theories 2 this collection is the first attempt of presenting papers within the context of Analytical Theory of Science 3 it is the first consistent set of papers starting from semiotics a s a meta theory The volume is divided into four sections I Fundamental of Theatre Research II Theory of Drama and Theatre III Descriptive Theatre Research IV Applied Theatre Research The fifth and final section offers a selective bibliography of analytical approaches to drama and theatre **Love in America**

Lawrence R. Samuel,2019-11-29 Widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist In popular culture romantic love has long been a mainstay of film television and music The gap between fictitious narratives of love and real life ones is however usually wide American s expectations of romance and affection often transcend reality Tracing the history of love in American culture this book offers insight into both the national character and emotional nature **Feminist Criticism and Social Change (RLE Feminist Theory)** Deborah Rosenfelt,Judith Newton,2013-05-20 This lively and controversial collection of essays sets out to theorize and practice a materialist feminist criticism of literature and culture Such a criticism is based on

the view that the material conditions in which men and women live are central to an understanding of culture and society It emphasises the relation of gender to other categories of analysis such as class and race and considers the connection between ideology and cultural practice and the ways in which all relations of power change with changing social and economic conditions By presenting a wide range of work by major feminist scholars this anthology in effect defines as well as illustrates the materialist feminist tendency in current literary criticism The essays in the first part of the book examine race ideology and the literary canon and explore the ways in which other critical discourse such as those of deconstruction and French feminism might be useful to a feminist and materialist criticism The second part of the book contains examples of such criticism in practice with studies of individual works writers and ideas An introduction by the editors situates the collected essays in relation both to one another and to a shared materialist feminist project Feminist Criticism and Social Change demonstrates the important contribution of materialist feminist criticism to our understanding of literature and society and fulfils a crucial need among those concerned with gender and its relation to criticism
