**Sounding Solitude** Sr Mary Paul Cutri OCD,2011-11-10 Solitude is a universal experience For some people its connotations of loneliness and isolation are terrifying prospects Others seek it out sensing solitude s potential for bringing depth and creativity to their lives Even those who embrace it willingly however discover at some point that solitude like nature has its changing seasons Why write a book about solitude One answer God Those who are God seekers often turn to solitude to listen to God to be present to God to be attentive to God s word wisdom and Spirit Embraced purposefully solitude enables us to cultivate another way of seeing and being to be more open to discovery of and exploration into those unfathomable riches we call God

**Love Won'T Let Me Be Silent** Terry Angel Mason,2009-07-08 Love Wont Let Me Be Silent is a collection of writings short stories and poems exploring the experiences and trials of parenthood from an African American gay male perspective and sensitively chronicles Masons search for love and self hood These masterfully creative writings express candidly the views of countless gay African Americans who are vibrant with the faith and energy of America s Black Church yet bristling with the pain and anger of America s racial and homophobic injustice While many still speculate over whether Dr Martin Luther King Jr would have supported gay rights Mason boldly points out that it is absolutely inconceivable that Dr Martin Luther King Jr would endorse anything that smacks of discrimination and bigotry against any group since it is opposed to everything he believed in as a humanitarian and Civil Rights leader Mason is an extraordinary poet who eloquently expands and redefines the traditional idea of the love poem in creative and ingenious ways Each poem story and article is suffused with restoration history love and ferocious courage He also gives us an honest glimpse into the life of a young Angel Mason who experienced the pangs of growing up in a not so tolerant world as an African American gay teen America has barely smoothed its feathers ruffled badly last year by the California Supreme Courts initial decision to lift the ban on gay marriage followed by a divisive election that reversed the decision and placed the matter again before the California Supreme Court for repeal These chilling events led to an epiphany that compelled him to write Love Wont Let Me Be Silent These electrifying writings are destined to make him one of the foremost voices of the African American gay experience We have no doubt that the artistry and enduring vision that Mason demonstrates in this inspiring book will cause a revolutionary awakening in America and continue to influence our culture reshape our thinking and touch our hearts and lives for decades

**14 Sounds of Love** Usha Gaur,2020-03-31 14 Sounds of Love has a special place in my heart as its my first articulation of feelings Love can mean different things to each individual It can be limitless expressions emotions and actions punctuated and shaped by experiences and moulded by pain and pleasure This composition is a symphony subsuming 14 expressions of love which I am sure each one of us must have experienced in our lives but might have appreciated in a different manner in mind and soul The lines here will most certainly rejuvenate the hidden love and need for togetherness which we all dream to come alive with

**Loving the Silent Tears** The Supreme Master Ching Hai,2015-01-01 Loving the

Silent Tears is more than a musical It is a celebration This remarkable show rejoices in the diversity of our world Sixteen vibrant global cultures are presented through soaring music astounding sets and costumes and an impressive cast of singers and dancers Moving deeper the musical s book and lyrics weave the entrancing story of a magical journey and the crisscrossing paths of an older disenchanted woman and a lost young man propelled on the way to self discovery It is a search for a meaningful existence and ultimately an exaltation of finding peace within ourselves Musical theatre has always conveyed tales of love ambition and adversity through song and dance With a topic that s more unique than most this musical is particularly deep yet highly entertaining The theme revolves around the innate human longing to contact a higher power or in the poet s words Loving the silent tears for You more than the diamonds of the world Good theatre invites us to think to question and to aspire Loving the Silent Tears does just that providing aesthetic gratification while planting the seeds for further reflection

Conjugal Love: Our Path of Return Clayton Tylor,2019-03-04 Conjugal love is the Divine as a feeling It is the spiritual heat and light of every soul It is the feeling of gratitude to the Universe together with the feeling of mutual love to the neighbor To receive conjugal love requires that we first will the affection of love upwards and outwards In this way we expand our sense of self to get a glimpse of the feeling of the four fold rhythm of Divine order Once the sensual rhythm of Divine order has been established as the feeling of love it purifies our feeling of self of its identification and attachment with the physical body This new spiritual perspective transforms our sense of self from personality to individuality which then awakens the feeling of conjugal love The feeling of conjugal love is our Path of Return Within the flow of the feeling of conjugal love we can sense our spiritual self first as the feeling of profound peace but then as higher states of love as feelings of being infinite and eternal

Meditation as Contemplative Inquiry Arthur Zajonc,2008-09-01 7 lectures various cities April 17 May 26 1914 CW 154 What is the relationship between those who have died and those who remain alive on Earth Can we help those now in the spiritual world Can they help us In these talks Rudolf Steiner deals with the spiritual relationships that the living can have with those who have crossed over the threshold between life and death In a realistic practical way he shows how an understanding of our spiritual nature reveals ways of knowing a world undreamed of by materialists The tone of these talks is warm and moving clearly drawn from Steiner s own experience and the lives of those who had died and who were personally known to him Robert Hamerling Christian Morgenstern and others This important work is for those who are coming to terms with the death of a love one This book is a translation from German of Wie erwirbt man sich Verstandnis f r die geistige Welt Das Einflie en geistiger Impulse aus der Welt der Verstorbenen GA 154

Writers Arthur Wallace Peach, 1927      *The Phenomenology of Love and Reading* Cassandra Falke, 2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature's relationship to our ethical lives Jean Luc Marion's articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion's argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love's habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life      Messiaen's Explorations of Love and Death Siglind Bruhn, 2008 Olivier Messiaen's lifelong quest centered on the colors and rhythms of a music that would serve as a vehicle for his thoughts about time his love of God and his enthusiasm for birdsong An additional topic about which he felt deeply is that of passionate fated human love and its relationship to death on the one hand the love of God on the other During the years 1936-1948 he composed five cycles of vocal music to his own texts as well as the Turangala Symphony the monumental centerpiece of his Tristan Trilogy The focus of this study is the in-depth analysis and interpretation of these six works on love with particular regard for their unusual wealth of poetic sonic and visual colors and imagery The wonder of rainbows the magic of exotic sounds the fantastic attractiveness of surrealist representations and the majestic inexorability of fate in myths of various times and cultures define Messiaen's lyrics as much as his idiosyncratic highly symbolic musical language which never fails to build bridges between this and another world      Sampling Politics Marianne Franklin, 2021 Music sampling has become a predominantly digitalized practice It was popularized with the rise of Rap and Hip Hop as well as ambient music scenes but it has a history stretching back to the earliest days of sound recording and experimental music making from around the world Digital tools and networks allow artists to sample music across national borders and from diverse cultural traditions with relative ease prompting questions around not only fair use copyright and freedom of expression but also cultural appropriation and copywrongs For example non-commercial forms of sharing that are now commonplace on the web bring musicians and their audiences into closer contact with emerging regimes of commercial web tracking and state-sponsored online surveillance Moreover when musicians actively engage in political or social causes through their music they are liable to both commercial and state forces of control Shifts back to corporate ownership and control of the global music business online and offline highlight competing claims for commercial and cultural ownership and control of sampled music from local communities music labels and artists Each case study is based on archival research close listening and musical analysis alongside conversations and public reflections from artists such as David Byrne Anirudha Das Asian Dub Foundation John Cage Brian

Eno Sarah Jones Gil Scott Heron Karlheinz Stockhausen Dunya Yunis and Sonia Mehta Sampling Politics provides ways to listen and hear again how sampling practices and music making work on its own terms and in context In so doing M I Franklin corrects some errors in the public record addressing some longstanding misperceptions over the creative legal and cultural legacy of music sampling in some cases of rich and complex practices that have also been called musical borrowing cultural appropriation or theft This book considers the musicalities and musicianship at stake in each case as well as the respective creative practices and performance cultures underscoring the ethics of attribution and collaboration when sampling artists make music

My Year of Love Paul Nizon, Jean M. Snook, 2013-07-02 Having abandoned his wife life family and homeland the narrator of My Year of Love flees to Paris to begin his life over again and finds himself having to rescue himself from the freedom he believed he desired I would never have believed that freedom could be a form of captivity freedom can be like a primeval forest or like the ocean you can drown in it or disappear and never ever find your way out again With a combination of confession complaint and sensual detail a break is made with the narrator's past and through writing this very novel the days of his year of love find an order and expression

*For You Alone* Andrina Lejon, 2015-01-26 Love is the universal emotion It happens to us all starting at an early age and carrying on until death Love can be beautiful joyful and lift us to a higher point of being Love can also be crushing broken and destructive Yet despite the sometimes dangerous guises of love we still seek it As human beings we yearn for it Poet Andrina Lejon captures the essence of adoration in her emotive poetry collection For You Alone She interprets love from her perspective and reaches out with her words to touch each reader in the way he or she needs most Translated in both English and Italian every line every stanza communicates the feeling of desire and sometimes heartbreak Yes as humans we need love but as individuals we see love in many different ways From lust to admiration romance to familial bonds our hearts run the gamut of emotion Eventually we must realize love is divine This collection will make you reconsider the loves in your life and delight in the relationships you have This collection is for you alone

The Sinews of Love Alexander Cordell, 2014-07-24 Orphaned by a tidal wave which claims her parents and her home Ming Pei Sha is at the mercy of a world of human squalor and degradation Destitute she sells her body in a loveless match with an old businessman desperate for a son Pei Sha witnesses first hand the savage contrasts of the teeming city of Hong Kong where the affluence and extravagance of the financiers palaces cannot hide the appalling poverty of the slums A city where an ancient and proud civilisation struggles against the corruption and greed of the modern age
