Achilles Tatius. The loves of Cleitophon and Leucippe. Tr. with intr. and notes Achilles Tatius, 1897 **Hong Kong, China** Gordon Mathews, Dale Lü, Jiewei Ma, 2008 The idea of national identity is an ambiguous one for Hong Kong Returned to the national embrace of China on 1 July 1997 after 150 years as a British colony the concept of national identity and what it means to belong to a nation is a matter of great tension and contestation in Hong Kong Written by three academic specialists on Hong Kong cultural identity social history and mass media this book explores the processes through which the people of Hong Kong are learning to belong to a nation by examining their relationship with the Chinese nation and state in the recent past present and future It considers the complex meanings of and debates over national identity in Hong Kong over the past fifty years and especially during the last decade following Hong Kong's return to China It also places these arguments within a larger global perspective to ask what Hong Kong can teach us about national identity and its potential transformations Multidisciplinary in its approach Hong Kong and China explores national identity in terms of theory mass media survey data ethnography and history and will appeal to students and scholars of Chinese history cultural studies and nationalism **Love and Marriage in Globalizing China** Wang Pan, 2014-11-13 As China globalizes the number of marriages between Chinese people and foreigners is increasing These Chinese foreign marriages have profound implications for China's cultural identity This book based on extensive original research outlines the different types of Chinese foreign marriage and divorce and the changing scale and changing patterns of such marriages and divorces and examines how such marriages and divorces are portrayed in different kinds of media It shows how those types of Chinese foreign marriage where Chinese patriotism and Chinese values are preserved are depicted favourably whereas other kinds of Chinese foreign marriage especially those where Chinese women marry foreign nationals are disapproved of male foreign nationals being seen as having a propensity to infidelity deception violence and taking advantage of Chinese women The book contrasts the portrayal of Chinese foreign marriage with the reality and with the depiction of Chinese Chinese marriage where many of the same problems apply Overall the book sheds much light on changing social processes and on current imaginings of China's place in the world *Boys Love Media in Thailand* Thomas Baudinette, 2023-10-05 Over the past several years the Thai popular culture landscape has radically transformed due to the emergence of Boys Love BL soap operas which celebrate the love between handsome young men Boys Love Media in Thailand Celebrity Fans and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL's impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL

this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand's BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures **The**

In Love and War Melody M. Miyamoto Walters, 2015-09-09 The events of December 7 1941 rocked the lives of people around the world The bombing of Pearl Harbor had intimate repercussions too especially in the territory of Hawaii In *Love and War* recounts the wartime experiences of author Melody M Miyamoto Walters s grandparents two second generation Japanese Americans or Nisei living in Hawaii Their love story narrated in letters they wrote each other from July 1941 to June 1943 offers a unique view of Hawaiian Nisei and the social and cultural history of territorial Hawaii during World War II Drawing on her grandparents letters Miyamoto Walters fleshes out what it meant to live and work on the islands of Kauai Oahu and Hawaii during the war years Although to outsiders twenty somethings Yoshiharu Ogata and Naoko Tsukiyama were both Japs the couple came from different socioeconomic classes and cultures Naoko the author s grandmother hailed from a prosperous Honolulu merchant family whereas Yoshiharu grew up poor part of the laboring class on a sugar plantation on Kauai Their courtship was riddled with challenges He stayed on Oahu then moved to Kauai she moved to the Big Island Yoshiharu faced the possibility of being drafted into the military After the bombing of Pearl Harbor they both lived under martial law Some Americans operating under nativist and xenophobic beliefs questioned

Japanese Americans loyalty to the United States But as the letters collected here show the Nisei were patriots Naoko and Yoshiharu spoke English participated in the YMCA and the USO and taught in public schools They embraced American popular culture quoting lines of pop songs in their correspondence and celebrated both Japanese and American traditions Through their experiences Miyamoto Walters shows how Japanese Americans negotiation of race ethnicity and cultural space in wartime indelibly shaped Hawaii s postwar economic political and social landscape

The Burden of Love Peter Crook,2012-03-19 The burden of love is about the lives and loves of two women a mother and her daughter both find true love but one the mother finds happiness with faithfulness and fidelity and a child while her daughter willingly takes up drugs and prostitution to satisfy her lovers craving for heroin but unknown to her there is a lot worse to come *Revolution Plus Love* Liu Jianmei,2003-09-30 In the aftermath of the May Fourth movement a growing expectation of revolution raised important intellectual issues about the position of the individual within a society in turmoil and the shifting boundaries of political and sexual identities The theme of revolution plus love a literary response to the widespread insurrections and upheaval was first popularized in the late 1920s In her examination of this popular but understudied literary formula Liu Jianmei argues that revolution and love are culturally variable entities their interplay a complex and constantly changing literary practice that is socially and historically determined Liu looks at the formulary writing of revolution plus love from the 1930s to the 1970s as a case study of literary politics Favored by leftist writers during the early period of revolutionary literature it continued to influence mainstream Chinese literature up to the 1970s By drawing a historical picture of the articulation and rearticulation of this theme Liu shows how changes in revolutionary discourse force unpredictable representations of gender rules and power relations and how women s bodies reveal the complex interactions between political representation and gender roles *Revolution Plus Love* is a nuanced and carefully considered work on gender and modernity in China unmatched in its broad use of literary resources It will be of considerable interest to scholars and students of modern Chinese literature women s studies cultural studies and comparative literature
