Loving Deception:

A Loving Deception Margaret Johnson, 1996 Flying to beautiful Jackson Hole Wyoming to do research for a travel article seemed like an ideal way for reporter Megan O Neal to forget the stunning news she had just received The man who had caused the loss of her family s fortune and subsequently the decline of her father s health had been released from prison Assigned to be her guide and photographer in Wyoming is Tom Howard a Californian who came for a visit to Jackson Hole and stayed Megan and Tom hit it off at first sight and enjoy a wonderful two weeks rafting hiking and visiting museums It seems like the start of a storybook romance But as charming and friendly as Tom is there is something in his past that will shatter their happiness and jeopardize their future together *Loving Deception* Lori Herter, 1985 Works of Love Søren Kierkegaard, 2025-07-15 Following his acclaimed translations of *Fear and Trembling* and *The Sickness unto Death* Bruce H Kirmmse presents a new translation of Kierkegaard s discourses on love Bruce H Kirmmse is among the very best translators of Kierkegaard working today Christopher B Barnett A founding figure of existentialism Søren Kierkegaard is perhaps best known for his writing on anxiety and despair particularly in such works as *Fear and Trembling* *The Concept of Anxiety* and *The Sickness unto Death* Yet love too is a common theme in Kierkegaard s oeuvre underlying his various collections of edifying discourses as well as *Either Or* *Stages on Life s Way* *Christian Discourses* and especially *Works of Love* First published in 1847 *Works of Love* is the most important explicitly religious work Kierkegaard published under his own name Intended to awaken rather than convince replicating in Socratic fashion the stinging impatient character of a gadfly the book consists of two sets of deliberations on love the first set addressing love as a duty and the second examining the applications of love Throughout Kierkegaard contrasts romantic love and love of one s friends with the selfless Christian love or agape of the New Testament ultimately contending that the only way to purge self interest from love is to love one s neighbor as oneself and oneself as one s neighbor who is indeed unconditionally every person Although careful to distinguish his deliberations from clerical sermons Kierkegaard insisted that in order to grasp the full meaning of the texts that constitute *Works of Love* one must hear them Kierkegaard makes this point repeatedly in his journals and indeed the preface of a work he published a few years after *Works of Love* begins with the words My dear reader If possible read aloud If you do so let me thank you for it While previous translations have not given sufficient attention to this critical aural aspect of the text Bruce H Kirmmse s translation preserves it thus making the same request of its readers that Kierkegaard once made of his to hear the argument by reading it aloud Featuring an illuminating introduction by Kirmmse this new translation of *Works of Love* promises to become the standard for generations to come Works of Love in a World of Violence Deidre Nicole Green, 2016-11-10 As she constructively engages feminist critiques of Christianity s complicity in violence Deidre Nicole Green challenges traditional beliefs that self sacrifice amounts to love and that suffering is inherently redemptive by arguing for a Kierkegaardian conceptions of Christian love that limits self sacrifice Back cover **Dishonest Hearts: Love, Deceit,**

Love of a God of Love Hugo Strandberg, 2011-09-15 Argues for an understanding of religious belief as love of a God of love thereby overturning traditional epistemologically based conceptions of religious belief

Love and Lies Clancy Martin, 2015-02-03 A provocative and unsettling look at the nature of love and deception Is it possible to love well without lying At least since Socrates's discourse on love in Plato's Symposium philosophers have argued that love can lead us to the truth about ourselves and the ones we love But in the practical experience of erotic love and perhaps especially in marriage we find that love and lies often work hand in hand and that it may be difficult to sustain long term romantic love without deception both of oneself and of others Drawing on contemporary philosophy psychoanalysis and cognitive neuroscience his own personal experience and such famed and diverse writers on love as Shakespeare Stendhal Proust Adrienne Rich and Raymond Carver Clancy Martin himself divorced twice and married three times explores how love truthfulness and deception work together in contemporary life and society He concludes that learning how to love and loving well inevitably requires lying but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust Love and Lies is a relentlessly honest book about the difficulty of love which is certain to both provoke and entertain

Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 In an attempt to rehabilitate Works of Love as one of Kierkegaard's most important works this text shows that Kierkegaard's deliberations on love are relevant to many themes in contemporary ethics including duty equality and mutuality

The Inescapable Love of God Thomas Talbott, 2014-11-17 Will the love of God save us all In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love forgiveness and hope into a message of fear and guilt According to the New Testament proclamation he argues God's love is both unconditional in its nature and unlimited in its scope hence no one need fear for example that God's love might suddenly turn into loveless hatred at the moment of one's

physical death For God s love remains the same yesterday today and forever But neither should one ignore the New Testament theme of divine judgment which Talbott thinks the Western theological tradition has misunderstood entirely He argues in particular that certain patterns of fallacious reasoning which crop up repeatedly in the works of various theologians and Bible scholars have prevented many from appreciating St Paul s explicit teaching that God is merciful to all in the end This second edition of Talbott s classic work is fully revised updated and substantially expanded with new material ALSO AVAILABLE IN AUDIO FORMAT The Inescapable Love of God is also available as an unabridged audiobook wonderfully narrated by the actor George W Sarris running time 11 hours and 2 minutes The audiobook can be downloaded from christianaudio com and Audible

IDIOT LOVE and the Elements of Intimacy David Stromberg,2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy

Devil's Deceptions Felix Immanuel,2016-07-11 There are many deceptions in this world Several deceptions are harder to identify and many good Christians are easily deceived Devil s Deceptions is a collection of 11 articles of various deceptions that every true Christian must know and guard against in these last days Each deception is organized into an individual article Read and be blessed Love and Death Ross Channing Reed PhD,2009-02-10 Philosopher Ross Reed Ph D refers to an eclectic array of thinkers in Love and Death an Existential Theory of Addiction in particular existential philosophers Soren Kierkegaard 1813 1855 and Jean Paul Sartre 1905 1980 According to Dr Reed addiction is usually the result of existential or life conditions rather than underlying physiological problems Therefore it may involve not only drugs or alcohol but also relationships belief systems activities and even emotional states

Anything that can serve to deflect ones consciousness from reflectively apprehending the task of becoming oneself can serve as an object of addiction If the object is another person one might ask whether in fact addiction can masquerade as love Is it possible to believe that you are in love with someone when in fact you are merely addicted to him or her In this creative and provocative work Reed argues that Sartres theory of love is in fact a theory of addiction **Love Analyzed** Roger
