Loving Me Loving You Balancing Love And Power In A Codependent World:

Loving Me, Loving You Brenda Schaeffer, 1991 *Loving Me Loving You* **Loving Me, Loving You** Brenda Schaeffer, 1991 From the bestselling author of *Is It Love or Is It Addiction* comes an enriching exploration of how the journey out of addictive love leads to personal transformation and the discovery of the spiritual self [The Self on the Shelf](#) Gary Greenberg, 1994-08-04 *The Self on the Shelf* examines the cultural and philosophical determinants of popular recovery books Greenberg argues that this literature can be read as documents of the prevailing understanding of the self in American society The construction of the self promoted by recovery literature is seen as a nihilistic one insofar as it denies the significance of what continental philosophy calls the Other In this sense the self help books are correct in their assertion that we have lost sight of how to love but their proposed solution shows up as a recapitulation and strengthening of the conditions that gave rise to this situation in the first place Greenberg's critique provides a commentary on the difficulties that face our culture in achieving any sense of meaningful community and on the way that this problem surfaces in a highly popular discourse **Is It Love or Is It Addiction** Brenda Schaeffer, 2009-08-07 A fresh updated and expanded edition of the book that changed the way we think about romance and intimacy Many of us confuse longing and obsession with true love Through two previous editions *Is It Love or Is It Addiction* has helped countless people find their way from the trials and confusion of addictive love to the fulfillment of whole and healthy relationships As the author reveals we can begin to work through relationship difficulties with compassion and lasting effect by increasing our awareness of the ways that we express love In this expanded third edition Brenda Schaeffer draws on years of feedback and new developments to foster an understanding of love addiction what it is and what it is not how to identify it and even more important how to break free of it Stories of real people struggling to develop sound relationships illustrate the characteristics of healthy love and help readers to free themselves to find real intimacy Included is the most up to date information about the biological basis of addictive behaviors and the impact of technology on intimate relationships The author also explores the influence of past abuse and trauma on the predisposition to love addiction *Love Without Limits* Deborah M. Anapol, 1992 **Winning in the Game of Life** Tom Gegax, 2003 Hungry for a different kind of winning According to entrepreneur Tom Gegax in the game of life effective self coaching is the first step to success that encompasses every aspect of life Gegax should know he thought he had it all until a three ring wake up call of divorce cancer and a business in crisis changed his game forever Through a self designed program of personal and professional evolution Gegax recovered and now enjoys a life rich with family friends peak health and a thriving company *Winning in the Game of Life* Gegax's integrated plan merges the lessons of home and work into lessons of life This unified approach helps you identify your purpose in life your guiding mission and teaches you the strategies that put it in play including the Seven Take Action Steps Strategies for effective communication better organization and time competency smooth the way Self coaching plans for real wellness of body intellect psyche and spirit

plus ten lessons to ensure lifetime learning help keep you on a winning track Integrating the best of Western business models mind body techniques and spiritual wisdom Gegax s comprehensive game plan will dismantle barriers to a fuller life and awaken your true potential
