**Beyond Reward: Insights from Love and Addiction** Xiaochu Zhang,Zhiling Zou,Andreas J. Fallgatter,2017-01-19 It is an interesting topic to discuss addiction and love in the context of reward In this e book we begin with an animal study of comparison between drug and natural reward Then some papers aim to understand the reward system underlying behavioral addiction focusing on technology for example Internet addiction and mobile phone

dependence The third part of this e book addresses the topic of love Considered as a whole this e book demonstrates that drug and behavioral addictions are frequently related with negative consequences while romantic love is related with a positive consequence That s why romantic love may be considered as a natural addiction We think that the notion of romantic love as a positive addiction may offer a new view for future research in the field
