Loving Game:

Game Love Jessica Enevold, Esther MacCallum-Stewart, 2015-01-09 What does love have to do with gaming As games have grown in complexity they have increasingly included narratives that seek to engage players with love in a variety of ways While media attention often focuses on violent emotions and behavior in gaming love has always been central to the experience We love to play games we have titles that we love and sometimes we love too much or love terrible games for their shortcomings Love in gaming is rather like love in life often complicated and frustrating but also exciting and gratifying This collection of fresh essays explores the meaning and role of love in gaming describing a number of ways from coding to cosplay in which love can be expressed in for and around games Investigating how gaming involves love is also key to understanding the growing importance of games and gamers as cultural markers **Love's Game** Harold L.

Turley, 2011-03-01 Harold L Turley II opens a revealing window into the male African American psyche in this captivating first novel about sex relationships marriage and monogamy Terry Jeff and Tyrelle manage a nightclub together where the three cousins have their pick of any woman they desire Terry is a former college basketball star married to Tracy and cheating on her with Angie But meaningless affairs are starting to leave Terry feeling hollow inside He decides it s time to clean up his act only to discover that it s too late A lifetime player Jeff has finally realized that he s ready to settle down with his current girlfriend The problem is he s feeling guilty about all the times he was unfaithful to her Clearing his conscience would give him a clean slate but will it cost him the most important relationship in his life As for Ty he s caught between a rock and a hard place he loves his freedom but at the same time doesn t want to lose his girlfriend And his lover is about to drop a bombshell that will reverberate across every area of his life Funny sensuous and dead on target when it comes to the games lovers play Love s Game tells what happens when the tables are turned and the stakes are raised Love Game

Elizabeth Wilson, 2016-05-06 A journey through the history culture and mystique of tennis from an original and provocative mind The Wall Street Journal If you ve watched Rafael Nadal spin a forehand at 4000 rpm Maria Sharapova arabesque out of a serve Serena Williams utterly destroy a short ball or Roger Federer touch a volley into an impossibly angled winner you know how exciting tennis can be This book reveals the long history and unique culture behind the sport With a penchant for tennis s inherent drama historian Elizabeth Wilson finds its core a psychological face off between flamboyant personalities navigating the ebbs and flows of fortune in the confines of a 78 x 36 foot box whether of clay grass or DecoTurf Walking the finely kempt lawns of Victorian England she shows how tennis s early role as a social pastime that included both men and women and thus lots of sexual tension set it apart from most other sports and their dominant masculine appeal Even today when power and endurance are more important than ever tennis still demands that the body behave gracefully and with finesse In this way Wilson shows tennis has retained the vibrant spectacle of human drama and beauty that have always made it special not just to sports fans but to popular culture Telling the stories of all the greats from the Renshaw brothers to

Novak Djokovic and of all the advances from wooden racquets to network television schedules Wilson offers a tennis book like no other keeping the court square in our sights as history is illuminated around it A sporting history unlike any I ve read one that in its sophistication and thoughtfulness shows up the hollowness of most other accounts Observer Heart of a Game Ranger Mario Cesare,2017-02-10 MARIO CESARE after decades as warden of Olifants River Game Reserve has his feet firmly planted in this magnificent slice of Big Five country to the west of the Kruger Park Cesare recounts some of the hair raising heartbreaking and heartwarming moments a buffalo calf reunited with its pining mother injured lions given second chances and rhinos lost one by one to poaching Heart of a Game Ranger is a story of extremes where spectacular days that end in exhausted satisfaction and achievement are balanced by those that leave behind only despair and frustration Seen through his eyes and spoken from the heart Cesare tells a deeply personal story not only of a life lived wild but of the joy of Africa s incredible natural world **The Mating Game** Pamela C. not be in If you ask them why are they still with the person more times than not they will tell you it s because they love them That s a clear sign that their priorities were not in order I reiterate love is an emotion you should make your significant other earn first If loyalty trust respect commitment and dedication are there first in my opinion the marriage or relationship is solidified enough for love at that point
