interested in Indian mythology or Hindu religion Loving Ganeśa Sadguru Sivaya Subramaniaswami, Subramuniya (Master.), 1998-01-01 The divine player attempts to analyze the relationship between play and religion in the context of Hinduism It focuses primarily on the youthful god Krsna The first part of the book surveys the role of play among the gods and concludes that play seems to be an intrinsic part of the divine in Hinduism The second part of the book investigates the role of play in religious cult again focusing on the various Krsna cults This section concludes that although playful themes pervade man's religious activity in devotion to Krsna cultic activity may not be reduced to play as some scholars have suggested The final section of the book points to examples of divine and cultic play in non Hindu traditions **Shree**

All About H. Hatterr G V Desani,2007-11-06 Wildly funny and wonderfully bizarre All About H Hatterr is one of the most perfectly eccentric and strangely absorbing works modern English has produced H Hatterr is the son of a European merchant officer and a lady from Penang who has been raised and educated in missionary schools in Calcutta His story is of his search for enlightenment as in the course of visiting seven Oriental cities he consults with seven sages each of whom specializes in a different aspect of Living Each teacher delivers himself of a great Generality each great Generality launches a new great Adventure from each of which Hatter escapes not so much greatly edified as by the skin of his teeth The book is a comic extravaganza but as Anthony Burgess writes in his introduction it is the language that makes the book It is not pure English it is like Shakespeare Joyce and Kipling gloriously impure
