Clark,2007 The author of the perennially popular and life changing book **Loving Someone Gay** recounts his own life journey from shame guilt and fear to pride self confidence and understanding of true feelings Sharing how he made the transformation himself Don Clark Ph D the first officially openly gay psychologist in the U S and father of gay oriented psychotherapy points the way for others to claim an identity and sense of pride and follow him on the path to happiness meaning love and success Don Clark is a writer teacher and consultant and clinical psychologist who has specialized in group and individual work with gay people since 1968 His writing includes fiction textbooks and articles for both professional journals and popular magazines **Soulfully Gay** Joe Perez,2007-05-08 **Soulfully Gay** is a personal memoir of an intellectually rigorous gay man wrestling with fundamental issues of meaning and self acceptance Joe Perez finds himself on a quest to understand what it means to be gay at the intersection of conflicts between homosexuality and Christianity faith and skepticism mysticism and madness His journey unfolds amid challenges to his health as a recovering addict a survivor of a psychotic episode and a man living with AIDS Joe is able to integrate seemingly contradictory elements his Roman Catholic upbringing versus his openly gay lifestyle his authentic mystical experiences versus the delusions for which he was hospitalized With a solid understanding of theology and an ability to see through the veils of political correctness Joe brings a new level of intellect and understanding to the challenges of being a gay man

**Bisexual and Gay Husbands** Fritz Klein,Thomas R Schwartz,2014-02-04 What happens when married men face their gay bisexual needs This astonishing volume offers an intimate look into the lives and thoughts of bisexual men Already married to women these men are undeniably attracted to other men Their struggle with conflicting needs desires and loyalties is not filtered through theories or evoked in brief interviews It comes straight from their own keyboards The stories told in **Bisexual and Gay Husbands** are taken from an Internet mailing list which allows people to speak freely and in anonymity yet also encourages the development of a tightly knit community Men at all stages of the coming out process share their experiences their secrets their pain shame anger and hope One man writes I have found the answer to my bisexual needs and am afraid to embrace it I need help and advice to know what to do What you people have done in your lives may hold the key to helping me decide on a course of action I am either going to create a dream come true or hell on

earth as I destroy my marriage I can't tell which and of course you can't either But you CAN tell me how you are handling the problems I am facing Bisexual and Gay Husbands includes advice and information on the issues that touch these men most deeply including how do I tell my wife and kids what does it mean to self identify as bisexual or gay what kinds of relationships do I want with men can triads work how do I deal with my children's reaction do I have to leave my wife The insight intelligence and honesty revealed in Bisexual and Gay Husbands make it a riveting read but it also has great clinical and historic value for therapists sex theorists and bisexual men and their families

**Gay and Lesbian Professionals in the Closet** Teresa Decrescenzo, 2020-03-24 The closet takes its toll on its dwellers through their experiences of isolation fear paranoia potentially increased internalized homophobia and dissonance between role and identity yet many people in the helping professions do not feel that it is desirable or even appropriate to disclose their sexual orientation to those receiving help Gay and Lesbian Professionals in the Closet explores the different positions people take on this provocative issue the arguments they use to support their positions and why the issue may not be as clear cut as it sometimes seems While complex sociopsychological factors cultural values and influences and legal issues keep many gays lesbians and bisexuals in the closet closeted practice may have its advantages A closeted practitioner whether case manager counselor psychotherapist physician or minister can bring understanding and insight to practice with homosexual clients and their families as well as lend substantial support to openly gay and lesbian helping professionals Yet as Gay and Lesbian Professionals in the Closet reveals being closeted can compromise your integrity as well as that of your clients and the benefits of being out will likely outweigh those of being closeted Being out will help readers counteract stereotypes of gays and lesbians allow you to serve as a role model improve the quality of care offered by traditionally homophobic or homophobic ignorant institutions and employees contribute to the establishment of affirming services and environments for both yourself and your clients stop segregating your sexual life from the rest of your life attain credibility with your clients not feed repression through silence As Gay and Lesbian Professionals in the Closet will show readers it is always important to consider patients needs and each work setting before coming out but gay lesbian and bisexual social service providers should make decisions on a case by case basis not avoid being out altogether Being open in the workplace will remind caregivers clients and coworkers of the exemplary citizenship and service gays lesbians and bisexuals are capable of offering Think again whether the closet carries protective cover from discrimination or tacit endorsement of homophobia

**Homosexuality and Social Work** Robert Schoenberg, Richard S. Goldberg, David A. Shore, 1984 Here is a comprehensive volume providing an introduction overview and exploration of social work services for gay men and lesbians It discusses the application of generic practice principles in social work with and for homosexual persons It is essential reading for all social workers interested in serving the diverse needs of the gay community this practical book gets right at vital matters some of which are problems challenging today's social workers Chapters address the ever present problem of homophobia new strategies for working

with families and couples alcoholism and homosexuality the education of social workers about gay men and lesbians their particular needs and concerns and much more

**A Family and Friend's Guide to Sexual Orientation** Bob Powers, Alan Ellis, 2013-12-02 A Family and Friend's Guide to Sexual Orientation helps individuals and families to bridge the divide between gay and straight to heal wounds that often accompany individuals and families negative feelings about lesbians gay men bisexuals and transgendered persons Consisting of thirty stories by individuals who have come to accept and embrace their own sexuality twelve of the stories are by heterosexuals who in addition to talking about their own sexuality speak of the homosexuality of a loved one The book also includes five personal stories from two families

*The Psychiatric Society* Françoise Castel, Robert Castel, Anne Lovell, 1982 Analyzes the American mental health care system and its relationship with society and government

**Gays, Lesbians, and Consumer Behavior** Daniel L. Wardlow, 1996 Gays Lesbians and Consumer Behavior is the first attempt at presenting the roles treatment and expectations of gays and lesbians as consumers in the marketplace It asserts that as with other subcultures such as ethnic groups homosexuality often entails a fully elaborated lifestyle many details of which revolve around and reflect differences from mainstream society These findings are of practical value since consumers businesses channels of distribution and media forms are all segmented addressing a diversity of attitudes and behaviors and reaching consumers through targeted marketing

*Homosexuality & Psychotherapy* John C. Gonsiorek, 1982 Here is the basic resource for therapists who work with homosexual clients Written by professionals for professionals A Guide to Psychotherapy With Gay and Lesbian Clients is an excellent compilation of data and sound suggestions for understanding the unique issues and concerns facing gay men and lesbians
