Loving Myself in Order to Love You Sharon Annette Pollard, 2011-08-09 Many episodes of my life made me believe that I had actually found this unique and special love but as before it was an illusion This love I wished for would be a love that I had never experience before And I often wondered does this love even exist And God answered that question for me and that answer was yes It does exist but it must start with me In so many cases we as women are the ones that give our love so freely so openly and so honestly But in return we accept the negativity of a relationship We accept the name calling the abuse whether its verbal or physical by the ones we have given our all This is not the love that God has blessed us with but the behavior that we have accepted and think it is love Life is a lesson learned daily The ups and the downs of relationships that we think are based on love are only stepping stones to a better understanding about love and how it is given and how it is accepted But first take a look in the mirror and admire the reflection you see looking back at you Love her respect her and admire her beauty her uniqueness She is rare one of a kind There is no one like her and her values are beyond any wealth It is only then when you began to love that person and accept that person you will learn what this unspeakable love is all about and how to receive and to give it without doubt

Howard, 2018-09-28 Fourteen years after the death of my mother and the day before my fiftieth birthday my father had a heart attack It made me realize just how fast life was travelling and that I

would give anything to put life on hold As I drove to the hospital I wondered what it would be like to lose my last parent
 Sights along the way brought me to fond memories of my incredible childhood My entire family had always been there for me
 no matter what At the beginning of my career when I d needed Dad the most he d come to my aid both physically and
 emotionally His actions that day helped shape me into the person I am today Now it was my turn to be there for Dad I got to
 know him all over again as I visited him daily during his twelve month stay at the hospital One cold wintery night he couldn t
 stop talking about the happy memories he had of our family over the years By the end of that evening we both fell fast asleep
 emotionally exhausted from all the tears and laughter With his hand twitching in mine I faded into the most beautiful life like
 dream where Mom came back to us for just a day
