Escaping the Racism of Low Expectations Barbara from Harlem,2018-05-15 I was a liberal by default I asked no questions I had no answers I just pulled the lever to vote for Democrats as was expected of me Most of my fellow Black Americans do not fully understand what the term liberal means or who or what they are voting for And in turn they don t realize how harmful those liberal policies are to our freedoms and liberties as Americans I was born into a culture that believes Black equals Democrat A broken home failed marriage and a feeling of victimization fueled my need for

inclusion which the Democratic Party fulfilled As an activist and member of the NAACP and Democratic Clubs in Harlem the men I looked up to the Rev Jesse Jackson whom I also campaigned for Congressman Charlie Rangel and Rev Al Sharpton reinforced the negative perceptions that shaped my world But just like false prophets the false narrative that has been spoon fed to us by Black leaders the Black community the media and progressive politicians has enslaved Blacks in a victimhood mentality and entitlement mindset But my eyes were opened to reject victimhood and lack of accountability My journey has proven to me that when you have clarity of conscience love of God and a deep seated belief in America s goodness your life will be enriched and your focus will change to one of accountability
