The Greatest Lie on Earth (Expanded Edition) Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it Bloody Zion Edward Hendrie, 2012 Jesus told Pontius Pilate My kingdom is not of this world John 18 36 God has a spiritual Zion that is in a heavenly Jerusalem Hebrews 12 22 Revelation 21 10 Jesus Christ is the chief corner stone laid by God in Zion 1 Peter 2 6 Those who believe in Jesus Christ are living stones in the spiritual house of God 1 Peter 2 5 Ephesians 2 20 22 Believers are in Jesus and Jesus is in believers John 14 20 17 20 23 All who are elected by God to believe in Jesus Christ are part of the heavenly Zion without regard to whether they are Jews or Gentiles Romans 10 12 Satan is a great adversary of God who has created his own mystery religions During the Babylonian captivity 2 Chronicles 36 20 an occult society of Jews replaced God's commands with Satan's Babylonian dogma Their new religion became Judaism Jesus explained the corruption of the Judaic religion Howbeit in vain do they worship me teaching for doctrines the commandments of men Mark 7 7 Jesus revealed the

Satanic origin of Judaism when he stated Ye are of your father the devil and the lusts of your father ye will do John 8 44  
 Babylonian Judaism remains the religion of the Jews today Satan has infected many nominal Christian denominations with his Babylonian occultism which has given rise to Christian Zionism Christian Zionism advocates a counterfeit earthly Zion within which fleshly Jews take primacy over the spiritual church of Jesus Christ This book exposes Christian Zionism as a false gospel and subversive political movement that sustains Israel s war against God and man     **Stasi** John Christian Schmeidel,2007-09-12 This book is a fascinating new examination of one of the most feared and efficient secret services the world has ever known the Stasi The East German Stasi was a jewel among the communist secret services the most trusted by its Russian mother organization the KGB and even more efficient In its attempt at total coverage of civil society the Ministry for State Security came close to realizing the totalitarian ideal of a political police force Based on research in archival files unlocked just after the fall of the Berlin Wall and available to few German and Western readers this volume details the Communist Party s attempt to control all aspects of East German civil society and sets out what is known of the regime s support for international terrorism in the 1970s and 1980s STASI will be of much interest to students of intelligence studies German politics and international relations     **Ascent to Power** David L. Roll,2024-04-23 One of Foreign Affairs s Best Books of 2024 From Franklin Roosevelt s final days through Harry Truman s extraordinary transformation this is the enthralling story behind the most consequential presidential transition in US history When Roosevelt in failing health decided to run for a fourth term he gave in to the big city Democratic bosses and reluctantly picked Senator Truman as his vice president a man he barely knew Upon FDR s death in April 1945 Truman after only 82 days as VP was thrust into the presidency Utterly unprepared he faced the collapse of Germany a Europe in ruins the organization of the UN a summit with Stalin and Churchill and the question of whether atomic bombs would be ready for use against Japan Meanwhile the Soviet Union was growing increasingly hostile towards US power Truman inherited FDR s hope that peace could be maintained through cooperation with the Soviets but he would soon learn that imitating his predecessor would lead only to missteps and controversy Spanning the years of transition 1944 to 1948 Ascent to Power illuminates Truman s struggles to emerge as president in his own right Yet from a relatively unknown Missouri senator to the most powerful man on Earth Truman s legacy transcends With his come from behind campaign in the fall of 1948 his courageous civil rights advocacy and his role in liberating millions from militarist governments and brutal occupations Truman s decisions during these pivotal years changed the course of the world in ways so significant we live with them today     **The Assassination of Europe, 1918-1942** Howard M. Sachar,2014-10-29 A look at how the political assassinations that occurred in Europe between 1918 and 1939 shaped the history and politics of the continent     **Stalin's Agent** Boris Volodarsky,2014-12-11 This is the history of an unprecedented deception operation the biggest KGB deception of all time It has never been told in full until now There are almost certainly people who would like it never to be told It is the story of General Alexander Orlov Stalin s most loyal and

trusted henchman during the Spanish Civil War Orlov was also the Soviet handler controlling Kim Philby the British spy defector and member of the notorious Cambridge Five Escaping Stalin's purges Orlov fled to America in the late 1930s and lived underground He only dared reveal his identity to the world after Stalin's death in his 1953 best seller *The Secret History of Stalin's Crimes* after which he became perhaps the best known of all Soviet defectors much written about highly praised and commemorated by the US Congress on his death in 1973 But there is a twist in the Orlov story beyond the dreams of even the most ingenious spy novelist General Alexander Orlov never actually existed The man known as Orlov was in fact born Leiba Feldbin And while he was a loyal servant of Stalin and the controller of Philby he was never a General in the KGB never truly defected to the West after his flight from the USSR and remained a loyal Soviet agent until his death The Orlov story as it has been accepted until now was largely the invention of the KGB and one perpetuated long after the end of the Cold War In this meticulous new biography Boris Volodarsky himself a former Soviet intelligence officer now tells the true story behind Orlov for the first time An intriguing tale of Russian espionage and deception stretching from the time of Lenin to the Putin era it is a story that many people in the world's intelligence agencies would almost definitely prefer you not to know about [A Conspiração Nazi: O plano secreto para assassinar Roosevelt, Estaline e Churchill](#) Brad
