**DP Hallahan**

### **Loyal Conspiracy The Lords Appellant:**

The Loyal Conspiracy Anthony Goodman, 2023-10-09 First published in 1971 The Loyal Conspiracy gives a detailed examination of the most critical years of the reign of Richard II through an account of the careers of the Lords Appellant These were the five great noblemen ranging from Thomas of Woodstock the King's uncle to Henry of Bolingbroke later Henry IV who rose in arms to restrain the activities of Richard II and his partisans in 1387 Anthony Goodman looks too at the origins course and results of this revolt and his study of these five nobles and the dramatic episode which united them briefly and reluctantly provides a novel and interesting interpretation of an important section of English medieval history He directs new light on the personalities of Richard and the Lords Appellant and also on the nature of the polity it bases and tensions in later fourteenth century England This book will be of interest to students of history and literature The loyal conspiracy:

the Lords Appellant under Richard II London, Routledge & K. Paul Anthony Goodman, **Imagining a Medieval English Nation** Kathy Lavezzo, 2004 The first comprehensive analysis of English national identity in the late Middle Ages During the late Middle Ages the increasing expansion of administrative legal and military systems by a central government together with the greater involvement of the commons in national life brought England closer than ever to political nationhood Examining a diverse array of texts ranging from Latin and vernacular historiography to Lollard tracts Ricardian poetry and chivalric treatises this volume reveals the variety of forms England assumed when it was imagined in the medieval West These essays disrupt conventional thinking about the relationship between premodernity and modernity challenge traditional preconceptions regarding the origins of the nation and complicate theories about the workings of nationalism Imagining a Medieval English Nation is not only a collection of new readings of major canonical works by leading medievalists it is among the first book length analyses on the subject and of critical interest **Henry IV: The Righteous King** Ian

Mortimer, 2014-02-22 The real life story of the Plantagenet ruler by the most remarkable medieval historian of our time The Times London The talented confident and intelligent son of John of Gaunt Henry IV started his reign as a popular and charismatic king after he dethroned the tyrannical and wildly unpopular Richard II But six years into his reign Henry had survived eight assassination and overthrow attempts Having broken God's law of primogeniture by overthrowing the man many people saw as the chosen king Henry IV left himself vulnerable to challenges from powerful enemies about the validity of his reign Even so Henry managed to establish the new Lancastrian dynasty and a new rule of law in highly turbulent times In this book noted historian Ian Mortimer bestselling author of The Time Traveler's Guide to Medieval England and The Time Traveler's Guide to Elizabethan England goes beyond the legend portrayed in Shakespeare's history play and explores the political and social forces that transformed Henry IV from his nation's savior to its scourge **The Horse in Early Modern**

**English Culture** Kevin De Ornellas, 2013-11-18 Kevin De Ornellas argues that in Renaissance England the relationship between horse and rider works as an unambiguous symbol of domination by the strong over the weak There was little

sentimental concern for animal welfare leading to the routine abuse of the material animal This unproblematic practical exploitation of the horse led to the currency of the horse rider relationship as a trope or symbol of exploitation in the literature of the period Engaging with fiction plays poems and non fictional prose works of late Tudor and early Stuart England De Ornellas demonstrates that the horse a bridled unwilling slave becomes a yardstick against which the oppression of England s poor women increasingly uninfluential clergyman and deluded gamblers is measured The status of the bitted harnessed horse was a low one in early modern England to be compared to such a beast is a demonstration of inferiority and subjugation To think anything else is to be na ve about the realities of horse management in the period and is to be na ve about the realities of the exploitation of horses and other mammals in the present day world *The reign of Richard II*, 2015-01-01 The long awaited prequel to *Chronicles of the revolution* covers the first twenty years 1377-97 of Richard II s reign This richly documented period offers exceptional opportunities and challenges to students and the editor has selected material from a wide range of sources well known English chronicles foreign chronicles and legal administrative and financial records These are arranged chronologically to form a coherent narrative of the reign Clear and lively commentary and notes enable readers to make the fullest use of each document The introduction describes the complex domestic and international situation which confronted the young king and offers guidance on the strengths and weaknesses of the reign s leading chronicles The dramatic and diverse politics of the reign of Richard II make this the ideal special subject and an accessible affordable student friendly documentary history of Richard II s reign has long been needed This book is designed to fill that gap **Routledge Revivals: Medieval England (1998)** Paul E. Szarmach, M. Teresa Tavormina, Joel T. Rosenthal, 2017-07-05 First published in 1998 this valuable reference work offers concise expert answers to questions on all aspects of life and culture in Medieval England including art architecture law literature kings women music commerce technology warfare and religion This wide ranging text encompasses English social cultural and political life from the Anglo Saxon invasions in the fifth century to the turn of the sixteenth century as well as its ties to the Celtic world of Wales Scotland and Ireland the French and Anglo Norman world of the Continent and the Viking and Scandinavian world of the North Sea A range of topics are discussed from Sedulius to Skelton from Wulfstan of York to Reginald Pecock from Pictish art to Gothic sculpture and from the Vikings to the Black Death A subject and name index makes it easy to locate information and bibliographies direct users to essential primary and secondary sources as well as key scholarship With more than 700 entries by over 300 international scholars this work provides a detailed portrait of the English Middle Ages and will be of great value to students and scholars studying Medieval history in England and Europe as well as non specialist readers

**Urban History 19:2** Kajal Lahiri, Geoffrey H. Lahiri, 1992-12-10 *Who's who in Late Medieval England, 1272-1485* Michael Hicks, Michael A. Hicks, 2001 Spans the period 1272-1485 and includes biographies of 200 individuals from all walks of life Rulers and Ruled in Late Medieval England G. L. Harriss, Rowena E. Archer, Simon Walker, 1995-01-01 How power

was distributed and exercised is a key issue in understanding attitudes and assumptions in late medieval England. The essays in this volume all deal with those who had the power to make political decisions: whether kings, nobles or gentry, courtiers or clergy. While ultimately power rested on force, it was enshrined in the law and more usually exercised by influence and by the dangling of reward. Most disputes were settled without violence, if often with recourse to prolonged struggles in the courts, but those who offended against established interests could be punished severely, as the cases of Sir John Mortimer and of Bishop Reginald Pecock show. These essays, presented to Gerald Harriss who has done so much to illuminate the history of the period, show not only how power was exercised but also how men of the time thought about it. Contributors: Rowena E Archer, Christine Carpenter, Jeremy Catto, Rosemary Horrox, R W Hoyle, Maurice Keen, Dominic Lockett, Philippa Maddern, S J Payling, Edward Powell, Anthony Smith, Simon Walker, Christopher Woolgar, Edmund Wright.

**Richard III and his Rivals** Michael Hicks, 1991-07-01. Richard III is undoubtedly the dominant personality in this collection of essays, but not in his capacity as king of England. Richard was Duke of Gloucester far longer than he was king. For most of his career he was a subject, not a monarch, the equal of the great nobility. He is seen here in the company of his fellows: Warwick the Kingmaker, Clarence, Northumberland, Somerset, Hastings, and the Wydevilles. His relations with these rivals, all of whom submitted to him or were crushed, show him in different moods and from various vantage points.

**Robert de Vere, Earl of Oxford and Duke of Ireland (1362-1392)** James Ross, 2024. The first full-length study of one of the most controversial figures of later fourteenth-century England.

**Richard II** Nigel Saul, 2008-10-01. Richard II is one of the most enigmatic of English kings. Shakespeare depicted him as a tragic figure, an irresponsible, cruel monarch who nevertheless rose in stature as the substance of power slipped from him. By later writers he has been variously portrayed as a half-crazed autocrat or a conventional ruler whose principal errors were the mismanagement of his nobility and disregard for the political conventions of his age. This book, the first full-length biography of Richard in more than fifty years, offers a radical reinterpretation of the king. Nigel Saul paints a picture of Richard as a highly assertive and determined ruler, one whose key aim was to exalt and dignify the crown. In Richard's view, the crown was threatened by the factiousness of the nobility and the assertiveness of the common people. The king met these challenges by exacting obedience, encouraging lofty new forms of address, and constructing an elaborate system of rule by bonds and oaths. Saul traces the sources of Richard's political ideas and finds that he was influenced by a deeply felt orthodox piety and by the ideas of the civil lawyers. He shows that although Richard's kingship resembled that of other rulers of the period, unlike theirs, his reign ended in failure because of tactical errors and contradictions in his policies. For all that he promoted the image of a distant, all-powerful monarch, Richard II's rule was in practice characterized by faction and feud. The king was obsessed by the search for personal security in his subjects; however, he bred only insecurity and fear. A revealing portrait of a complex and fascinating figure, the book is essential reading for anyone with an interest in the politics and culture of the English middle ages.

**Treason and Masculinity in Medieval**

**England** E. Amanda McVitty, 2020 Groundbreaking new approach to the idea of treason in medieval England showing the profound effect played by gender      Shakespeare's English Kings, the People, and the Law Edna Zwick Boris, 1978 Demonstrates that knowledge of constitutional history can add to our understanding of the politics of the English history plays and suggests that the nine historical plays that Shakespeare wrote before Elizabeth's death record a transformation in constitutional organization      *Using Concepts in Medieval History* Jackson W. Armstrong, Peter Crooks, Andrea Ruddick, 2022-01-24 This book is the first of its kind to engage explicitly with the practice of conceptual history as it relates to the study of the Middle Ages exploring the pay offs and pitfalls of using concepts in medieval history Concepts are indispensable to historians as a means of understanding past societies but those concepts conjured in an effort to bring order to the infinite complexity of the past have a bad habit of taking on a life of their own and inordinately influencing historical interpretation The most famous example is feudalism whose fate as a concept is reviewed here by E A R Brown nearly fifty years after her seminal article on the topic The volume's contributors offer a series of case studies of other concepts colony crisis frontier identity magic networks and politics that have been influential particularly among historians of Britain and Ireland in the later Middle Ages The book explores the creative friction between historical ideas and analytical categories and the potential for fresh and meaningful understandings to emerge from their dialogue      **Love, Honour and Royal Blood - Book** Carol Sargeant, 2009 The author will have a riot on her hands when people reach the last page of this book readers will be so anxious for the second book in the trilogy to be published Gloria McAuley the first person ever to read this book If Chaucer was your brother in law William Wycliffe your good friend and the most powerful man in England John of Gaunt the great Duke of Lancaster was your lover what would your life be like Katharine de Roet is one of the most enigmatic women in history and yet she sat at the centre of some of the greatest changes the world has known Intrigue betrayal and intimate connections with some of the greatest minds of not just her own times but of all recorded history was the daily stuff of her life But for all that the essence of Katharine's life was a love story and the story of John of Gaunt and Katharine Swynford is truly one of the great love stories of history At the age of seventeen Carol Sargeant read Anya Seton's lovely novel Katherine and was so moved by it that she started a 30 year research project to answer a single question The question was what really happened what is John of Gaunt and Katharine Swynford's story If Katharine had not said yes to love the Tudor dynasty would not have existed George Washington would not have been there to fight for American independence and Alfred Lord Tennyson would not have written his famous poetry And that is just the story of some of her descendants More important is the story of the woman and the world she knew      **Lancaster Against York** Trevor Royle, 2008-07-22 The epic fifteenth century battle for the throne of England is brought vividly to life in this accessible and comprehensive history In this sweeping history Trevor Royle details one of the bloodiest episodes in British history The prize was the crown of England and the players were the rival houses of Lancaster and York The dynastic quarrel threatened the collapse of the

monarchy as a succession of weak rulers failed to deal with an overzealous aristocracy plunging England into a series of violent encounters. The bloody battles and political intrigue between the rival heirs of King Edward III brought forth one of the most dynamic ruling families of England, the Tudors. To understand the Wars of the Roses, one should read Shakespeare's History Plays for the epic drama and Trevor Royle's *Lancaster Against York* for the epic truth. Royle has produced a tremendous achievement, a modern classic for all times. Amanda Foreman, author of *Georgiana, Duchess of Devonshire*.

**The Eagle and the Hart** Helen Castor, 2024-10-15. From an acclaimed historian and author comes an epic history, the dual biography of Richard II and Henry IV, two cousins whose lives played out in extraordinary parallel until Henry deposed the tyrant Richard and declared himself King of England. Richard of Bordeaux and Henry of Bolingbroke, cousins born just three months apart, were ten years old when Richard became king of England. They were thirty-two when Henry deposed him and became king in his place. Now the story behind one of the strangest and most fateful events in English history and the inspiration behind Shakespeare's most celebrated history plays is brought to vivid life by the acclaimed author of *Blood and Roses*. Helen Castor: Richard had birthright on his side and a profound belief in his own God-given majesty. But beyond that, he lacked all qualities of leadership. A narcissist who did not understand or accept the principles that underpinned his rule, he was neither a warrior defending his kingdom nor a lawgiver whose justice protected his people. Instead, he declared that his laws were in his own mouth and acted accordingly. He sought to define as treason any resistance to his will and recruited a private army loyal to himself rather than the realm, and he intended to destroy those who tried to restrain him. Henry was everything Richard was not: a leader who inspired both loyalty and friendship, a soldier and a chivalric hero, dutiful, responsible, principled. After years of tension and conflict, Richard banished him and seized his vast inheritance. Richard had been crowned a king, but he had become a tyrant, and as a tyrant ruling by arbitrary will rather than established law, he was deposed by his cousin Henry, the only possible candidate to take his place. Henry was welcomed as a liberator, a champion of the people against his predecessor's paranoid despotism. But within months, he too was facing rebellion. Men knew that a deposer could in turn be deposed, and the new king found himself buffeted by unrest and by chronic ill health until he seemed a shadow of his former self, trapped by political uncertainty and troubled by these signs that God might not after all endorse his actions. Captivating, immersive, and highly relevant to today's times, *The Eagle and the Hart* is a story about what happens when a ruler prioritizes power over the interests of his own people. When a ruler demands loyalty to himself as an individual rather than duty to the established constitution, and when he seeks to reshape reality rather than concede the force of verifiable truths. Above all, it is a story about how a nation was brought to the brink of catastrophe and disintegration, and in the end, how it was brought back.

**The Life & Times of Chaucer** John Gardner, 2010-09-21. The pinnacle of Gardner's medieval scholarship, a fascinating re-creation of the world of one of history's greatest writers. In this exquisite biography, John Gardner brings to life Geoffrey Chaucer, illuminating his writings and their inspiration like never before. Through

exhaustive research and expert storytelling Gardner takes readers through Chaucer's varied career from writing *The Canterbury Tales* to performing diplomatic work at the Parliament and creates a fully realized portrait of an author whose work would remake the English language forever Written with passion and insight this a must read for those interested in Chaucer and the medieval time period This ebook features a new illustrated biography of John Gardner including original letters rare photos and never before seen documents from the Gardner family and the University of Rochester Archives

## Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Loyal Conspiracy The Lords Appellant**

In a global inundated with screens and the cacophony of instant interaction, the profound energy and emotional resonance of verbal beauty often disappear in to obscurity, eclipsed by the continuous assault of sound and distractions. ### **Loyal Conspiracy The Lords Appellant Introduction**

Loyal Conspiracy The Lords Appellant Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Loyal Conspiracy The Lords Appellant Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Loyal Conspiracy The Lords Appellant : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Loyal Conspiracy The Lords Appellant : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Loyal Conspiracy The Lords Appellant Offers a diverse range of free eBooks across various genres. Loyal Conspiracy The Lords Appellant Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Loyal Conspiracy The Lords Appellant Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Loyal Conspiracy The Lords Appellant, especially related to Loyal Conspiracy The Lords Appellant, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Loyal Conspiracy The Lords Appellant, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Loyal Conspiracy The Lords Appellant books or magazines might include. Look for these in online stores or libraries. Remember that while Loyal Conspiracy The Lords Appellant, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Loyal Conspiracy The Lords Appellant eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide

excerpts or short stories for free on their websites. While this might not be the Loyal Conspiracy The Lords Appellant full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Loyal Conspiracy The Lords Appellant eBooks, including some popular titles.

### FAQs About Loyal Conspiracy The Lords Appellant Books

1. Where can I buy Loyal Conspiracy The Lords Appellant books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Loyal Conspiracy The Lords Appellant book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Loyal Conspiracy The Lords Appellant books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Loyal Conspiracy The Lords Appellant audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Loyal Conspiracy The Lords Appellant books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
