

# LOYALIST RESOLVE

*Patient Fortitude  
in the English Civil War*

Raymond A. Anselment

# Loyalist Resolve

**Ying Liu**

## **Loyalist Resolve:**

Loyalist Resolve Raymond A. Anselment, 1988 This study analyzes a series of complex ambivalent literary responses to the decades of civil turmoil in seventeenth century England that simultaneously demanded public commitment and prompted private withdrawal From their various perspectives the Royalist writers raised in the humanist tradition are shown to appreciate anew the value of patient fortitude *The Edge of the Union : The Ulster Loyalist Political Vision* Steve Bruce, 1994-07-12 On the twenty fifth anniversary of the Northern Ireland Troubles the Ulster Loyalists are an increasingly alienated people In this timely book Steve Bruce provides crucial insights into the Loyalist world view Describing the troubles as a deeply entrenched ethnic conflict he argues that a widespread failure to take into account the strength and importance of the loyalist identity will scupper the chances of peace On the twenty fifth anniversary of the Northern Ireland Troubles Ulster's once dominant unionists are an increasingly alienated people In this timely assessment of the prospects for peace Steve Bruce examines the embittered world view of two key sections of Ulster unionism loyalist terrorists and the evangelical supporters of Ian Paisley To get to the heart of the unionist position he asks how they see the last twenty five years what they want from the future what they think they will get what they will accept and what they will fight to oppose Professor Bruce describes the Troubles as a deeply entrenched ethnic conflict He argues that a failure to appreciate the strength of the loyalist identity has prevented a proper understanding of the Troubles and that continued neglect of the majority makes strategies for peace pointless or counter productive On Steve Bruce's previous book *God Save Ulster* his interpretation of the Northern Ireland problem can be considered amongst the most satisfying in the literature Times Higher Education Supplement an intelligent and at times brilliant attempt to understand a particular religious outlook New Statesman Publishing on Orange Day 12 July The Loyalist's Ammunition ,1863 **From Revolution to Reunion** Rebecca Brannon, 2016-09-01 This social history of post Revolutionary South Carolina examines the successful reconciliation of Patriots and Loyalists The American Revolution was a vicious civil war fought between families and neighbors Nowhere was this truer than in South Carolina Yet after the Revolution South Carolina's victorious Patriots offered vanquished Loyalists a prompt and generous legal and social reintegration From Revolution to Reunion investigates the way in which South Carolinians Patriot and Loyalist managed to reconcile their bitter differences and reunite to heal South Carolina and create a stable foundation for the new United States Rebecca Brannon considers rituals and emotions as well as historical memory to produce a complex and nuanced interpretation of the reconciliation process in post Revolutionary South Carolina detailing how Loyalists and Patriots worked together to heal their society She frames the process in a larger historical context by comparing South Carolina's experience with that of other states Brannon highlights how Loyalists apologized but also became vital contributors to the new experiment in self government and liberty In return the state government reinstated almost all the Loyalists by 1784 South Carolinians succeeded in creating a generous and lasting reconciliation between

former enemies but in the process they downplayed the dangers of civil war which may have made it easier for South Carolinians to choose that path a second time

**Royalists and Royalism in 17th-Century Literature** Philip Major, 2019-09-23 Author of plays love lyrics essays and among other works *The Civil War the Davideis and the Pindarique Odes* Abraham Cowley made a deep impression on seventeenth century letters attested by his extravagant funeral and his burial next to Chaucer and Spenser in Westminster Abbey Ejected from Cambridge for his politics he found refuge in royalist Oxford before seeing long service as secretary to Queen Henrietta Maria and as a Crown agent on the continent In the mid 1650s he returned to England was imprisoned and made an accommodation with the Cromwellian regime This volume of essays provides the modern critical attention Cowley's life and writings merit *The Loyalists in North Carolina During the Revolution* Robert O. DeMond, 1979 To the genealogist the Appendices in the back of the book will doubtless hold the greatest interest for herein are found 1 lists of soldiers and civilians who supported the Crown throughout the Revolution 2 lists of Loyalists who suffered land confiscation 3 lists of Loyalists who made application to Great Britain for compensation for loss of office or property and 4 lists of North Carolina Loyalists who received pensions from Great Britain com item\_detail cfm ID 7144 7144

**Comprehensive Approaches to Conflict Resolution** Harriott, Suzette A., 2024-08-28 In businesses and organizations marked with complex and multifaceted conflicts the integration of effective conflict resolution practice is pivotal Conflicts may range from individual or interpersonal conflicts to broad organizational or international disputes Along with new conflict resolution practices comes the need to understand the cultural implications of approaching methods as well as the impacts of technology *Comprehensive Approaches to Conflict Resolution* establishes tools and methods for effective conflict resolution bridging diverse methodologies theories and practical applications in fields like psychology sociology law international relations ethnography and anthropology It explores various theories and models in conflict resolution such as practical negotiation group conflict and mediation strategies This book covers topics such as conflict management and resolution social identity and mediation tools and is a useful resource for academicians researchers educators students business owners industry professionals counselors and entrepreneurs

**Loyalist Literature** Robert S. Allen, 1982-01-01 The highly readable is more than a bibliography Written in a narrative style it is as well a short history of the Loyalists who they were why they left where they settled and what their legacy is

**Machiavellian Rhetoric** Victoria Kahn, 1994-07-05 Historians of political thought have argued that the real Machiavelli is the republican thinker and theorist of civic virtue Machiavellian Rhetoric argues in contrast that Renaissance readers were right to see Machiavelli as a Machiavel a figure of force and fraud rhetorical cunning and deception Taking the rhetorical Machiavel as a point of departure Victoria Kahn argues that this figure is not simply the result of a naive misreading of Machiavelli but is attuned to the rhetorical dimension of his political theory in a way that later thematic readings of Machiavelli are not Her aim is to provide a revised history of Renaissance Machiavellism particularly in England one that sees the Machiavel and the republican as equally valid and

related readings of Machiavelli's work In this revised history Machiavelli offers a rhetoric for dealing with the realm of de facto political power rather than a political theory with a coherent thematic content and Renaissance Machiavellism includes a variety of rhetorically sophisticated appreciations and appropriations of Machiavelli's own rhetorical approach to politics Part I offers readings of *The Prince* *The Discourses* and Counter Reformation responses to Machiavelli Part II discusses the reception of Machiavelli in sixteenth and seventeenth century England Part III focuses on Milton especially *Areopagitica* *Comus* and *Paradise Lost* *Transactions of the Colonial Society of Massachusetts* Colonial Society of Massachusetts, 1913

*The Loyalists in Prince Edward Island* Wilbur Henry Siebert, Florence E. Gilliam, 1911 *The Old Loyalist* Allan Ross Davis, 1908 *The Royal Commission on the Losses and Services of American Loyalists, 1783 to 1785* Daniel Parker Coke, Roxburghe Club, 1915 *Loyalist Writings* Wilbur Henry Siebert, 1921 *Conflict Resolution and Ontological Security* Bahar Rumelili, 2014-12-17 This volume highlights the ways in which the prospect of peace can generate anxieties and consequently set in motion social and political processes that reproduce and reactivate conflicts In analysing this issue the volume builds on the notion of ontological security and its recent applications to international relations theory Although conflicts threaten the physical security of the parties involved they also help settle existential questions about basic parameters of life being and identity and thus over time become sources of ontological security The prospect of peace through the resolution or transformation of conflict threatens to unsettle the stability and consistency of self narratives and their associated routines and habits at the individual group and state levels The contributors argue two key points 1 that ontological insecurity may set in motion political and social processes that reproduce and reactivate conflicts 2 that coping with peace anxieties necessitates the formulation of alternative self narratives at the individual societal and state levels that re-situate the Self in relation to Other and to the world at large Consequently the book analyses the ways in which and the conditions under which conflict resolution induces ontological insecurity and the different ways in which ontological insecurity has prevented the successful culmination of peace processes in different conflict contexts including Cyprus Israel Palestine and Northern Ireland This book will be of much interest to students of critical security studies conflict resolution peace and conflict studies social theory and IR in general *Political Discourse and Conflict Resolution* Katy Hayward, Catherine O'Donnell, 2010-10-04 This book offers new insights into the close relationship between political discourses and conflict resolution through critical analysis of the role of discursive change in a peace process Just as a peace process has many dimensions and stakeholders so the discourses considered here come from a wide range of sources and actors The book contains in depth analyses of official discourses used to present the peace process the discourses of political party leaders engaging or otherwise with it the discourses of community level activists responding to it and the discourses of the media and the academy commenting on it These discourses reflect varying levels of support for the peace process from obstruction to promotion and the role of language in moving across this spectrum according to issue and occasion Common

to all these analyses is the conviction that the language used by political protagonists and cultural stakeholders has a profound effect on progression towards peace Bringing together leading experts on Northern Ireland's peace process from a range of academic disciplines including political science sociology linguistics history geography law and peace studies this book offers new insights into the discursive dynamics of violent political conflict and its resolution *Illusory Consensus* Alexander Pettit, 1997 Alexander Pettit analyzes the formation of and the reaction against the notion of a unified opposition to England's de facto prime minister Sir Robert Walpole 1676-1745 the great man of Scriblerian satire who was reviled throughout the 1730s for his hostility to the belles lettres his alleged disregard of the royal prerogative and his concentration of power in an oligarchy of parliamentary placemen The discussion draws extensively on ephemeral plays sermons pamphlets and newspapers that in their own day were regarded as significant contributions to the political debate Pettit shows that the myth of coherent anti-Walpoleanism was promoted vigorously by Henry St John Viscount Bolingbroke 1678-1751 co-founder of the popular opposition weekly the Craftsman But Pettit argues that much of the anti-Walpole literature of the 1730s responds anxiously to Bolingbroke's prescriptive theorizing and questions or criticizes the terms of his appeals to consensus The opposition was fundamentally in disagreement about how to formulate its objection to modern government Bolingbroke's reductive fantasy of the opposition has been regarded charitably by modern commentators most of whom have chosen to regard the print wars as the occasion for Bolingbroke's major political treatises or as background to the satire of his friends the Scriblerians This emphasis on a small and interconnected group of writers and sources however has caused scholars to neglect the opposition's diversity and its lack of coherence *The Cambridge Companion to English Poetry, Donne to Marvell* Thomas N. Corns, 1993-11-18 English poetry in the first half of the seventeenth century is an outstandingly rich and varied body of verse which can be understood and appreciated more fully when set in its cultural and ideological context This student Companion consisting of fourteen new introductory essays by scholars of international standing informs and illuminates the poetry by providing close reading of texts and an exploration of their background There are individual studies of Donne Jonson Herrick Herbert Carew Suckling Lovelace Milton Crashaw Vaughan and Marvell More general essays describe the political and religious context of the poetry explore its gender politics explain the material circumstances of its production and circulation trace its larger role in the development of genre and tradition and relate it to contemporary rhetorical expectation Overall the Companion provides an indispensable guide to the texts and contexts of early seventeenth century English poetry Herrick, Fanshawe and the Politics of Intertextuality Syrithe Pugh, 2016-04-22 Royalist polemic and a sophisticated use of classical allusion are at the heart of the two 1648 volumes which are the focus of this study yet there are striking differences in their politics and in the ways they represent their relation to poetry of the past Pugh's study of these brilliant but neglected poets brings nuance to our understanding of literary royalism and considers the interconnections between politics and poetics Through a series of detailed close readings revealing the complex and nuanced

significance of classical allusion in individual poems together with an historically informed consideration of the polemical force of both publishing acts Pugh aligns the two poets with competing factions within the royalist camp These political differences she argues are reflected not only in the idea of monarchy explicitly articulated in their poetry but also in the distinctive theories of intertextuality foregrounded in each volume Herrick's absolutism going hand in hand with his peculiarly transcendental image of poetic imitation as an immortal symposium Fanshawe's constitutionalism with a distinctly humanist approach Offering a new argument for the unity of Herrick's vast collection *Hesperides* and making a case for the rehabilitation of Richard Fanshawe this engaging book will also be of wider interest to anyone concerned with politics in seventeenth century literature or with classical reception

*Women, Poetry, and Politics in Seventeenth-century Britain*  
Sarah C. E. Ross, 2015 *Women Poetry and Politics in Seventeenth Century Britain* offers a new account of women's engagement in the poetic and political cultures of seventeenth century England and Scotland based on poetry that was produced and circulated in manuscript Katherine Philips is often regarded as the first in a cluster of women writers including Margaret Cavendish and Aphra Behn who were political secular literary print published and renowned Sarah C E Ross explores a new corpus of political poetry by women offering detailed readings of Elizabeth Melville Anne Southwell Jane Cavendish Hester Pulter and Lucy Hutchinson and making the compelling case that female political poetics emerge out of social and religious poetic modes and out of manuscript based authorial practices Situating each writer in her political and intellectual contexts from early covenanting Scotland to Restoration England this volume explores women's political articulation in the devotional lyric biblical verse paraphrase occasional verse elegy and emblem For women excluded from the public political sphere these rhetorically modest genres and the figural language of poetry offered vital modes of political expression and women of diverse affiliations use religious and social poetics the tropes of family and household and the genres of occasionality that proliferated in manuscript culture to imagine the state Attending also to the transmission and reception of women's poetry in networks of varying reach Sarah C E Ross reveals continuities and evolutions in women's relationship to politics and poetry and identifies a female tradition of politicised poetry in manuscript spanning the decades before during and after the Civil Wars

## **Loyalist Resolve Introduction**

In today's digital age, the availability of Loyalist Resolve books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loyalist Resolve books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loyalist Resolve books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loyalist Resolve versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loyalist Resolve books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loyalist Resolve books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loyalist Resolve books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Loyalist Resolve books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loyalist Resolve books and manuals for download and embark on your journey of knowledge?

### **FAQs About Loyalist Resolve Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
