Loyalties Of Robinson Jeffers:

The Loyalties of Robinson Jeffers James Radcliffe SQUIRES,1956 *The Loyalties of Robinson Jeffers* Radcliffe Squires,1963 Robinson Jeffers and a Galaxy of Writers William B. Thesing,1995 Robinson Jeffers James Karman,2015-08-05 A deeply informative biography situates the poet in his time and place tracing the effect of both contemporary history and wild nature on his work Edwin Cranston Harvard University The precipitous cliffs rolling headlands and rocky inlets of the California coast come alive in the poetry of John Robinson Jeffers an icon of the environmental movement In this concise and accessible biography Jeffers scholar James Karman reveals deep insights into this passionate and complex figure and establishes Jeffers as a leading American poet of prophetic vision In a move that would define his life s work Jeffers family relocated to California from Pennsylvania in 1903 when he was sixteen At the height of his popularity in the 1920s and 1930s Jeffers became one of the few poets ever featured on the cover of Time magazine and posthumously put on a U S postage stamp Writing by kerosene lamp in a granite tower that he had built himself his vivid and descriptive poetry of the coast evoked the difficulty and beauty of the wild and inspired photographers such as Edward Weston and Ansel Adams He was known for long narrative blank verse that shook up the national literary scene but in the 1940s his interest in the Greek classics led to several adaptations which were staged on Broadway to great success Inspiring later artists from Charles Bukowski to Czeslaw Milosz and even the Beach Boys Robinson Jeffers contribution to American letters is skillfully brought back out of the shadows of history in this compelling biography of a complex man of poetic genius who wrote so powerfully of the astonishing beauty of nature **The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** James Karman,2015-07-15 This volume of correspondence the last in a three volume edition spans a pivotal moment in American history the mid twentieth century from the beginning of World War II through the years of rebuilding and uneasy peace that followed to the election of President John F Kennedy Robinson Jeffers published four important books during this period *Be Angry at the Sun* 1941 *Medea* 1946 *The Double Axe* 1948 and *Hungerfield* 1954 He also faced changes to his hometown village of Carmel experienced the rewards of being a successful dramatist in the United States and abroad and endured the loss of his wife Una Jeffers letters and those of Una written in the decade prior to her death offer a vivid chronicle of the life and times of a singular and visionary poet **Robinson Jeffers** Mercedes Cunningham Monjian,2012-01-12 Robinson Jeffers name has been so inseparably linked with California that it is difficult to think of his origins being elsewhere Jeffers was both in 1887 in Pittsburgh Pennsylvania His father was a professor at Western Theological Seminary and a scholar of ancient languages who taught his son to read Greek before he started school In 1902 Jeffers enrolled in the University of Western Pennsylvania now the University of Pittsburgh but his family moved to California soon thereafter and he graduated from Occidental College at the age of eighteen Inhumanism was the label Jeffers first used in the preface to *The Double Axe and Other Poems* to explain the doctrine that permeates all of his

poetry Defining humanism as a system of thinking in which man his interests and development are made dominant his addition of the negative prefix was his attempt to subdue human interests and development to something greater contrasting them against the magnificent beauty and immense worth of the natural world In addition to discussing Jeffers life and philosophy Monjian analyzes the form and style of his poetry calling it a singular style slashing its way across the page with violence of image and a free crashing rhythm She ends the book Whatever the future holds for this poet our own age is still awed by the magnificent talent and effort of a burdened mind struggling to free humanity from the shackles of an impoverished self love and the myths to which he believes it gave birth

The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers Robinson Jeffers, Una Jeffers, 2009 v 1 1890 1930 2009 **Centennial Essays for Robinson Jeffers** Robert Zaller, 1991 This work is the first volume of critical essays devoted to the poetry of Robinson Jeffers Although Jeffers was likened to some of the greatest figures in the literary world his work was controversial His preoccupation with violence and sexuality was denounced by some his alleged blasphemy by others Condemned by moralists Marxists and Cold Warriors alike Jeffers fell into obscurity until his death in 1962 Included are nine original essays by leading Jeffers scholars The Critical Reputation of Robinson Jeffers Alex A. Vardamis, 1972 **A Literary History of the American West** Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

The Excesses of God William Everson, 1988 An event of rare literary distinction this book records the conjunction between two distinguished American poets illuminating not only their work and their connection but also the deep strain of pantheistic mysticism in the American tradition In 1934 William Everson came across a volume of Jeffers s poetry In Everson s word the power of Jeffers broke my own acquired agnosticism and compelled me to think of myself as a manifestly religious man It is a power I still attest to in writing this study a power which I continue to think of as an undiluted religious force It was after reading Jeffers that Everson s vocation as a poet emerged and though they never met or corresponded Everson has remained loyal and dedicated to Jeffers throughout his life Everson who published extensively under his religious name Brother Antoninus during his nearly twenty years as a Dominican lay brother has become one of the most knowledgeable scholars and critics of Jeffers as well as his one avowed poetic disciple This book is written as a series of over lapping and ever widening meditations on Jeffers s sense of God nature the self and language

Adrienne Rich s Later Poetry Alec Marsh, 2024-12-12 Reorienting understandings of Adrienne Rich s later work through her interest in Marx and Marxist politics this book engages with this overlooked part of her oeuvre through considerations of issues such as race nationhood and gender From 1983 onward after she visited revolutionary

Nicaragua until the end of her life Rich's political vision can best be described as Marxist Humanist Until recently very little attention has been paid to Rich's interest in Marx there is no in depth treatment of the effect of Marx's humanistic philosophy on Rich's later work or even on her unwavering but altered dedication to Women's Liberation This book fills this gap showing how Rich's discovery of Marx's humanism affected her poetry In doing so it makes a significant intervention into debates about the direction of American poetics and argues powerfully for a greater consciousness of political engagement through poetry

The Hermit's Hut Kazi K. Ashraf, 2013-10-31 The Hermit's Hut offers an original insight into the profound relationship between architecture and asceticism Although architecture continually responds to ascetic compulsions as in its frequent encounter with the question of excess and less it is typically considered separate from asceticism In contrast this innovative book explores the rich and mutual ways in which asceticism and architecture are played out in each other's practices The question of asceticism is also considered as neither a religious discourse nor a specific cultural tradition but as a perennial issue in the practice of culture The work convincingly traces the influences from early Indian asceticism to Zen Buddhism to the Japanese teahouse the latter opening the door to modern minimalism As the book's title suggests the protagonist of the narrative is the nondescript hermit's hut Relying primarily on Buddhist materials the author provides a complex narrative that stems from this simple structure showing how the significance of the hut resonates widely and how the question of dwelling is central to ascetic imagination In exploring the conjunctions of architecture and asceticism he breaks new ground by presenting ascetic practice as fundamentally an architectural project namely the fabrication of a last hut Through the conception of the last hut he looks at the ascetic challenge of arriving at the edge of civilization and its echoes in the architectural quest for minimalism The most vivid

example comes from a well known Buddhist text where the Buddha describes the ultimate ascetic moment or nirvana in cataclysmic terms using architectural metaphors The roof rafters will be shattered the Buddha declares and the architect will no longer build the house again As the book compellingly shows the physiological and spiritual transformation of the body is deeply intertwined with the art of building The Hermit's Hut weaves together the fields of architecture anthropology religion and philosophy to offer multidisciplinary and historical insights Written in an engaging and accessible manner it will appeal to readers with diverse interests and in a variety of disciplines whether one is interested in the history of ascetic architecture in India the concept of home in ancient India or the theme of the body as building

The Collected Poetry of Robinson Jeffers Robinson Jeffers, Tim Hunt, 1988 The first three volumes of this four volume work will present chronologically all of Jeffers published work from 1920 to 1963 Jeffers publishers sometimes adjusted his punctuation presumably to bring the poems punctuation into accord with grammatical convention The texts for this edition revert to Jeffers own preferences insofar as the best methods of modern textual editing can reveal them Western American Literature, 1998
