Return to the beloved Celtic inspired world of Deverry in this new epic fantasy trilogy that blends magic, politics and adventure as two women fight to reform their society. The bards are the people's voice and their sword. All over the kingdom of Deverry the common people are demanding reform of the corrupt law courts. In Aberwyn the situation catches fire when Gwerbret Ladoic, second in authority only to the High King, allows a bard to starve to death rather than hear their grievances. Guildwoman Alyssa, a student at the local scholar collegium, and Lady Dovina, the gwerbret's own daughter, know that evidence exists to overthrow the so-called traditional legal system if they can only get it into the right hands. The powerful lords will kill anyone who threatens their privileges. To retrieve the proof, Alyssa must make a dangerous journey that will either change her life forever or end it.
