Lucky Dip And Other Stories:

Lucky Dip, and Other Stories Liza Cody, 2003-01-01 *Luck, and Other Stories* Mary Arden, 1928 **Short Story Index**, 2004 **The Dinner Club and Other Stories** Rob Keeley, 2021-03-11 The Dinner Club and Other Stories sees a slight shift away from the fantasy elements of previous books to a style of story more rooted in the here and now. However, all the most popular characters and set ups from the first two books are present here along with many new characters and some innovative storylines. [MY PEOPLE and other crime stories](#) Liza Cody, 2021-10-21 MY PEOPLE and other crime stories is Liza Cody's collection of innovative and cutting edge short stories written between 2003 and 2021. Two have never been previously published in English. This prize winning author is known for her outspoken yet subtle invocations of all aspects and consequences of violence and betrayal. Cody was one of the first writers to put women at the centre of private detective novels and short stories. Book Review 1 Cody is a storyteller. Reading her is refreshing after the bravado of the American style. Cody's dialogue is always funny and full of purpose and here she's found her perfect protagonist: a creative mangler of platitudes and uncontrollable shredder of pomp and hypocrisy. Great dialogue as ever and some gorgeous imagery. It all added up to a book I'm sorry to close. About LADY BAG Newgate Callendar New York Times Book Review Mat Coward The Morning Star Peter Lovesey MWA Grandmaster Book Review 2 Eva is a wondrous creation: an incorrigible innocent in a story that crackles with energy. Super Cody! It's like a rock and roll version of Pilgrim's Progress. Eva is rude, crude, funny, touching and perhaps the boldest creation to land in recent crime fiction. About BUCKET NUT Kirkus Reviews The Philadelphia Inquirer Book Review 3 Give me more books like Gimme More. Probably the greatest rock n roll novel ever. About GIMME MORE Laura Lippman Nick Johnstone uncut [Mysteries Unlocked](#) Curtis Evans, 2016-04-19 In honor of the 70th birthday of Professor Douglas G. Greene, mystery genre scholar and publisher, this book offers 24 new essays and two reprinted classics on detective fiction by contributors around the world, including ten Edgar Mystery Writers of America winners and nominees. The essays cover a myriad of authors and books from more than a century, from J. S. Fletcher's *The Investigators* (originally serialized in 1901) to P. D. James' *Death Comes to Pemberley* (published at the end of 2011). Subjects covered include detective fiction in the Edwardian era and the Golden Age, between the two world wars, hard-boiled detective fiction, mysteries and intellectuals, and pastiches, short stories and radio plays. *The World's Finest Mystery and Crime Stories: 5* Ed Gorman, 2004-10 An annual collection of more than thirty mystery stories from the United States, the United Kingdom, Canada, and Germany, including pieces by such names as Ruth Rendell, Ed McBain, Barbara Hambly, Ian Rankin, and Joyce Carol Oates. **The Last Cheetah and Other Stories** Vijay Padaki, 2024-11-09 A JOY RIDE The stories in the two volumes are packed with a wide variety of plots and a charming range of characters. They combine intriguing content with witty narration. There is the housemaid with a pair of exquisite gold anklets, a policeman who befriends a house servant accused of a petty crime, the nineteenth-century bungalow with a spirit hidden in its walls, the tigress falling in love with a handsome man, the

mother of a man held hostage who refuses to join the prayer meeting learning a thing or two from the wisdom in a tribal community a grandfather who discovers another form of intelligence in a little boy not revealed before others a bond between a teen aged girl and the family gardener coming to terms with cancer a village boy migrating to the city in the retail boom elders falling in love and seeking rules of the game death rituals turning tragically funny telepathic bonds in identical twins a spooky visit to a police station the story of the last cheetah in India And that is just a sampler The stories are kept short and sweet never imposing always entertaining

Miss Terry Liza Cody, 2012-09-13 Nita Tehris life seems sorted She has a good job she lives in a pretty apartment in a quiet street and she has escaped from the family who endangered her Yet despite everything she's achieved she still has a problem She doesn't look like her neighbours And when a grizzly discovery is made outside her door all eyes turn towards her She has done nothing wrong But slowly inexorably her life turns inside out How can the people she used to think of as her friends and colleagues behave so irrationally in modern enlightened England Little by little her faith in society and British justice is eroded It isn't only her belief in fair play that's threatened One thing is certain if she survives her life will never be the same
