Chicago Renaissance Liesl Olson, 2017-08-22 A fascinating history of Chicago s innovative and invaluable contributions to American literature and art from the late nineteenth to the mid twentieth century This remarkable cultural history celebrates the great Midwestern city of Chicago for its centrality to the modernist movement Author Liesl Olson traces Chicago s cultural development from the 1893 World s Fair through mid century illuminating how Chicago writers revolutionized literary forms during the first half of the twentieth century a period of sweeping aesthetic transformations all over the world From Harriet Monroe Carl Sandburg and Ernest Hemingway to Richard Wright and Gwendolyn Brooks Olson s enthralling study bridges the gap between two distinct and equally vital Chicago based artistic renaissance moments the primarily white renaissance of the early teens and the creative ferment of Bronzeville Stories of the famous and iconoclastic are interwoven with accounts of lesser known yet influential figures in Chicago many of whom were women Olson argues for the importance of Chicago s editors bookstore owners tastemakers and ordinary citizens who helped nurture Chicago s unique culture of artistic experimentation Cover art by Lincoln Schatz *Gertrude Stein* G.F. Mitrano, 2017-09-29 In her

provocative study of Gertrude Stein G F Mitrano argues that Stein's particular take on modernity has special relevance for today Tracing what she describes as Stein's deeply modernist story of transformation from a nineteenth century American woman to the disquieting muse of avant garde culture portrayed in Picasso's famous portrait Mitrano illuminates Stein's immense appetite for life her love of thinking and her craving for recognition Her approach is innovative combining the exegetical the visual and the theoretical to emphasize Stein's struggle for individuality and public achievement as a profoundly historical struggle involving personal choices linked for example to her sexuality or the uses of her physical appearance Stein continues to attract attention Mitrano contends because she anticipates many contemporary concerns especially in the field of critical thinking from the question of subjectivity to the status of the writer as a laborer among many to the meaning of fame and the private/public divide

The Ecology of Modernism Joshua Schuster, 2015-10-15 *The Ecology of Modernism* explores the unexpected absence of an environmental ethic in American modernist and avant garde poetics given its keen concern with an environmental aesthetic and explains why American modernism was never green Examining the relationships of key modernist writers poets and musicians to nature industrial development and pollution Joshua Schuster posits that the curious failure of modernist poets to develop an environmental ethic was a deliberate choice and not an inadvertent omission

[Curved Thought and Textual Wandering](#)

Ellen E. Berry, 2025-10-01 This wide ranging and provocative study traces Gertrude Stein's production of avant garde texts that radically disrupted traditional notions of how fiction should be defined, valued and read. The book combines feminist and postmodern perspectives to illuminate new facets of Stein's novels and to situate them within an expanded definition of the postmodern. The author argues that if we fail to consider the contexts within which postmodern innovations occur and if we subsume all formal disruptions under a generalized postmodern mode, we obscure important differences among authors and distort the notion of the postmodern itself. The study expands our understanding of Stein as a novelist and a narrative theorist, repositions her work within a revised notion of literary history and thus clarifies points of relation and divergence between modernism and postmodernism. It also assists in the historicizing of the postmodern literary emergence by insisting on the centrality of gender as a category of analysis. Finally, it argues for the importance of constructing definitions of postmodernism that will allow space to consider the complexity and diversity of its cultural practices. *Curved Thought and Textual Wandering* will be welcomed by scholars of modernism of Gertrude Stein and of feminist and narrative theory and postmodern culture.

Genealogy of the Waldo Family, 1902 **Rapture Untold** Linda S. Watts, 1996 *Rapture Untold: Gender Mysticism and the Moment of Recognition in Works by Gertrude Stein* analyzes patterns within Stein's language, revealing the nature and origin of religious ideas in her work, particularly those texts written during the 1920s. By viewing Stein's texts in light of recent feminist criticism, theories of gender and reading, and Stein's influence on the French feminists and Language poets, it may be possible to re-envision the process of reading Gertrude Stein.

Lucy Church, amiably; A novel of Romantic beauty and nature and which looks like an engraving Gertrude Stein, 1969 **Lucy Somerville Howorth**

Dorothy S. Shawhan, Martha H. Swain, 2006-06-01 Born, raised and retired in Mississippi, Lucy Somerville Howorth (1895-1997) was a champion for the rights of women long before feminism emerged as a widely recognized movement. As told by Dorothy S. Shawhan and Martha H. Swain, hers is a remarkable life story from a small town upbringing to a career as an attorney, an activist, and the last of a generation of New Deal women in Washington, D.C. She held a presidential appointment under every chief executive from Franklin Roosevelt to John Kennedy. Howorth was a fervent believer in the power of organizations to bring about change, and she became known for her leadership qualities, acumen, and quick appraisal of social problems, particularly as they affected women. Shawhan and Swain point out that her winsome personality, small stature, and delightful sense of humor also aided her as a female aspiring in a man's world. In 1931, she was elected to the Mississippi House of Representatives, and after campaigning for Roosevelt, was rewarded by the new president with a federal appointment. She served in a number of subsequent roles, rising to become general counsel of the War Claims Commission at that time, the highest legal position in an executive commission ever filled by a woman. Howorth worked relentlessly for the advancement of women, especially through the American Association for University Women and the National Federation of Business and Professional Women. She lobbied for equality in the workplace, helping to effect significant advances in government and the

professions In 1944 at the request of Eleanor Roosevelt Howorth delivered the keynote speech at the White House Conference on Women in Postwar Policy Making the most memorable of her many public addresses This first ever biography of Howorth bestows long overdue recognition of her many notable achievements and illuminates the activism of women in the decades often considered to be the doldrums of the women s movement

Volume 1 Family and Mormon Church Roots: Colonial Period to 1820 JOHN J HAMMOND, 2011-07-27 This is the first volume of a multi volume work entitled The Quest for the New Jerusalem Mormon Generational Saga and it ends with a listing of the titles of all sixteen volumes in this series which have been written to this point Before discussing the first volume it is necessary to describe the entire series Around the year 2000 the author began a thorough investigation of his genealogical roots and to his surprise discovered that many of his ancestors had played significant roles in the early history of America and central roles in the history of Mormonism Wherever he looked his ancestors were there during the colonial King Phillip s and French and Indian Wars in New England at the Battle of Bunker actually Breed s Hill and on a prison ship for two years on the Hudson River during the American Revolution on whaling ships in the south Atlantic and northern Pacific during the 1840s at Mormon Kirtland Far West and Nauvoo during the turbulent and often bloody events of the 1830s and 1840s in the earliest Mormon experiments with polygamy almost all of the author s ancestors were polygamists in San Francisco and Sacramento during the earliest stages of the California Gold Rush in the immigrant ships filled with Mormon converts crossing the Atlantic in the wagon trains carrying the saints across the plains to Salt Lake City during the establishment of the Mormon Church in Hawaii in the early 1850s in the first halting steps toward elementary and higher education in Utah during the Mormon War with the U S army in Utah in 1857-58 in the operation of the early Salt Lake Theater in the building of the transcontinental railroad across Utah in 1869 in the settlement of the wild four corners area during the 1880s and 1890s in the rather secret and somewhat underhanded process by which Utah became a state and in the pioneer settlement of southern Idaho in the early 1900s The author felt impelled to tell these wonderful ancestral stories and it became obvious that this could not be done without giving an account of the history of the Mormon Church the two subjects were intimately interwoven Furthermore telling the linked ancestral Mormon story beginning in the American colonial period could not be adequately undertaken without giving an account of significant events in the larger American story In recent years a number of writers have given us fascinating generational family stories Alex Haley s Roots is a well known example Haley traced his African American family all the way back to a slave taken from a village in Africa In 1991 Chinese American Jung Chang s in her Wild Swans Three Daughters of China told a wonderful story of three generations of Chinese women her great grandmother grandmother and mother reaching back to China Adele Logan Alexander s Homelands and Waterways The American Journey of the Bond Family is an account of several generations of the author s African American family Concerning another example James Fox s The Langhorns of Virginia reviewer Robert Skidelsky wrote It was a clever idea to use family history to write about social and

political history What Fox does is to use the Langhorne sisters as a peg on which to hang the story of the decline of the British aristocracy or Empire or both John Hammond's multi volume Mormon Generational Saga evolved into something very similar to Fox's but he utilizes family history to write about religious as well as social and political history In fact what has emerged is a very detailed examination of the early history of the Mormon Church with a special focus upon how that history affected his ancestors The series opens in the earliest years of colonial New England with an account of four of the author's ancestral families and the early lives and ancesto

Studia Anglistica Upsaliensia ,1963 **Ballantyne's Novelist's Library** ,1824 **Ballantyne's Novelist's Library** James Ballantyne,1824 **Joseph Smith** Richard Lyman Bushman,2007-12-18 Founder of the largest indigenous Christian church in American history Joseph Smith published the 584 page Book of Mormon when he was twenty three and went on to organize a church found cities and attract thousands of followers before his violent death at age thirty eight Richard Bushman an esteemed cultural historian and a practicing Mormon moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality his relationships with others and how he received revelations An arresting narrative of the birth of the Mormon Church Joseph Smith Rough Stone Rolling also brilliantly evaluates the prophet's bold contributions to Christian theology and his cultural place in the modern world
