beginning four months of the uprising first hand and actively participated in a variety of public actions and budding social movements Throughout this period she kept a diary of personal reflections on and observations of this historic time Because of the outspoken views she published in print and online Yazbek quickly attracted the attention and fury of the regime vicious rumours started to spread about her disloyalty to the homeland and the Alawite community to which she belongs The lyrical narrative describes her struggle to protect herself and her young daughter even as her activism propels her into a horrifying labyrinth of insecurity after she is forced into living on the run and detained multiple times excluded from the Alawite community and renounced by her family her hometown and even her childhood friends With rare empathy and journalistic prowess Samar Yazbek compiled oral testimonies from ordinary Syrians all over the country Filled with snapshots of exhilarating hope and horrifying atrocities she offers us a wholly unique perspective on the Syrian uprising Hers is a modest yet powerful testament to the strength and commitment of countless unnamed Syrians who have united to fight for their freedom These diaries will inspire all those who read them and challenge the world to look anew at the trials and tribulations of the Syrian uprising **E. Beaird,2022-06-28 Ethan Wright is a normal sixteen year old student at Bellport High School He doesn't have to worry about the day to day struggles that the evolutionals in his world have to face just for existing Or does he When Ethan accidentally crosses paths with an evolutionary he's attacked

for reasons he doesn't understand and now he's forced to face the consequences. He's not only having to learn just how misunderstood evolutionals are but also how to exist as one himself as a devastator. Between struggling to control himself, adjusting with recent changes and finding a place among the general population as well as evolutionals, now he has to worry about the Evolutionals Containment and Executions Unit or ECEU coming after him. His friends Miles and Haley and his new friend Connor will do whatever it takes to give him the support he needs to be able to thrive and survive that is until Ethan finds himself captured and under the control of the ECEU's Aerial Hunting Team's captain Thomas Rhomes. Rhomes has a strong reputation around the ECEU so when he brings up a plan that would require Ethan to be a new addition to his team, things get really complicated. Whether it's to use him as a tool for finding other evolutionals or as a shield for his team, the idea of adding an evolutionary to their team would provide a unique opportunity for Ethan but only if Ethan is willing to cooperate. Rhomes and his team have a history of dealing with devastators like Ethan so it's only natural for him to be his handler. With Rhomes's guidance and role as the team's captain, life just gets really interesting for everyone involved. How does Ethan adjust to everything in his new life?
