## **Me And Nu Childhood At Coole:**

**Me and Nu** Anne Gregory,1970      *Me & Nu* Anne Gregory,1970      **Me and Nu** Anne Gregory,1978 The author s childhood memories of living at Coole Park with her grandmother Lady Gregory      **Me and Nu** Anne Gregory,1970      **A Journey Into Ireland's Literary Revival** R. Todd Felton,2010-07 From the 1890s until the 1920s a great tide of literary invention swept Ireland As the country struggled for political independence the writers who formed the Irish Literary Revival created a new authentically Irish literature Some such as W B Yeats John Synge and Lady Gregory celebrated the mystical tradition of Ireland s west others such as Sean O Casey explored Dublin s crowded streets and tenements This fascinating revealing and beautiful book examines the relationship between these writers and the towns and countryside that fueled their imaginations Part history part biography and part travel guide *A Journey into Ireland s Literary Revival* takes the reader to Galway the Aran Islands Mayo Sligo Wicklow and Dublin Along the route it visits the cottages and castles crags and glens theaters and pubs where some of the country s finest writers shaped an enduring vision of Ireland      **Lady Gregory's Toothbrush** Colm Tóibín,2002 Later she wrote plays celebrating rebellion but trembled in her bed when the Irish revolution threatened her property and her way of life      *The Winding Stair and Other Poems* William Butler Yeats,2012-03-13 An exact facsimile of the 1933 first edition of W B Yeats s *The Winding Stair and Other Poems* a famously beautiful elegant volume intended as a companion to *The Tower* with an introduction and notes by the eminent Yeats scholar George Bornstein This Scribner facsimile edition reproduces exactly the pages of the elegantly planned and designed first edition of *The Winding Stair and Other Poems* as it first appeared including a photo of the cover design on which Yeats collaborated It adds an introduction and notes by celebrated Yeats scholar George Bornstein Yeats s longest separate volume of verse it features sixty four poems written in the late 1920s and early 1930s Among them are such masterpieces as *Blood and the Moon* *Byzantium* the *Coole Park* poems *Vacillation* and two separately titled long sequences ending with the exquisite lyric *From the Antigone* These poems amply justify T S Eliot s contention that Yeats was one of the few poets whose history is the history of their own time who are a part of the consciousness of an age which cannot be understood without them      *Myth and Reality in Irish Literature* Joseph Ronsley,2006-01-01 *Myth and Reality in Irish Literature* offers a rich collection of essays covering a wide spectrum of Irish literature from the early medieval saints and scholars to twentieth century writers such as Joyce and Beckett Lady Gregory Synge Yeats O Casey and Myles na Gopaleen are among the poets playwrights critics and authors treated in the book The essays are written from both a personal and a scholarly perspective Contributors to the volume include the Irish authors Denis Johnston Thomas Kilroy Kate O'Brien and Thomas Kinsella and scholars David Greene Denis Donoghue Ann Saddlemyer and Shotaro Oshima Of interest to students of English Literature as well as observers of the Irish scene this book is of particular value to students of Irish heritage and literature      **The Last Minstrels** Ronald Schuchard,2008-02-28 Recovering a lost literary movement that was the most consuming preoccupation of

W B Yeats's literary life and the most integral to his poetry and drama Ronald Schuchard's *The Last Minstrels* provides an historical biographical and critical reconstruction of the poet's lifelong attempt to restore an oral tradition by reviving the bardic arts of chanting and musical speech. From the beginning of his career Yeats was determined to return the living voice of the poet from exile to the centre of culture on its platforms, stages and streets, thereby establishing a spiritual democracy in the arts for the non-reading as well as the reading public. Schuchard's study enhances our understanding of Yeats's cultural nationalism, his aims for the Abbey Theatre and his dynamic place in a complex of interrelated arts in London and Dublin. With a wealth of new archival materials, the narrative intervenes in literary history to show the attempts of Yeats and Florence Farr to take the new art of chanting to Great Britain, America and Europe, and it reveals for the first time the influence of their auditory poetics on the visual paradigm of the Imagists. The penultimate chapter examines the adjustments Yeats made for his movement during the war, including chanting and other adaptations from Noh drama for his dance plays and choruses, until the practice of his unfashionable art became dormant in the 1920s, before the restless rise of realism. The final chapter resurrects his heroic effort in the 1930s to reunite poetry and music and reconstitute his dream of a spiritual democracy through the medium of public broadcasting.

**Anglo-Irish Autobiography** Elizabeth Grubgeld, 2004-03-01 As a volatile meeting point of personal and public experience, autobiography exists in a mutually influential relationship with the literature history, private writings and domestic practices of a society. This book illuminates the ways evolving class and gender identities interact with these inherited forms of narrative to produce the testimony of a culture confronting to its own demise. Elizabeth Grubgeld places Irish autobiography within the ever-widening conversation about the nature of autobiographical writing and contributes to contemporary discussions regarding Irish identity. Her emphasis on women's autobiographies provides a further reexamination of gender relations in Ireland. While serving as the first critical history of its subject, this book also offers a theoretical and interpretive reading of Anglo-Irish culture that gives full attention to class, gender and genre analysis. It examines autobiographies, letters and diaries from the late eighteenth century through the present, with primary attention to works produced since World War I. By examining many previously neglected texts, Grubgeld both recovers lost voices and demonstrates how their work can revise our understanding of such major literary figures such as George Bernard Shaw, W B Yeats, John Synge, Elizabeth Bowen and Louis MacNiece.

Twentieth Century Drama Simon Trussler, 1983-04-01 A compendium of information on all the main events, individuals, political groupings and issues of the 20th century. It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading.

*Against the Odds* Caroline Studdert, 2019-04-30 From the eyes of one who saw it all comes an insightful and fascinating biography on Elizabeth Studdert, a sculptor who deserves more recognition. Caroline Studdert explores her sister's life and work set against the backdrop of her childhood in wartime and postwar England, Minden in Germany and Waterford, Ireland. It also details the struggle to carve out time and money for her passion as

opportunities for art were limited and there was growing parental opposition and the traumatic death of her brilliant naval engineer father when she was sixteen Delving into the complications of an Anglo Irish heritage and stormy relationship with her mother her supposedly unsuitable first marriage to a Roman Catholic and financial burdens the book describes the many obstacles thrown in Elizabeth's path and her determination to overcome them Thumbnail sketches give a fascinating glimpse of Anglo Irish relationships including an incident with Elizabeth's father and the famous Augusta Gregory after whom Elizabeth is named her father's family background her mother's turbulent history and a slightly feudal Waterford aristocratic society where the Studderts are foreign interlopers The reader is also treated to an array of Elizabeth's work from an initial focus on portrait heads to the whole figure to an exploration of more abstract shapes Today she lives near Aylesbury in a small house designed by her son when she is not in Scotland With lavish illustrations and a behind the scenes look at the passion and difficulties this extraordinary sculptor has dealt with *Against the Odds* is a story not alone of art but life on a truly relatable and inspiring level

**Transatlantic Renaissances** Kathryn Stelmach Artuso, 2013 The impulses that fired the Southern Literary Renaissance echoed the impetus behind the Irish Literary Revival at the turn of the twentieth century when Ireland sought to demonstrate its cultural equality with any European nation and disentangle itself from English imposed stereotypes Seeking to prove that the South was indeed the cultural equal of greater America despite the harsh realities of political defeat economic scarcity and racial strife Southern writers embarked on a career to re imagine the American South and to re invent literary criticism *Transatlantic Renaissances Literature of Ireland and the American South* traces the influence of the Irish Revival upon the Southern Renaissance exploring how the latter looked to the former for guidance artistic innovation and models for self invention and regional renovation While Deleuze and Guattari's model for minor literature refers to minority or regional authors who work within a major language for purposes of subversion Artuso modifies their term along generic and thematic lines to refer to errant female juveniles within subsidiary genres whose nonconformist development threatens to disrupt the dominant patriarchal culture of a region or nation Using the themes of initiation and maturation to anchor the book Artuso analyzes how the volatile development of young women in revivalist texts often reflects or questions larger growth pangs and

patterns including the evolution of the literary revival itself and the development of a regional minority group that must work within a dominant culture language and nation while seeking methods of subversion With minor literature as the container for undervalued genres such as popular fiction and short stories often considered an author's juvenilia this work investigates not only how these texts challenge the authoritative claims of the novel but also scrutinizes the renaissance trope of female rebirth as the revivalists often figured cultural national or regional regeneration through the metamorphoses or maturation of female protagonists such as Cathleen n Houlihan Scarlett O'Hara and Virgie Rainey Drawing upon New Historical New Critical and postcolonial approaches Artuso examines works by Lady Gregory Margaret Mitchell Eudora Welty Elizabeth Bowen Jean Toomer and James Joyce *Lady Gregory* Judith Hill, 2011-04-14 Lady Gregory Abbey Theatre founder and patron of W B Yeats writer and daughter of a Galway landowner became a key figure in the Irish Revival This new biography investigates Augusta Gregory's varied relationships and the contradictions and achievements of her life This portrait of a fascinating woman places Lady Gregory in the Ireland of her time showing how her nationalism in politics and literature shaped her life and work Critical Companion to William Butler Yeats David A. Ross, 2014-05-14 Examines the life and writings of William Butler Yeats including a biographical sketch detailed synopses of his works social and historical influences and more *A Short Relation or Testimony of the Working of Christ in me from my Childhood, etc* William Bayly, 1659 Sean O'Casey Christopher Murray, 2004-11-08 Se O'Casey was the quintessential Dublin playwright In critical works that include his Dublin Trilogy *The Shadow of a Gunman* *Juno and the Paycock* and *The Plough and the Stars* he portrayed the traumatic birth of a nation and delved into the Irish national character Christopher Murray's *Se O'Casey Writer at Work* takes a fresh look at the last of the great writers of the Irish literary revival **Face to Face** Gabrielle Warnock, Jeff W. O'Connell, 2000 Portraits of writers taken in Kennys Bookshop Galway *Coole Lady* Sam McCready, 2005
