## Me N Alvin:

**Black Men Can't Shoot** Scott N. Brooks,2009-08-01 The myth of the natural black athlete is widespread though it is usually talked about only when a sports commentator or celebrity embarrasses himself by bringing it up in public Those gaffes are swiftly decried as racist but apart from their link to the long history of ugly racial stereotypes about black people especially men they are also harmful because they obscure very real hard fought accomplishments As *Black Men Can't Shoot* demonstrates such successes on the basketball court don't happen just because of natural gifts instead they grow out of the long tough and unpredictable process of becoming a known player Scott Norman Brooks spent four years coaching summer league basketball in Philadelphia And what he saw heard and felt working with the young black men on his team tells us much about how some kids are able to make the extraordinary journey from the ghetto to the NCAA He tells the story of two young men Jermaine and Ray following them through their high school years and chronicling their breakthroughs and frustrations on the court as well as their troubles at home *Black Men Can't Shoot* is a moving coming of age story that counters the belief that basketball only exploits kids and lures them into following empty dreams and shows us that by playing ball some of these young black men have already begun their education even before they get to college What Men Don't Tell Women About Business Christopher V. **The Jailhouse Lawyer** Calvin Duncan,Sophie Cull,2025-07-08 Duncan s story is so incredible it strains belief It is so heartwarming and hopeful that it will stay with you for a long time John Grisham This brilliantly told story at once maddening and miraculous is among the most powerful indictments of our criminal justice system I ve ever read James Forman Jr A searing and ultimately hopeful account of Calvin Duncan the most extraordinary jailhouse lawyer of our time Sister Helen Prejean and his thirty year path through Angola after a wrongful murder conviction his coming of age as a legal mind while imprisoned and his continued advocacy for those on the inside Calvin Duncan was nineteen when he was incarcerated for a 1981 New Orleans murder he didn t commit The victim of a wildly incompetent public defense system and a badly compromised witness Duncan was left to rot in the waking nightmare of confinement Armed with little education he took matters into his own hands At twenty one he filed his first motion from prison Motion for a Law Book which launched his highly successful self taught legal career Trapped within this wholly corrupted system Duncan became a legal advocate for himself and his fellow prisoners as an inmate counsel at the infamous Louisiana State Penitentiary Angola Literature sustained his hope as he learned the law in its shadow During his decades of incarceration Duncan helped hundreds of other prisoners navigate their cases advocating for those the state had long since written off He taught a class in the midst of Angola to empower other incarcerated men to fight for their own justice under the law But his own case remained stalled A defense lawyer once responded to Duncan s request for documents You are not a person Criminal justice reform advocate Sophie Cull met Duncan after he was finally released from prison he began to tell her his story Together they ve written a bracing condemnation of the criminal legal system and an intimate portrait of a heroic and brilliant man s resilience in the face of injustice **Revelations** Charlotte Phoenix,2014-10-25 November 2004 investigative reporter Claudia Reynolds

*God Laid His Hand on Me* Mark Heim, 2023-01-05 After you read my book you can see I am an ordinary man For some reason God wanted me to live You can read all the things that happened and didn't happen They can't be explained away by science medicine physics the law of averages or luck There clearly is only one way to explain it God laid his hand on me and protected me and healed me and finally I got the message that I should tell the world to open your eyes He didn't die two thousand years ago and that's it The media never dwell on the positive things every day Just start looking for yourself He is still here
