Me Nobody Knew:

The Girl Nobody Knew J.R. Roberts, The Gunsmith 449 The Girl Nobody Knew Clint rides into the town of Split Rail Wyoming for no other reason than to stop for a meal and a bed before continuing on his way to nowhere He has no destination in mind and is not on his way to help anybody who s in trouble He s just riding Split Rail is a decent sized town with plenty of places to eat He picks one that is pretty crowded but gets himself a table in the back that nobody else seemed to want Before he s served a woman comes over and asks if she can sit with him since he s eating alone Otherwise she can t get a table She s lovely so he agrees They get along end up in his hotel room for the night and then agree to meet the next day Only the next day she s nowhere to be found and no one seems to remember her not even the waiter in the restaurant It s not that she s gone it s as if she never existed *A Witch Hunt in Whitby* Helen Cox,2021-04-15 A serial killer is loose in Yorkshire and has claimed three victims in three months Eleven days before each murder a large purple V is painted on the front door of the victim s house The victims all of whom have some association with the occult are found drained of blood with two red marks on their neck When RUBY BARNETT comes home one evening to find a large purple V on her front door it becomes clear she is the so called Vampire Killer s next victim Private Investigators KITT HARTLEY and GRACE EDWARDS have just eleven days to solve the mystery and save Ruby s life The clock is ticking READERS LOVE THE KITT HARTLEY SERIES Utterly fascinating and highly entertaining reader review I loved this book so much reader review I felt as though I was right by Kitt s side helping her solve the mystery reader review Perfect reader review Brilliant reader review One of my favourite series reader review Absorbing and brilliant reader review **Imagination Fully Dilated** Patrick Swenson,Robert Kruger,2003-07-15 Clark has had his own artwork interpreted by writers in two previous Imagination Fully Dilated volumes Now in this third installment of this important anthology are 16 tales by established as well as up and coming writers based on his science fiction artwork Death in Living Gray John Clayton,2006-06 Prudence Abernathy left her job in a California art gallery to marry a young army captain on the way home from Vietnam She settled into the life of a country housewife at the old family plantation in Mason County VirginiaOCothat is until her husband is disbarred from practicing law Prudence has to pitch in to keep the family finances afloat first by selling off antiques from the manor house and then by welding funky furniture out of cast off farm machineryOCOthe big stuff like tractors and combines SheOCO making do selling the furniture mostly to the commuters who are moving into the northern end of the county from the Washington DC area Then one of her heavy tractor sofas crashes through the parlor floor of the Abernathy manor house causing part of the chimney facing to disintegrate The collapse exposes the secret compartment in the wall next to the fireplace allowing a skeleton in a Confederate LieutenantOCO uniform to fall out While dusting for prints in the compartment the police forensic team also finds an expensive bracelet that was stolen the previous year from a retired Yankee businessman J Augustus Pickerill ItOCOs possible that the person in Confederate uniform was involved in the theft during the Confederate Memorial Day Ball that Mr

Pickerill hosted during the previous May and hid there after he was mortally wounded by an accomplice who didn't want to share the loot But it is also possible that the theft was done before the ball while the Pickerills were out of the country on vacation Unfortunately Prudence was making some tractor furniture in Mr Pickerill's rec room during the vacation period That gave her the opportunity to steal the jewelry The local sheriff also decides that she had the means since the safe containing the jewelry was opened with a welder's cutting torch and the motive since the Abernathys are chronically broke Aided by her friends and her status as an almost local after living in the county for thirty years she sets out to prove her innocence As she works her way down the list of possible suspects she comes into sometimes amusing contact with many of the citizens of Mason County who when not answering Prudence's questions are busy trying to navigate their lives between the rural Old South and the encroaching suburbia spreading its technocrat tentacles out from the big city A reading sample author bio and picture can be found at bosonbooks.com
