oceans from far far away to America who knew the secret to happiness Serene Song s writing is bold poignant nurturing and serious Her writing is also more than very pleasant but wonderful has lots of sense of humor She wants to leave a lasting impact on the readers She writes with her heart of a Christian the morals and the heart of stories that are important and true You can trust the writer and her stories which can impart extremely positive and humanistic perspective Eat Drink And Be My Best; Forget The Rest Theo Annika Knillsson,2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall It is hard to eat healthy when there is not enough money to do so Also when a victim is an emotional mess it is hard to eat healthily In reality the abuser pretty much dictates what when and if you eat at all Abusers force victims to eat foods that make a victim never want to eat that food again and some of those foods are healthy foods There are so many factors in why victims of abuse eat the way they do and why they have eating disorders Eating healthily is a big deal especially when a victim becomes malnourished due to abuse I was anorexic for a few years because of the long term horrific abuse At this time I had just had my last child down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation It took years of eating enough healthy food to get my weight back to a normal weight And then of course I unintentionally got back into another abusive situation His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again I was forced not to work in this final abusive marriage I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again Forced not to work made it so I had to use credit cards in order to eat enough healthy food At least I was not damaged again by anorexia No matter how forceful or abusive my husband was then my kids were not going to go without healthy food even if I was on a tight budget I would go into debt all over again so they could eat healthy I keep thinking I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage Finally out of that my last abusive marriage I am slowly but surely paying off the debt Yes with a lot of interest charge but I am going to be out of debt eventually I work as much as I can even if I am physically disabled unlike my last abusive husband I have to work to eat healthy I can t worry about the debt or I won t get out I eat healthy and in time I will become wealthy enough to be out of debt Because healthy is wealthy That is why I wrote this book to give you the reader ideas on what and how to eat drink and be the best forget the rest I will always be on a tight budget and that is how I will get out of debt SMART SPENDING HAPPY ENDING **Almost A Born Loser!** Annis Gregory Aleck,2011-05-09 Canada also tried to exterminate the Indians just like the USA but used subtle methods like diseases starvation Residential Schools and oppression Then when we tried to do something for ourselves we were held back by the Govt and many Canadians wouldn t hire us or didn t treat us very well when we got hired Canada kept the truth well hidden by not exposing the truth or distorting stories so much that when they were exposing what happened there was very little if any truth to what they re saying My story will expose some of these issues and how we had to struggle against overwhelming odds to do something

The Lady in Red Shirley Elizabeth Brumfield, 2020-11-22 MY STORY IS about an addict whose name is Elijah Wayne Jackson Eli for short This has many characters mainly drug addicts I have woven the Lady in Red on the assumption that she is a product of his paranoia The story line I hope will bring the public to an awareness of addicts and the things they do when they are high and ingesting drugs The story is very explicit and complete with mystery and science fiction overtures My story takes place in a ghetto in Brooklyn New York around the late 1980s a time when crack cocaine was

strongly used Although other addicts and their highs are being depicted it is only to give the reader a sense of how things play out in the drug world as opposed to the real world Basically I am trying to bring science fiction to the ghetto in a more believable sense Along with the mystery of the Lady in Red there is another main character that comes into play and his name is James James is a mystery within himself To go into more detail about my story and its characters you will just have to read my story
