Shark's Edge Angel Payne, Victoria Blue, 2019-12-10 Every great dream begins with a dreamer Sebastian Shark is on the verge of realizing his dream The Edge the most luxurious Los Angeles skyscraper ever conceived will be his legacy an icon to dominate LA s skyline just as Shark dominates its boardrooms Self made businesswoman Abbigail Gibson is on a trajectory toward massive success but to get there she must navigate the egos of her demanding clients particularly the driven and obstinate Shark who possesses the special talent of aggravating and arousing her within the same breath They are a collision of chemistry but is their potent attraction toward each other worth losing sight of their ultimate goals Taking a bite of passion has never carried more risk or promised sweeter reward Fate has other ideas however as Sebastian is targeted by unknown enemies and Abbi is caught in the fray Will the danger draw them closer or drive them apart The Horse who Drank the Sky Murray Pomerance, 2008 The author argues in this book that what is most important for cinema is that we are alive with it and that for all its dramatic literary political sociological and philosophical weight film is ultimately an art that provokes touches and riddles the viewer through an image that transcends narrative and theory **Literary Garland** ,1843

Tales of the Time Scouts Robert Asprin, Linda Evans, 2015-11-16 TWO NOVELS OF TIME TRAVELING ADVENTURE Includes Time Scout and Wagers of Sin When an experiment on an orbiting space station went wrong bad wrong ripples in time washed over the Earth bringing global disaster The survivors beginning to rebuild learned that they were now able to travel into the past utilizing the remnant time strings But first the time strings had to be mapped That was the job of the brave pioneers known as time scouts Their occupation was only slightly less dangerous than front line combat and when it was discovered that a time traveler who wasn't extremely careful could zap himself out of existence elaborate rules to prevent that evolved and it was the job of the time scouts to enforce them Time Scout Kenneth _Kit Carson was one of the best if not the best time scouts in the business But he has collected more than a few scars both physical and mental while poking around back in time and trying not to draw the dangerous attention of the natives not always successfully Nowadays he runs a small hotel at Time Terminal 86 and just wants to be a hotelier renting rooms to tourists on their way to see the Roman Circus Maximus or Victorian London firsthand until a certain red headed girl flounces out of his life through an illicit gate that may collapse and leave her lost eternally in the corridors of time Wagers of Sin Time Travel stations have become big business with wealthy tourists taking vacations back in time For Skeeter Jackson one of Time Terminal 86's least honest residents scamming those tourists is a way of life A man's got to follow his calling even a con man and Skeeter might be a dyed in the wool thieving scoundrel but he freely admits it and relishes the crisp cool feel of cash in hand until one of his scams went terribly wrong and he was in more trouble than even his quick wits and crooked tricks could get him out of again At the publisher's request this title is sold without DRM Digital Rights Management Beadle's Half Dime Library , 1877
