W. J. Keeble, 2013-10-22 A Life Full of Meaning Some Suggestions and Some Material for the Future Training of Youth Leaders is an attempt at comprehensive thinking about the training of youth leaders There are two key words training and leaders and both are capable of several meanings For many training implies the learning of routines of universal application short cuts techniques and drill But techniques though often important are never enough in human situations here personal quality counts supremely and The author emphasizes the continued personal growth of the leader and encourages thoughtful attitudes and sensitive understanding Equally leadership is not something unitary and constant The book interprets in contemporary terms what is

meant by training and leadership for youth workers what is involved in terms of experience skill study and reflection This book will prove to be a valuable stimulus and guide to all who have at heart the interests of the Youth Service Michigan Christian Advocate ,1893 *Rising Star* Jason A. Kirk,2021-12-08 Nikki Haley has been an emerging force in American politics her star power burnished over a decade that has seen her move from the national spotlight to the global stage In *Rising Star* political scientist Jason A Kirk analyzes her ascendance in the Republican Party from her governorship of South Carolina during which she faced extraordinary challenges in a state reckoning with tragedy race and its own history to her elevated profile as Donald Trump s ambassador to the United Nations where as the daughter of immigrants and a woman of color she became the face of his America First policy to the world In considering a wide range of perspectives Kirk illuminates how the combination of Haley s political talents and her identity as an Indian American Christian southern woman has made her an unlikely bridge between the Trump years and the GOP s embattled path forward Life ,1909 **First Person Political** Grant Reeher,2006-01-30 In *First Person Political* Grant Reeher combats the public s alienation from and distrust of politicians by putting a personal face on everyday political life Through moving personal interviews Reeher allows legislators to tell their own stories about how and why they came to politics the experience of serving in their state legislature their decisions to stay or leave and the many trials they face in the name of public service Reeher contends that these politicians do have the public good in mind and often suffer great personal losses for their chance to represent the people and fight for what they think is right His research also shows that those who choose to run for office often come from a background of deep community involvement Reeher argues against public cynicism about our elected officials and his profiles stir not only our praise and respect for these legislators but also a greater belief in the democratic process itself The excerpts from his interviews provide a rarely afforded intimate look at these politicians What emerges from these stories is a humane and believable portrait of public servants acting on behalf of the public good a portrait that should provide some comfort perhaps even inspiration for citizens concerned about the state of American democracy **Daily Graphic** Elvis D.
