

THE MEASURE OF A MAN

The measure of a man is not determined

By his show of outward strength

Or the volume of his voice Or the thunder of his actions

Or of his intellect or academic abilities

It is seen rather in terms of the love that he has

For his family and for everyone

The strength of his commitments

The genuineness of his friendships

The sincerity of his purpose

The quiet courage of his convictions

The fun, laughter, joy and happiness he gives

to his family and to others

His love of life His patience and his honesty

And his contentment with what he has.
