Measure Of All Things On The Relationship Between Photography And Objects:

The Measure of All Things Peter Weiermair,1998 The seven positions featured here document the wealth of aesthetic strategies available to photographic artists today They represent a clear rejection of the naive documentarism of the 19th century to which they allude at most with a certain affectionate irony Major themes include not only differences in the way objects are viewed differing photographic strategies and vocabularies but also the artist s self reflection on the categorical parameters of the medium itself Things are observed registered staged documented and estranged from their usual context they are actors upon the stage of everyday reality in a medium whose psychological and philosophical dimensions are taking on increasing importance These photos call upon the viewer to reject the unambiguous view and to reflect upon the nature of the objects depicted

Alice Doesn't Teresa de Lauretis,1984-05-22 There is hardly a page in this collection of hard thought and brilliantly written essays that does not yield some new insight Hayden White de Lauretis s writing is brisk and refreshingly lucid International Film Guide *Art Photography Now* Susan Bright,2006 This survey presents the work of eighty of the most important and best loved artist photographers in the world today Susan Bright has organized the book into seven sections portrait landscape narrative object fashion document and city each of which explores the diverse subjects styles and methods adopted by artists Introductions to each section outline the genres and consider why photographers are attracted to certain themes and how issues like memory time objectivity politics identity and the everyday are tied to certain approaches Each photographer s work is then presented in sequence with commentaries by the author highlighting the art s most important aspects Quotations from the artists appear alongside to offer valuable insights into their motivations inspirations and intentions inside front cover
