William V. Reynolds, 2002-03-01 A church attempts to create God in its own image Using modern technology they hope to resurrect a man they call Messiah **Waiting for Messiah** Rainbow Chang, 2021-03-11 The pandemic of the 2020 Easter season has been seen as transformative for human life However the transformation that modern science will bring into human life is even more fearfully exciting in the big picture of human history The pandemic triggered a deep urgency in the author to question the Easter story in light of frontier science When death is near us we often think more about life and truth and are filled with the urge to experience them both In the Christian story God was born died and was resurrected on earth ascended into heaven from earth and will bring the kingdom of God on earth What will be the continuation of our Easter story if the earth is no longer our home What s the real meaning of the resurrection of the dead in his return if modern science has achieved everlasting life before his return In this book the questioning of truth is blended with a deep faith in the truth It shows that waiting for the Messiah is not a stilled life putting the future on pause but a dance of life For the characters of this book the dance of life in lockdown in a small town did not block their awareness of hunger violence and injustice happening in the world or limit their vision for the kingdom of God That could be said about millions of lives at the time of Easter 2020 as millions of people have given their lives for others Remembering the Easter of 2020 is remembering you **Jesus: Is He the Messiah of Israel?** Magnus N. Keehus, 2011-01-28 Jesus Is He Israel s Messiah Indeed he is This book seeks to give evidence for Jesus being the Messiah of Israel and the world by drawing on various sources ranging from certain ideas observed in the Dead Sea Scrolls produced by the Qumran community including illuminating certain writings concerning Messiah generated by ancient rabbis The author also seeks to establish many prophecies fulfilled by Christ as spoken of in the Tanakh Old Testament and gives a strong case for miracles and the resurrection of Jesus An exposition of

selected parables taught by Jesus at the end of this book will reveal that the very claims he made about himself came from no other than Messiah authenticated by his own ministry of miracles fulfilled prophecy performing resurrections including his own literal and physical rising from the dead

My Friend, the Messiah Ray Green, 2003 I met John on a deserted beach He was confused disoriented dirty and had lost his memory When we made eye contact the skin on my arms and chest froze and a lump of fear suddenly developed in my throat Our fingers touched and I experienced a sudden wave of peace like a golden sunset My wife and I agreed to help John and escort him to New York where he knew he must address the United Nations Security Council In New York John performs miracles in Central Park conducts an impromptu sermon to 5 000 people resurrects a fatally injured girl and convinces the UN delegates to act My intrigue is the constant uncertainty of John s origins and his true nature Is he a messiah an alien or a unique man with incredible powers We travelled with him to Jerusalem Rome and Switzerland where five million people gather to hear John speak I finally understood who he was and why he came He was My Friend The Messiah all he said was let there be light
