The Wiersbe Bible Commentary: Old Testament Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of God s Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe s trustworthy insights on the entire Old Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read **The Moody Handbook of Messianic Prophecy** Michael Rydelnik, Edwin Blum, 2019-10-10 What does the Old Testament say about Jesus Most of us hear an occasional messianic prophecy during advent we see Old Testament verses cited by New Testament authors and applied to Jesus but we don t really know what passages in the Old Testament can be considered messianic much less how to interpret some of the confusing ones The Moody Handbook of Messianic Prophecy is an authoritative and reliable guide to the Old Testament passages pointing us to Jesus A collection of essays from Old Testament scholars this work enables believers to understand the messianic nature of the Hebrew Bible like never before You ll learn about messianic prophecy and its interpretation and make new discoveries about the context and application of both familiar and strange passages Enjoy the delight of discovery as you look at familiar passages in a new light Dig into the messianic prophecy today Messianic Revelation in the Old Testament Gerard Van Groningen, 1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work Anti-Semitism and the Foundations of Christianity Alan T. Davies, 2004-01-09 No one would disagree with the assessment that Christians over the centuries have been guilty of anti Semitism sometimes with barbarous

results The real question is not whether individual Christians have been anti Semites but whether anti-Semitism is somehow ingrained in the very roots of Christianity in its very essence Rosemary Ruether has declared that anti-Semitism is the other side of Christology the inevitable fallout of placing Jesus at the right hand of the Father The contributors to this volume consider that larger question from several vantage points Their findings are vitally important for Christians and Jews alike Not only do they explore the beginnings of Christian anti-Semitism they help us understand the dynamics of the religious impulse for all peoples and all times The contributors to this volume include John C Meagher Douglas R A Hare Lloyd Gaston John T Townsend David Efroymson Monika K Hellwig Gregory Baum John T Pawlikowski Douglass J Hall Alan T Davies Terence R Anderson and Rosemary R Ruether

Messianic Political Theology and Diaspora Ethics P. Travis Kroeker, 2017-11-09 Political theology as a normative discourse has been controversial not only for secular political philosophers who are especially suspicious of messianic claims but also for Jewish and Christian thinkers who differ widely on its meaning These essays mount an argument for a Messianic Political Theology rooted in an interpretation of biblical especially Pauline Augustinian and Radical Reformation readings of messianism as a thoroughly political and theological vision that gives rise to what the author calls Diaspora Ethics In conversation also with Platonic Jewish and Continental thinkers Kroeker argues for an exilic practice of political ethics in which the secular is built up theologically from below in the form of public service that flows from messianic political worship Such a weak messianic power practiced by the messianic body inhabits an apocalyptic political economy in which the mystery of love and the mystery of evil are agonistically unveiled together in the power of the cross not as an instrument of domination but in the form of the servant This is not simply a matter of pacifism but of a messianic posture rooted in the renunciation of possessive desire that pertains to all aspects of everyday human life in the household oikos the academy and the polis

[The Islamic Interfaith Initiative](#) John Andrew Morrow,2021-09-15 When ISIS reared its ugly head in the last decade God had already prepared a vaccine against the contagion of extremism that created it the re discovery of the Covenants of the Prophet Muhammad with the Peoples of the Book which firmly place the actions of groups like ISIS under the curse of God and His Prophet This was largely due to the exhaustive scholarship of Dr John Andrew Morrow leading to the publication in 2013 of *The Covenants of the Prophet Muhammad with the Christians of the World* Not only was this a scholarly triumph but it also inaugurated an international interfaith movement throughout the Muslim world known as the Covenants Initiative which culminated in the acquittal of the Christian woman Asia Bibi on charges of blasphemy by the Pakistani Supreme Court in 2018 The book was quoted by the justices in their decision This volume of speeches articles and interviews is a chronicle of the first activist phase of the Covenants Initiative proving that socially committed scholarship is alive and well in the twenty first century

God's Praise and God's Presence Gabriele G. Braun,2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God s people s praise and God s presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying

biblical theology as a discipline and canonical and intertextual models as a method The Critical Review of Theological & Philosophical Literature Stewart Dingwall Fordyce Salmond,1894 **Echoing the Story** Brady Bryce,2010-09-01 God is already at work in your life whether or not you recognize it Most people are too busy to see or hear God and most Christians lack the intentional practice of listening to the stories of outsiders In *Echoing the Story* Brady Bryce provides a simple way for people to come together and tell the scattered stories of their lives in order to imagine them as part of a bigger story His innovative narrative approach invites curious skeptics casual followers of God and committed disciples of Jesus into community through listening to shared stories If you are interested in exploring the entire story of the Bible if you wonder how its stories fit together or if you simply want to experience God in the ordinariness of your life then this reliable guide can lead you in listening to the echoes of God Part spiritual formation part discipleship part journey through the Bible this guidebook is an experience in hearing the word of God in life You can learn the skill of echoing the story through listening in this informative experiential and missional process As participants in the story we can begin to imagine our everyday lives as stories oriented toward God Eve Jamie Perez, **By God, I Will** David Pawson,2013-02-28 It must bewilder many Christians that teachers and preachers using the same Bible can come up with so many different interpretations and more particularly applications of God's Word One of the main reasons for this confusion is their handling of the word covenant which is so fundamental to scripture The two key questions are how many covenants has God made with human beings and how many of these apply to Christians today Some say there is only one the covenant of grace running right through scripture though they might add a second a covenant of works which applied only to Adam in Eden Most think there are two the old and the new corresponding to the Old and the New Testaments a synonym for covenant Others claim to have found seven though they usually call them dispensations This author believes there are five which are basic to the story of our redemption the Noahic Abrahamic Mosaic Davidic and Messianic Only one of these is old and therefore obsolete only one is new but endorses the other three With this insight we can rightly divide the word of truth 2 Timothy 2:15 NIV has correctly handle See if you agree **God's Dynamic Plan Revealed** Alice Gravatt,2020-07-26 A Master Plan exists for human life so amazing that it goes beyond human imagination The plan is intended for all people who will claim it for themselves It is given to us by our Creator through Moses Tabernacle in 1440 B C in a book called Exodus and it is about to be fulfilled in the near future The plan with its promises is available to everyone who really wants it a gift requiring no merit on the part of the receiver only a hungry heart desiring Truth and a willingness to follow its guidance The Expositor ,1899
