Written as a daily journal, it focuses on my eighty-one-year-old father's 1996 bypass surgery and the effect it had on the rest of the family. It deals with the immediate difficulties of complex medical decisions, the prospect of long-term nursing home confinement, financial strain, and potential ruin, and the inevitable dredging up of the past. Such crises engendered. I have dwelt at some length on the experience of growing up with my father and consequently define him through my own life. Being on the leading edge of the baby boom generation as the media keeps reminding me I am experiencing a complex series of problems most people in my generation will have to face. My book offers

no expertise on aging Medicare Social Security or contemporary medicine Those subjects are covered by other sources But it does offer a perspective that a huge number of people in my generation should appreciate since Ive come to realize that in many ways Im more typical of that generation than I had once thought The first in my family to attend college unsupported by family resources but bound to my family in many other ways not all of them sentimental Ive experienced an alienating class shift without a corresponding financial gain The experiences portrayed in this book constitute a body of knowledge accumulated without effort distinguishing it from the knowledge afforded me by education and I believe it speaks to whatever heart and soul my generation have

**Recovering** May Sarton, 2014-12-16 An affecting diary of one year's hardships and healing by one of the twentieth century's most extraordinary memoirists For decades readers have celebrated May Sarton's journals for their candid look at relationships success and failure communion with nature and the curious stages of aging In *Recovering* Sarton focuses on her sixty-sixth year one marked by the turmoil of a mastectomy the end of a treasured relationship and the loneliness that visits a life of chosen solitude Each deeply felt entry in the journal written between 1978 and 1979 is laced with poignancy and honesty as she grapples with a cold reception for her latest novel the sad descent of a close friend into senility and other struggles Despite the trials of this one painful year Sarton writes of her progression toward a hard won renewal achieved through good friendships the levity provided by her cherished dog and peaceful days in her garden A candid account of Sarton's revival from personal darkness back into light *Recovering* is another stunning entry in the author's irrepressible oeuvre The Journals of May Sarton Volume One May Sarton, 2017-08-08 Now in one volume Three exquisite meditations on nature healing and the pleasures of the solitary life from a New York Times bestselling author In a long life spent recording her personal observations poet novelist and memoirist May Sarton redefined the journal as a literary form This extraordinary volume collects three of her most beloved works *Journal of a Solitude* Sarton's bestselling memoir chronicles a solitary year spent at the house she bought and renovated in the quiet village of Nelson New Hampshire Her revealing insights are a moving and profound reflection on creativity oneness with nature and the courage it takes to be alone *Plant Dreaming Deep* Sarton's intensely personal account of how she transformed a dilapidated eighteenth century farmhouse into a home is a loving beautifully crafted memoir illuminated by themes of friendship love nature and the struggles of the creative life *Recovering* In this affecting diary of one year's hardships and healing Sarton focuses on her sixty-sixth year which was marked by the turmoil of a mastectomy the end of a treasured relationship and the loneliness that visits a life of chosen solitude By turns uplifting cathartic and revelatory Sarton's journals still strike a chord in the hearts of contemporary readers Through them in the words of the Los Angeles Times we are able to see our own experiences reflected in hers and we are enriched **A Place for the Arts** Carter Wiseman, 2006 The in depth story of America's premier artists residency program published on its centennial anniversary Everyday Extraordinary Christopher M. Gemberchak, 2004 The concept of fetishism has long been a window through which philosophers psychoanalysts and cultural anthropologists have looked in order to critically examine the nature of beliefs sexual interests and material values and it remains today a vital interpretive paradigm The enduring interest in fetishism gives testimony to the fact that its status and significance have yet to be fully

resolved In the attempt to further clarify this ambiguous and often mystifying phenomenon the contributors to *Everyday Extraordinary Encountering Fetishism* with Marx Freud and Lacan have taken a fresh look at the fundamental dynamic of fetishism through the lenses of its most influential interpreters not only Marx Freud and Lacan but also Derrida Mannoni and Pietz In this collection of essays the philosophical approach joins forces with the psychoanalytic and the psychoanalytic with the aesthetic and mythological often with striking results Emerging from the essays contained in this volume is a notion of fetishism as a response to a crisis of meaning personal social or religious The fetish mediates the crisis that arises when a system of meaning and identity is confronted with something that threatens it with dissolution whether this threat arises from an excessive and traumatic figure of alterity or from the loss of the ground on which ones certainty had been staked And the stakes of this confrontation are indeed high as the fetish is here seen as an object having a profound influence on the life of desire now leading to a symbolic blossoming of the mundane now into perverse repetition and the refusal of change
