Medeas Folly Women Relationships And The Search For Intimacy:

Medea's Folly Tanya Wilkinson, 1998 Why is the search for intimacy so important for women What does real intimacy feel like These questions and others are explored and answered in Dr Tanya Wilkinson's book on the Medea myth which has brought new insight to our understanding of how relationships really work for women She unravels the mysteries of women's commitment to establishing maintaining and improving intimate relationships She also explores the troubling dark side of intimacy that is so often ignored in modern culture as she takes us on an illuminating journey through myth and fairy tale

Working with Bitches Meredith Fuller, 2013-03-26 What do you do when the queen bee demands to know why you haven't written the report she never asked for Or when the colleague who you thought was your friend takes sole credit for the project you worked on together It's hard to speak out about catty behavior especially when it's insidious or goes on behind your back But you can usually sense when something's off particularly if you're completely stressed out and hate the job you used to love Let's face it ladies there are plenty of nasty manipulative and destructive women in the workplace who fly under the radar while ruthless alpha males get all the bad press In Working with Bitches psychologist Meredith Fuller offers practical advice on how to recognize and manage difficult women at work Dr Fuller combines actual cases with tips that women can use right away to defuse even the worst situations Readers will learn how to deal with the eight types of mean girls they might face in the office and find powerful reassurance that they are not alone Working With Mean Girls

Meredith Fuller, 2012-01-25 What do you do when the Queen Bee has you in her sights demanding to know why you haven't done the report she never asked for What do you do when the colleague you thought was your friend takes all the credit for the project you worked on together There are nasty manipulative and destructive women in some workplaces who glide under the radar while the ruthless alpha males get all the bad press Trouble is it's hard to speak about catty behaviour when it's insidious or goes on behind your back Yet you know something's wrong you've stressed to the max and you hate the job you used to love It feels personal But the good news is that bitchiness at work is rarely about you Beneath their powerful exteriors mean girls are insecure fearful and craving attention They can't help themselves but you can avoid their sting Offering practical advice and using fascinating case studies psychologist Meredith Fuller shows you how to recognise and manage difficult women at work Don't let mean girls spoil your career or ruin your health learn how to protect yourself
