journalism mass communication sociology and political science as well as policymakers and practitioners **Press Freedom in Africa** Herman Wasserman, 2013-09-13 This book gives an overview of current debates surrounding press freedom in Africa in response to ongoing contestations between media and governments on the continent Through case studies of individual African countries as well as international comparisons a wide range of global contributors provide critical assessments of the state of press freedom on the continent and critical perspectives on the dominant discourses around freedom and democracy Some fear an alarming slide towards a media intolerant environment in South Africa and the proposed Media Appeals Tribunal and the Protection of State Information Bill POSIB have met with strong criticism from journalism practitioners and educators This book examines these and other recent developments seen to represent a threat to press freedom on the African continent Contributors to the volume take a comparative look at the situation in South Africa within a broader global context of transitions to democracy and globalised marketization of the media as well as inspecting specific African examples that may serve to illuminate broader trends Case studies from different African countries are examined but in the process the discourses around press freedom are also subjected to critical scrutiny Critics state that the South African media are not without fault and that part of journalism scholarship's role is to continue to point to these shortcomings and to suggest ways of improving the media's democratic responsibility Press Freedom in Africa provides a range of perspectives on the heated debates surrounding press freedom It illustrates the importance of research based scholarly interventions into the often emotional and rhetorical debates surrounding the role of the media in African society This book was originally published as a special issue of *Ecquid Novi African Journalism Studies* [Journalism Cultures in Sierra Leone](#) Sarah Bomkapre Koroma, 2023-06-07 This book provides novel insights into the perspectives of journalists in Sierra Leone and on their work by examining their perceived journalistic values and the influences that shape them It treats journalism as an occupational identity and as a community that works on the foundation of the sub Saharan African philosophies that exalts communal values in every sphere of life When journalists speak about their social function in society and values they are sharing both their individual knowledge and experiences on their work Therefore journalistic values are never isolated ideologies but exist within the contexts in which they practice In this book Sarah Bomkapre Koroma examines the perceptions of journalists on the societal influences that impact their work ranging from individual procedural organizational political economic and many more Questions explored include What journalism cultures exist in Sierra Leone What effects do societal factors have on these journalistic cultures How do journalists in Sierra Leone describe their roles What epistemological underpinnings do they consider during practice What ethical considerations do the journalists share

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin, 2019-11-12 The reference will discuss mass media around the world in their varied forms newspapers magazines radio television film books music websites and social media and will describe the role of each in both mirroring and shaping society *Teaching Media Ethics* The

AEJMC Media Ethics Division,2023-12-11 Teaching Media Ethics gives journalism and mass communication instructors the ideas and tools they need to effectively incorporate media ethics into courses across the curriculum It covers ethics intensive courses from the undergraduate to the graduate level as well as how to incorporate ethics into other classes related to reporting and strategic communication The volume also includes nine chapters focused on key specializations such as sports and social media and critical issues such as reporting on mental health It offers thought provoking chapters on diversifying the ethics curriculum inclusive teaching practices and challenges to traditional notions of media ethics The only book of its kind in the realm of media ethics this volume aims not to teach students directly but instead to teach teachers how to address ethics in their own classrooms and engage students effectively It emphasizes practical advice and suggestions for activities and resources Teaching Media Ethics has something for instructors at all stages of their careers and should be particularly useful to graduate students and faculty who are developing their approaches to journalism and mass communication classes The authors leading ethicists and award winning teachers approached their chapters with an emphasis on making it as easy as possible to deliver teaching in ethics The Handbook of Mass Media Ethics Lee Wilkins,Clifford G.

Christians,2008-09-17 This Handbook encapsulates the intellectual history of mass media ethics over the past twenty five years Chapters serve as a summary of existing research and thinking in the field as well as setting agenda items for future research Key features include up to date and comprehensive coverage of media ethics one of the hottest topics in the media community one stop shopping for historical and current research in media ethics experienced top tier editors advisory board and contributors It will be an essential reference on media ethics theory and research for scholars graduate students and researchers in media mass communication and journalism **Handbook of Global Media Ethics** Stephen J.A.

Ward,2021-09-02 This handbook is one of the first comprehensive research and teaching tools for the developing area of global media ethics The advent of new media that is global in reach and impact has created the need for a journalism ethics that is global in principles and aims For many scholars teachers and journalists the existing journalism ethics e g existing codes of ethics is too parochial and national It fails to provide adequate normative guidance for a media that is digital global and practiced by professional and citizen A global media ethics is being constructed to define what responsible public journalism means for a new global media era Currently scholars write texts and codes for global media teach global media ethics analyse how global issues should be covered and gather together at conferences round tables and meetings However the field lacks an authoritative handbook that presents the views of leading thinkers on the most important issues for global media ethics This handbook is a milestone in the field and a major contribution to media ethics **Ethics and the Media**

Stephen John Anthony Ward,2011 A comprehensive introduction to media ethics and an exploration of how it must change to adapt to today s media revolution **Indigenous Language for Social Change Communication in the Global South**

Tshepang Bright Molale,Abiodun Salawu,Mohammad Sahid Ullah,Enrique Uribe-Jongbloed,2023-05-22 Indigenous Language

for Social Change Communication in the Global South brings together voices from the margins to engage in dialogue about common social change issues in Latin America Africa and Asia This book argues that resistance and social movements expressed in music and songs and exchanged via radio remain fundamental to ensure that the linguistic and cultural diversity of the world progresses despite colonizing pressures Contributors present cases that explore how indigenous communities use mediums such as the radio to help support their language identity and expand their own social change Highlighting the centrality of music in the development of political discussions and language as a central part of collective identity contributors analyze how these mediums function as both a vessel and a link for information and cultural cohesion of those engaging in social change Scholars of communication sociology and development studies will find this book of particular interest
