2 While reading the book The Crowned Christ by Frederick W Grant he made mention of these volumes of Coming of Messiah  
So I went in search for them and found them in scanned PDF format using OCR software Poor copies This book was originally  
published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the  
original work While some publishers have opted to apply OCR optical character recognition technology to the process we  
believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does  
not adequately preserve the historical character of the original artifact We believe this work is culturally important in its  
original archival form While we strive to adequately clean and digitally enhance the original work there are occasionally  
instances where imperfections such as blurred or missing pages errant marks may have been introduced due to either the  
quality of the original work or the scanning process itself Despite these occasional imperfections we have brought it back  
into a digital epub format as part of our ongoing global book preservation commitment providing customers with access to  
the best possible historical books in epub format We appreciate your understanding of these occasional imperfections and  
sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher With this  
republishing of the Coming of Massiah everyone can have this wonderful work in their digital library at this low cost I have  
spent many hours on this work and have recovered most of the original work This work is well worth reading 2ND

Schwulst,2024-12-30 The book carefully shows the Jewishness of the Revelation text and how it is directed to the Jews living in last days Israel Unlike other commentaries on the Revelation John is writing to these last days Jews warning them to be watching and waiting for their Messiah s return to them in the last day     *The Coming of Messiah in Glory and Majesty* Manuel Lacunza,1827     The Second Advent T. variety of Jewish beliefs concerning Messianic and eschatological matters than was often allowed for a few years ago The view of Schweitzer that the scene was dominated by the hope of a transcendent Messiah descending in glory from the sky the point of departure for his whole argument is now seen to be quite unsound I perhaps should have made it plainer in my original writing that I was attempting to face the challenge which Schweitzer gave by his notable book The Quest of the Historical Jesus the way in which I set out my material would have been seen more clearly had it been considered against the background of Schweitzer s book from the Preface to the Third Edition CONTENTS Part 1 The Parousia in Jewish Literature Extant in the Time of Jesus Part 2 The Parousia in the Teaching of Jesus Part 3 The Parousia in the Early Church Part 4 The Parousia in Jewish Writings of the Christian Era
